PROFESSIONAL STANDARDS ACT 2004

New South Wales Bar Association Scheme

PURSUANT to Section 14 (1) of the Professional Standards Act 2004, I authorise the publication in the *Gazette* of the New South Wales Bar Association Scheme.

Pursuant to Section 15 (1) (a) of the Professional Standards Act 2004, I specify 1 July 2015 as the date of commencement of the New South Wales Bar Association Scheme.

Dated 27 April 2015.

JOHN RAU, Deputy Premier, Attorney-General

*Preamble***OCCUPATIONAL ASSOCIATION**

The New South Wales Bar Association (ACN 000 033 652) is an Australian Public Company, Limited by Guarantee. The Association's current Scheme commenced on 1 July 2010. The NSW Bar Association's website is www.nswbar.asn.au.

The occupational group represented by the Association is barristers holding a New South Wales practising certificate. The Scheme only applies to barristers who hold a New South Wales practising certificate, who are members of the Association and who hold approved professional indemnity insurance as provided for in the Scheme. The number of members eligible to be covered by the Scheme is approximately 2 100.

The Association's objectives are outlined in Clause 3 of the Constitution and include:

- to promote the administration of justice;
- to promote, maintain and improve the interests and standards of local practising barristers;
- to make recommendations with respect to legislation, law reform, rules of court and the business and procedure of courts;
- to seek to ensure that the benefits of the administration of justice are reasonably and equally available to all members of the community;
- to arrange and promote continuing legal education;
- to promote fair and honourable practice amongst barristers; to suppress, discourage and prevent malpractice and professional misconduct;
- to inquire into questions as to professional conduct and etiquette of barristers;
- to confer and co-operate with bodies in Australia or elsewhere representing the profession of the law;
- to encourage professional, educational, cultural and social relations amongst the members of the Bar Association; and
- to make donations to charities and such other objects in the public interest as determined from time to time by the Bar Council.

NATURE AND OPERATION OF THE SCHEME

The Scheme operates for the purpose of improving the occupational standards of barristers and to protect the consumers of their services. The Scheme limits the civil liability of barristers to whom it applies. The Scheme is intended to operate in New South Wales, the Australian Capital Territory, the Northern Territory, Queensland, Victoria, Western Australia and South Australia.

The liability limited by the Scheme includes, to the extent permitted by the Act, all civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by a member of the Association or to any person to whom the Scheme applies in acting in the performance of his or her occupation. The Scheme does not apply to liability for damages arising from any matter to which the Act does not apply, including, but not limited to, liability for damages arising from death or personal injury to a person, a breach of trust, fraud or dishonesty.

The Scheme does not affect damages which are below \$1.5 million. The Scheme limits liability for damages to \$1.5 million provided the person has insurance which is not less than \$1.5 million. To date, there has never been a successful claim against a NSW barrister that has reached \$1.5 million in damages.

RISK MANAGEMENT

The Association has adopted many risk management strategies, including:

- requirements for professional entry to practice at the Bar;
- continuing professional development in the areas of ethics and regulation of the profession; management; substantive law, practice and procedure, and evidence, advocacy, mediation and other barristers' skills;
- codes of ethical conduct;
- technical standards and guidance;
- advisory and support services;
- complaints and discipline systems; and
- claims monitoring.

The Bar Association will continue to report annually on the implementation and monitoring of its risk management strategies, the effect of those strategies and any changes made or proposed to be made to them.

COMPLAINTS AND DISCIPLINE

Scheme members are subject to a complaints and discipline system operating under the Legal Profession Act 2004 (NSW). All scheme members must comply with the provisions of the Legal Profession Act 2004 (NSW) and Legal Profession Regulation 2005.

STANDARDS OF INSURANCE

Scheme members are required to have approved professional indemnity insurance before they are issued with a practising certificate. The NSW Attorney General determines the statutory minimum level of professional indemnity insurance required to be taken out by barristers and also approves the professional indemnity insurance policies on offer by brokers each year. The professional indemnity insurance taken out by NSW barristers covers them for liability in all Australian States and Territories.

CLAIMS MONITORING

The Association will continue to request that the Attorney General's Order approving the policies for NSW barristers each year requires that the brokers/insurers provide the Association with claims data so that the Association can continue to monitor claims made against its members. The Association will continue to maintain its long established relationship with the insurers. The Bar Association will continue to report annually to the Professional Standards Council on claims monitoring, tactics, performance measures and monitoring systems.

