#### DEVELOPMENT ACT 1993: SECTION 48

##### DECISION BY THE PRESIDING MEMBER OF DEVELOPMENT ASSESSMENT COMMISSION AS DELEGATE OF THE GOVERNOR

###### *Preamble*

1. The decision by the Governor under Section 48 of the Development Act 1993, to approve the development of an Organics Waste Treatment and Recycling Research Facility at Buckland Park was published in the *Government Gazette* on 5 December 2003.

2. The development was the subject of a Public Environmental Report and an Assessment Report under Sections 46 and 46C of the Development Act 1993.

3. Eight amendments to the development approval were subsequently considered and approved by the Development Assessment Commission as delegate of the Governor, and published in the *Government Gazette* on 29 April 2004, 6 May 2004, 27 May 2004, 13 January 2005, 9 June 2005, 23 June 2005, 12 October 2006, 16 August 2011 and 7 November 2013.

4. A further amendment to the development approval has been under consideration by the Presiding Member of the Development Assessment Commission as delegate of the Governor under Division 2 or Part 4 of the Development Act.

5. The amendment to the development is contained in a letter dated 3 August 2015 from Martin Jeffries of the Jeffries Group and relates to direct acceptance of green organics waste from the Northern Adelaide Waste Management Authority (NAWMA) at the Buckland Park site. Currently all green waste must go to Wingfield for primary processing and then it is transported back to Buckland Park. It is now appropriate to refer to the requirements in the Environmental Management Plan as approved by the Environmental Protection Agency in relation to incoming feedstock to the Buckland Park site.

6. The Presiding Member of the Development Assessment Commission is satisfied that the minor variation does not require the preparation of a further or amended Public Environmental Report.

PURSUANT to Regulation 60 (2) (a) of the Education Regulations 2012, I, the Minister for Education and Child Development publish the following Capacity Management Plan for the purposes of the enrolment of a child at Mark Oliphant College.

#### CAPACITY MANAGEMENT PLAN

##### *Mark Oliphant College*

This Capacity Management Plan sets out the conditions for enrolment at Mark Oliphant College ('the school').

##### *Student Capacity of School*

The school has a current capacity of 1 600 students. This is broken down into the following:

- Preschool program = 80 students.
- Reception to Year level 7 = 640 students.
- Year level 8 to Year level 12 = 880 students.

*School Enrolment Limit*

The school enrolment limit for the number of students entering the school is as follows:

- The number of students entering at reception in any year is limited to 72 students.
- The number of students entering at Year 8 in any given year is limited to 160 students, unless there are more than 160 applications for enrolment which have met the Year 8 criteria for enrolment below.

## CRITERIA FOR ENROLMENT

*Preschool program*

Priority consideration will be given to applications for enrolment from parents of prospective preschool students, if they have been living inside the Preschool campus zone and lodge their application for enrolment prior to the start of the school year.

Places will be offered based on whether any, all or a combination of the following applies:

- The child is identified as requiring special consideration, including but not limited to risk, isolation, limited access or disability.
- The child identifies as Aboriginal and Torres Strait Islander.
- The child has other siblings currently attending the school's preschool or primary campus.

All other applicants will be referred for enrolment to neighbouring preschools.

*Year level: Reception*

Priority consideration will be given to applications for enrolment from parents of prospective reception students, if they have been living inside the primary campus zone and lodge their application for enrolment prior to the start of the school year.

Places will be offered based on whether any, all or a combination of the following applies:

- The child is currently attending the school's preschool program.
- The child has siblings in the school's primary campus (Year level Reception-7).
- The child's family has been relocated to the primary campus zone by the defence force.
- The length of time the child has lived in the primary campus zone, and
- The distance of the child's residence from the school.

All other applicants will be referred for enrolment to neighbouring schools, and if requested placed on the school's enrolment register.

*Year level: 1 to 7*

Priority consideration will be given to applications for enrolment from parents of prospective students, if they have been living inside the primary campus zone and lodge their application for enrolment prior to the start of the school year, and if there are vacancies within the relevant year level.

If no vacancies exist the applicants will be encouraged to remain at their current primary school, or will be referred for enrolment to other neighbouring schools, and if requested placed on the school's enrolment register.

*Year level: 8*

Prospective Year 8 students must be enrolled in a government or non-government primary school in South Australia at the time parents apply for enrolment at the school through the Year 7-8 transition process (administered by the Department for Education and Child Development).

The applicant must meet one of the following requirements to be eligible for a Year 8 enrolment through the Year 7-8 transition process:

- The child is living in the school secondary campus zone.
- The child is attending the school's primary campus (middle years—Year level 7).
- The child currently has a sibling attending the school's secondary campus (Year level 8-12), or a sibling who attended the secondary campus in the last 12 months.

- The child identifies as Aboriginal and Torres Strait Islander through the Enter for Success program.
- The child is currently under the Guardianship of the Minister.

*Late Applications for a Year 8 enrolment*

Families who move into the secondary campus zone, or who are already living in the secondary campus zone but lodge their application after the Year 7-8 transition process is completed (end of term 2), will have their application considered if or when vacancies exist, with priority consideration afforded to those applicants already on the school's enrolment register.

If no vacancies exist the applicants will be referred for enrolment to other neighbouring schools and if requested placed on the enrolment register for consideration to attend the following school year.

*Year level: 9 to 12*

Priority consideration will be given to a child living inside the secondary campus zone and whose application is received prior to the start of the school year, and if there are vacancies within the relevant year level. Applications will be considered based on siblings at the secondary campus of the school, the length of time the child has lived in the secondary campus zone and the distance of the child's residence from the school.

