EDUCATION REGULATIONS 2012

Notice of Policy by the Minister for Education and Child Development

PURSUANT to Regulation 60 (2) (a) of the Education Regulations 2012, I, the Minister for Education and Child Development publish the following Capacity Management Plan for the purposes of the enrolment of a child at the Linden Park Primary School:

CAPACITY MANAGEMENT PLAN*Linden Park Primary School*

This Capacity Management Plan sets out the 2016 conditions for enrolment at Linden Park Primary School ('the school').

CRITERIA FOR ENROLMENT

Year level: Reception

The student enrolment ceiling of Reception placements is limited to 120 students.

Priority consideration will be given to applications for enrolment from parents of prospective reception students, if they have been living inside the school zone prior to 30 October 2015 and whose application is received by this date.

If more than 120 applications for enrolment are received from parents living in zone by 30 October 2015, places will be offered based on siblings at the school, the length of time the child has lived in the school zone and the distance of the child's residence from the school.

The school will notify parents of the outcome of this process by 6 November 2015. Unsuccessful applications will be placed on the enrolment register and referred for enrolment to other neighbouring schools.

Families who move into the zone after 30 October 2015 will only have their applications considered if or when vacancies exist, with priority consideration afforded to those applicants already on the enrolment register. If no vacancies exist the applicants will be placed on the enrolment register and referred for enrolment to other neighbouring schools.

Intensive English Language Centre (IELC) Students

Any Reception student offered enrolment at the school and who is eligible to attend an Intensive English Language Centre (IELC), will be able to attend the IELC during 2016 and begin Year 1 at the school the following year.

Out of Zone Applications with Siblings Currently at the School

Applications for enrolment from parents of prospective Reception students, who live outside the school's zone and have older siblings who currently attend the school, will only be given consideration for enrolment if:

- all Reception applications from parents of children living in the school zone have been considered, and
- the school is under its student enrolment ceiling of 120 Reception students at 30 October 2015.

In these cases, places will be offered based on the distance from the school of the child's residence and other personal needs.

Year levels: 1 to 7

Applications for enrolment in Year levels 1 to 7 from parents living in the school zone will not be accepted.

Applicants will be referred for enrolment to other neighbouring schools and if requested can be placed on the enrolment register. This includes siblings of Reception students offered enrolment for 2016.

International Education Program

No new international students will be offered enrolment at the school during 2016.

Special Circumstances

Enrolment for special consideration for compelling or unusual reasons, including but not limited to students under the guardianship of the Minister may be given by the Principal, in consultation with the Education Director. These will be assessed on a case by case basis.

Linden Park Primary School Zone

A school zone is a geographic area surrounding the school from which the school accepts its core intake of students. Linden Park Primary School operates within the following zone:

- Fullarton Road, east along Greenhill Road, north along Portrush Road, east along Stafford Grove, Alnwick Terrace, Wooler Street, cross over Tusmore Avenue, east along Statenborough Street, south along Glynburn Road, east along Dashwood Road, south-east along Bayview Crescent, then west along Sherwood Terrace, south along Hayward Drive, west along Seaview Drive and then Gill Terrace to Old Toll Gate at start of South Eastern Freeway, then back down Glen Osmond Road to Fullarton Road, then north back to Greenhill Road.

A school zone map (guide only) is available at:

http://www.decd.sa.gov.au/locs/files/links/Linden_Park_PS_zone.doc

Enrolment Register

Only applications for enrolment from parents of a child living in the school zone will be placed on the register.

Parents whose child's name has been placed on the enrolment register will only be contacted if vacancies become available.

The enrolment register will be reviewed and updated annually by the school.

Where a child's name appears on the register is confidential and will only be disclosed as required by law.

ENROLMENT PROCESS

Parents must arrange a pre-enrolment interview with the school once a vacancy is offered, where they will be required to complete the school enrolment form and provide the school with a copy of the following:

- proof of the child's identity and date of birth;
- proof of the child's residential address; and
- copies of any family law or other relevant court orders, if applicable.

Upon receipt of the above to the satisfaction of the school the processing of the parents' enrolment application may begin.

Monitoring and Enforcement

It is the responsibility of the parents applying for enrolment to be able to verify to the satisfaction of the school that the information provided is true and factual.

The Principal is responsible for the implementation of this plan and all decisions on enrolments.

This Capacity Management Plan is valid for a period of 12 months.

Dated 29 September 2015.

Child Development