SCHEME ADMINISTRATION

Responsibility for administration of the scheme and ensuring that it complies with the requirements of the Professional Standards Act 1994 (NSW) and of the Professional Standards Council rests with the Executive Director; who is assisted on a day to day basis by the Association's Policy Lawyer.

DURATION

The scheme will remain in force for a period of 5 years from 1 July 2015 unless it is revoked, extended or ceases in accordance with Section 32 of the Professional Standards Act.

THE NEW SOUTH WALES BAR ASSOCIATION SCHEME

PROFESSIONAL STANDARDS ACT 1994 (NSW)

2.3.2 In the Australian Capital Territory, the Northern Territory, Queensland, Victoria, Western Australia and South Australia by virtue of the comparable provisions to Sections 18 and 19 of the Act in the corresponding legislation of those jurisdictions; and

2.3.3 In the Australian Capital Territory, the Northern Territory, Victoria, Western Australia and South Australia by virtue of the comparable provision to Section 20 of the Act in the corresponding legislation of those jurisdictions; and

3.2 For the purposes of the operation of the scheme in NSW 'occupational liability' has the same meaning as it has in the Act and excludes any liability which may not from time to time be limited pursuant to the Act. Similarly, for the purposes of the operation of the scheme in other jurisdictions in which it applies i.e. ACT, Northern Territory, Queensland, Victoria, Western Australia and South Australia, 'occupational liability' has the same meaning as it has in the corresponding legislation of those jurisdictions and excludes any liability which may not from time to time be limited pursuant to that legislation.

3.3 The person to whom the scheme applies must be able to satisfy the court that they have the benefit of:

3.3.1 an insurance policy insuring them against that occupational liability, and

3.3.2 an insurance policy under which the amount payable in respect of the occupational liability relating to that cause of action is not less than the maximum amount of liability specified in the scheme in relation to the person to whom the scheme applies and the kind of work to which the cause of action relates at the time at which the act or omission giving rise to the cause of action occurred.

4. *Commencement and Duration*

4.1 The scheme is intended to commence on 1 July 2015 and is to remain in force until 30 June 2020 unless:

4.1.1 in the case of New South Wales, in accordance with Section 32 of the Act it is earlier revoked or ceases to have effect or its period of operation is extended for a period of up to 12 months; or

4.1.2 in so far as the scheme operates in the Australian Capital Territory, the Northern Territory, Queensland, Victoria, Western Australia and South Australia, in accordance with the law of those jurisdictions its operation in those jurisdictions is earlier revoked or ceases to have effect or its period of operation is extended for a period of up to 12 months, or it ceases to have effect in New South Wales.

4.2 In the event the scheme is published in the *Gazette* of any jurisdiction after 1 July 2015, the scheme will commence on such day 2 months after the date of its publication in that jurisdiction and is to remain in force for 5 years from that date of commencement subject to Clause 4.1.1, and Clause 4.1.2.

IGNORING THIS NOTICE

If you do not owe this debt, you can ignore this notice. You may wish to seek independent legal or financial counselling advice before deciding what to do.

If you ignore this notice the sender may file a claim against you in the Magistrates Court and if you lose the case you will have to pay the debt and in addition you may have to pay extra costs. A court judgment against you may have a bad effect on your credit rating.

OPTIONS FOR PAYMENT/SETTLEMENT OF THE CLAIM

- If you owe the full amount claimed, pay it to the Sender within 21 days. **Do not send money to Court.**
- If you cannot afford to pay the amount in full, try to arrange instalment payments with the Sender. You can use an Enforceable Payment Agreement (EPA) where in return for you acknowledging the debt and making payments, the Sender (creditor) agrees not to commence a formal claim, nor to report the debt to credit referencing agencies. You can obtain these from court offices. Keep a record of payments made.
- Negotiate with the Sender for more time to pay in full. If the Sender will not discuss time to pay the debt you can save costs by serving a Form 1C Notice of Willingness to Consent to Judgment on the Sender. Keep a copy.
- The Sender is not entitled to debt collecting costs unless you agreed to pay them in your credit or other agreement for goods or services supplied.
- If you agree there is a debt owed but disagree with the amount claimed, try to negotiate with the Sender. If the Sender agrees, you can use the free mediation service (see below).
- If you owe some of the money you could pay that to reduce the amount in dispute.

