- (h) an application seeking the variation of a development authorisation previously given under the Act (including a condition imposed in relation to a development) will be subject to the fees prescribed by this item as if it were an application for a new development, but only to the extent that a particular fee imposed in relation to the application reflects the step or steps to be undertaken by the relevant authority or another relevant body on account of the application and not so as to require the payment of a fee for a minor variation that makes no substantive change to the development authorisation that has been previously given;

- (i) if an application is for a second or subsequent consent because the applicant is seeking the assessment of a particular development in stages, the base amount under component (1) is only payable in relation to the first application (but the base amount will again be payable if the application is to be treated as a new application for a new development in the manner envisaged by paragraph (h) and taking into account the operation of section 39(7)(b) of the Act);
- (j) the Development Authorisation (Staged Consents) Fee is not payable unless or until the council receives an application for building rules consent or, if building rules consent is given by a private certifier, unless or until the private certifier notifies the council of his or her decision to grant the consent under section 93(1)(b) of the Act.
- 2 The following fee is payable in respect of an application for assignment of a classification to a building or a change in the classification of a building for the purposes of section 66 of the Act:
