HIS Excellency the Governor in Executive Council has been pleased to issue directions to the State Emergency Relief Fund Committee to administer the fund as set out below, pursuant to Section 37 (4) of the Emergency Management Act 2004.

GOVERNOR'S DIRECTIONS
TO THE MEMBERS OF THE COMMITTEE APPOINTED TO
ADMINISTER THE STATE EMERGENCY RELIEF FUND

*Governor's Directions in Relation to the Emergency Arising
from the Pinery Fire*

The State Emergency Relief Fund (the Fund) provides a publicly accountable mechanism for the receipt and disbursement of donated funds following a declared emergency or proclaimed situation. The Fund is an administered item of the Department for Communities and Social Inclusion (the department). Monies provided to persons and/or organisations are gifts from the community in recognition of injury, loss or damage arising from the emergency, not a form of compensation. The department provides administrative and policy support to the Fund.

The committee to administer the State Emergency Relief Fund is appointed by the Minister under Section 37 (3) of the Emergency Management Act 2004 (the Act) and is subject to broad directions by the Governor.

In these directions, the Pinery Fire is a proclaimed situation in accordance with Section 37 (2) of the Act.

In these directions 'family' means a parent, spouse or domestic partner and children of a person killed or injured in the Pinery Fire; and, 'injury' will include both physical and psychological injury.

Ongoing members of the SERF Committee are appointed for a term of three years. Other members (particular members) are appointed for a period of six months to provide knowledge and judgment in relation to administration of the fund in response to a particular emergency.

One of the ongoing members of the committee is also appointed as Fund Administrator (the administrator) and will chair meetings of the committee unless a direction given by the Governor in relation to a particular emergency otherwise provides.

A direction given by the Governor may nominate a particular member of the committee to chair its meetings in so far as those meetings relate to the distribution of funds for a particular emergency and matters incidental thereto. If such a direction is not given, relevant or applicable, then the person appointed as the administrator will chair meetings of the committee.

A quorum of the committee will consist of the chairperson and four members of the committee. A further direction may provide that only members appointed to participate in the administration of the fund in relation to a particular emergency will be counted in forming the quorum for a meeting relating to that emergency (ongoing and particular members).

Where possible the committee should reach decisions by consensus. However, if a vote is required, and the results are tied, the chairperson will have a deliberative and casting vote. Particular members may only vote on issues relating to the administration and distribution of the funds in respect of the emergency to which their appointment relates.

Members of the committee are obliged to maintain confidentiality in relation to the deliberations of the committee and in relation to personal information that may be made available to the committee by or about potential recipients of fund monies.

Any member who believes they may have a conflict of interest in relation to their duties as a committee member must declare that interest.

Pursuant to the Act, and these directions, the committee is responsible for the appropriate disbursement of the monies in the Fund for the relief of persons who suffer injury, loss or damage as a result of a declared emergency or proclaimed situation, or otherwise, to assist communities adversely affected by the impact of a declared emergency or proclaimed situation.

Upon a request from the Premier or Minister, the committee may coordinate a public appeal for donations for the SA Pinery Fire subject to the Collections for Charitable Purposes Act 1939 (Section 6) Licence issued to the Fund.

The committee may adopt any fair and reasonable assessment scheme for disbursement of monies, whether of its own design or that which has been developed wholly or in part by any government or non-government agency.

The committee may consult with individuals, organisations or groups, government and non-government agencies, as appropriate, on the impacts of the emergency and the resulting needs of the persons and communities affected.

The committee will be responsible for ensuring:

- Monies received by the fund are disbursed equitably and fairly for the relief of persons who suffer injury, loss or damage as a result of the SA Pinery Fire. Monies may be paid directly to such persons or otherwise to assist the communities that are adversely affected;
- Administrative processes developed for the management and disbursement of the monies are transparent and meet all appropriate legal, probity and procedural requirements;
- Appropriate information is provided to affected parties and to the community regarding the availability of relief, eligibility and funds disbursement processes, and any other matters that the committee determines should be communicated in order to assist the proper administration of the fund;
- A written report is provided to the Minister when the committee is satisfied that it has appropriately disbursed the available monies in relation to the SA Pinery Fire. The written report should include an audit of all monies disbursed, an evaluation of the effectiveness of the fund in meeting identified need and recommendations on any issues, which should be addressed to streamline processes and policy for future use of the fund following an emergency;
- That monies are allocated in an equitable, fair and culturally appropriate manner, and may take into account the following principles:
 - priority is given to those most affected by the event as assessed by criteria established by the committee;
 - priority is given in the allocation of monies to persons whose primary place of residence at the time of the Pinery Fire was within the areas as defined and approved by the relevant authority, i.e. Chief Officer of the SA Country Fire Service;
 - available monies can be used to provide relief over the short-term and/or long-term for persons who have suffered injury, loss or damage as determined by the committee or as a result of the Pinery Fire or within the council areas of Clare and Gilbert Valleys Council, Wakefield Regional Council, Light Regional Council and District Council of Mallala;
 - defined circumstances for recipients affected by the emergency whose primary residence is outside the affected area may also be considered where the recipient has directly suffered injury, loss or damage from the emergency (provided that they meet assessment criteria to be determined by the committee);
 - community rebuilding and encouragement of individual resilience to deal with the consequences of the emergency may also be considered by the committee;
 - monies may be made available to corporate bodies, such as, small businesses that have suffered injury, loss or damage, if other sources of assistance are exhausted, and to community organisations where there has been a direct loss or damage to community facilities from the emergency or where a facility, or community program or service is proposed to be offered for the purpose of the relief of affected persons;
 - monies provided may complement or recognise other forms of assistance received by those affected by the emergency, including any insurance payments, government grants, other gifts from public donations or other sources of known tangible support;
 - monies may be provided irrespective of the insurance status of the recipient;

- where the committee is of the opinion that a person who suffered injury, loss or damage as a result of the emergency has been overcompensated for that injury, loss or damage by reason of being paid money from the fund and damages for compensation from another source, the committee may, by notice in writing given personally or by post to the person, require the person to pay the fund the amount of the overcompensation as determined by the committee and specified in the notice; and
- there will be a maximum and minimum amount that any recipient can receive from the fund, which will be determined by the committee from time to time.

By command,

MARTIN LESLIE HAMILTON-SMITH, for Premier

*Travelling and Accommodation Allowances—Judicial Officers,
 Court Officers and Statutory Officers*

Scope of Determination

The Remuneration Tribunal is given jurisdiction under Section 13 of the Remuneration Act 1990 (“the Act”), to determine the remuneration payable to judicial officers and certain other court officers. The Tribunal is also given jurisdiction under section 14 of the Act to determine the remuneration payable to holders of certain statutory public offices. This Determination deals with the travelling and accommodation allowances payable to judicial officers, certain other court officers, and those statutory officers whose position comes within the ambit of section 14.

Section 8 of the Act requires the Tribunal to sit at least once in each year for the purpose of determining, or reviewing previous determinations made under the Act.

A. Report

¹ Commonwealth Remuneration Tribunal Determination 2015/10 Judicial
 and Related Offices—Remuneration and Allowances.

3. Commonwealth Tribunal's Statement and Decision

- 3.1. On 31 March 2015 the Commonwealth Tribunal issued a
 statement and decision that no annual adjustment to the
 remuneration for judicial offices in the Tribunal's
 jurisdiction will be made in 2015, as the Commonwealth
 Tribunal is currently conducting a major review of judicial
 remuneration, which is expected to be completed sometime
 within 2016.

4. Summary and Conclusions

- 4.1. The South Australian Remuneration Tribunal has
 completed its 2015 review of judicial remuneration.
- 4.2. The Tribunal is satisfied that the approach of setting
 salaries in a national framework continues to be appropriate
 and in the public interest.
- 4.3. Having considered all the material before it, and having
 received no submissions from any party that an adjustment
 in remuneration should be made, the Tribunal has decided
 to not award a salary increase to members of the judiciary
 and those other judicial officers within its jurisdiction.
- 4.4. The salaries and allowances payable to Members of the
 Judiciary, Members of the Industrial Relations Court and
 Commission, the State Coroner, and Commissioners of the
 Environment, Resources and Development Court pursuant
 to Determination No 9 of 2014 shall continue to apply.
- 4.5. The Tribunal intends to commence a review of judicial
 remuneration 2016, no later than the outcome of the
 Commonwealth Remuneration Tribunal's review of