**Government
of South Australia**

**TREASURER'S
QUARTERLY STATEMENT**

for the

**THREE MONTHS ended on
31 DECEMBER 2014 and 31 DECEMBER, 2013**

*Presented by the
Honourable T. Koutsantonis M.P.
Treasurer of South Australia*

GOVERNMENT OF SOUTH AUSTRALIA**COMMENTARY TO THE STATEMENT OF THE AMOUNTS CREDITED TO
AND ISSUED FROM THE CONSOLIDATED ACCOUNT FOR THE QUARTERS ENDED
31 DECEMBER 2014 AND 31 DECEMBER 2013*****Receipts******Taxation***

Payroll tax receipts for the six months to December 2014 were higher than for the same period in 2013, mainly due to growth in taxable payrolls.

Stamp duty receipts in the December quarter 2014 were higher than a year earlier, mainly due to conveyance duty for several large transactions being received in November 2014.

Stamp duty receipts for the six months to December 2014 were lower than for the same period in 2013, mainly due to the receipt of duty on a very large transaction in August 2013.

Gambling tax receipts in the December quarter 2014 were lower than a year earlier, mainly due to lower gaming machine spend in clubs and hotels.

Gambling tax receipts for the six months to December 2014 were higher than last year, mainly due to timing differences in the recognition of gambling payments into the Consolidated Account.

Land tax receipts for the six months to December 2014 were higher than the same period in 2013, mainly due to the timing of two large land tax payments made by the South Australian Housing Trust.

Royalties

Royalty receipts in the December quarter 2014 were higher than the same period a year earlier due to a combination of higher gas and condensate production, partially offset by lower crude production, and the timing of monthly royalty payments.

Royalty receipts for the six months to December 2014 were lower than the same period in 2013, mainly due to large producers transitioning to monthly payments in 2013-14.

Fees and charges

Fees and Charges for the six months to December 2014 were higher than for the same period in 2014 mainly due to increases in guarantee fees which are in line with the increase in budget in 2014-15.

Commonwealth – General Purpose Payments

Growth in general purpose grants for the six months to December 2014 compared to the same period last year is not indicative of underlying Goods and Services Tax (GST) revenue growth. This is because monthly grants are paid according to a payment schedule prepared by the Commonwealth Government rather than in accordance with the actual emerging monthly GST collections.

Receipts for the 6 months ended 31 December 2014 are slightly higher than originally anticipated, mainly due to the annual adjustment for actual collections received by the Commonwealth in 2013-14.

Commonwealth – Specific Purpose Payments

Specific Purpose Payments (SPPs) for the December quarter 2014 were lower than for the same period a year ago, mainly because the recurrent SPP for Government schools is now being paid directly to the Department of Education and Child Development under the new National Education Reform Agreement.

Commonwealth – National Partnership Payments

Underlying National Partnership (NP) payments for the six months to December 2014 were lower than the same period last year, primarily because the Commonwealth Government is no longer funding the NP on Certain Concessions for Pensioner Concession Card and Senior Card Holders. Additionally, no payments have yet been received for the Remote Indigenous Housing NP in 2014-15.

Other receipts

Other receipts for the first six months to December 2014 were higher than the same period in 2013, mainly due to the return of equity from SA Water.

Payments

Payments of appropriation are made to Public Authority bank accounts in accordance with cash flow requests.

Payments to the Department of Planning, Transport and Infrastructure for the December quarter 2014 are lower than for the same period in 2014, mainly due to the payment of higher equity contributions in the December quarter 2013 to fund completed projects.

Payments for various Acts for the December quarter 2014 are lower than the same period in 2013, mainly due to the reduction in first home owner grants.

Note

Caution should be exercised in interpreting the quarterly statement of Consolidated Account transactions. Unlike the State Budget, which comprises transactions on an accrual basis, the information reflected in the quarterly statements is limited to cash transactions. Also, the Consolidated Account does not capture all the transactions undertaken by the general government sector (in particular, it does not record receipts to and payments from special deposit accounts). Finally, the timing of receipts and payments could be volatile within a particular year. As a result, apparently large movements between years may only be due to changes in the timing of receipts and payments and therefore may not have consequences for the underlying budget position.