If no vacancies exist the applicants will be encouraged to remain at their current secondary school, or will be referred for enrolment to other neighbouring schools, and if requested placed on the enrolment register for consideration to attend the following school year.

*Re-admission for previous students of the school*

Any child previously enrolled and attending the school, who has moved to another school for greater than 3 months and requests to re-enrol at the school, may no-longer have their previous vacancy available and will be subject to the above mentioned criteria for enrolment.

If no vacancies exist the applicants will be encouraged to remain at their current school, or will be referred for enrolment to other neighbouring schools, and if requested placed on the school's enrolment register for consideration to attend the following school year.

*Out-of-zone application with siblings currently at the school*

Applications from parents of prospective students who reside outside of the preschool, primary or secondary campus zone and have siblings (as defined by the Department for Education and Child Development Enrolment Policy) who currently attend the school will be given consideration for enrolment if:

- the parent is seeking to enrol the child at the same preschool, primary or secondary campus of the school as their sibling (whichever applies);
- all other applications from parents of children living in the preschool, primary or secondary campus zones and on the enrolment register have been considered, and
- a vacancy exists at that year level at the commencement of the school year.

*Special Circumstances*

Enrolment for special consideration for compelling or unusual reasons, including but not limited to students under the Guardianship of the Minister may be given by the Principal, in consultation with the Education Director. These will be assessed on a case by case basis.

*Mark Oliphant College zone*

A campus zone is a geographic area surrounding the school from which the school accepts its core intake of students. Mark Oliphant College operates the following preschool, primary and secondary campus zones:

*Preschool Campus zone*

Students living in the area bounded by Dalkeith Road to the North, Coventry Road to the East, Curtis Road to the South and Andrews Road to the West.

*Enrolment Register*

Only applications for enrolment from parents of a child living in the preschool, primary or secondary campus zone will be placed on the register.

Parents whose child's name has been placed on the enrolment register will be contacted if vacancies become available.

The enrolment register will be reviewed and updated annually by the school.

The position that a child's name appears on the register is confidential and will only be disclosed as required by law.

*Enrolment Process*

All parents must arrange a pre-enrolment interview with the school once a vacancy is offered. All parents are required to complete the school enrolment form and provide the school with a copy of the following:

- proof of the child's identity and date of birth;
- proof of the child's residential address, and
- copies of any family law or other relevant court orders, if applicable.

Upon receipt of the above to the satisfaction of the school the processing of the parents' enrolment application may begin.

*Monitoring and enforcement*

It is the responsibility of the parents applying for enrolment to be able to verify to the satisfaction of the school that the information provided is true and factual.

DETERMINATION AND REPORT OF THE  
REMUNERATION TRIBUNAL

No. 6 OF 2016

*Remuneration for Members of the Judiciary, Members of the Industrial Relations Court and Commission, the State Coroner, and Commissioners of the Environment, Resources and Development Court*

*Scope of Determination*

The Remuneration Tribunal ('the Tribunal') is given jurisdiction under Section 13 of the Remuneration Act 1990 ('the Act'), to determine the remuneration payable to the judiciary and holders of the public offices listed in that section of the Act.

This Determination varies Determination No. 5 of 2016, in relation to the offices of Chief Magistrate and Magistrate.

*Report*

On 23 March 2016, the Tribunal received correspondence from Magistrate Kitchin, on behalf of the Magistrates Association of South Australia, in relation to the salary payable to the office of the Chief Magistrate within the Tribunal's Determination No. 5 of 2016. Magistrate Kitchin's correspondence brought to the attention of the Tribunal a number of amendments to the Magistrates Act 1983 by the Statutes Amendment (Courts Efficiency Reforms) Act 2012 ('the amending Act').

Section 6A of the Magistrates Act 1983, as amended, provides that the Chief Magistrate shall be 'taken to have been appointed as a magistrate and as a Judge of the District Court of South Australia...'

It is noted that a judicial officer who holds both the office of the Chief Magistrate and the office of a District Court Judge is to be paid a salary commensurate with the primary office, which in this instance is the office of a District Court Judge. Section 6A of the Magistrates Act 1983 and Section 6 of the Judicial Administration (Auxiliary Appointments and Powers) Act 1988 provide accordingly.

The Tribunal has decided to vary its Determination in relation to a judicial officer who is appointed to the office of the Chief Magistrate and taken to be appointed to the office of a District Court Judge. By force of the relevant legislative provisions, the salary for this circumstance is the salary payable to a District Court Judge.

Magistrate Kitchin's correspondence also refers to a textual anomaly within the nomenclature of the Tribunal's Determination No. 5 of 2016. The anomaly relates to the Tribunal's nomenclature in respect of the judicial office of magistrate. The nomenclature does not accurately reflect the description of this office as a result of the changes arising from the amending Act.

The Tribunal has decided to vary Determination No. 5 of 2016 to reflect the appropriate nomenclature by removing all instances of the term 'Stipendiary'.

*Determination*

The Tribunal hereby varies Determination No. 5 of 2016 as follows:

- (a) By adding an asterisk after the term 'Chief Magistrate' in the salary schedule at paragraph 1.1.1 as follows:

*'Chief Magistrate\*'*

- (b) By adding the following text within paragraph 1.1.1 after the words 'Other Industrial Magistrates', which corresponds to the asterisk after the word 'Chief Magistrate\*':

*'\*A judicial officer who is appointed to the office of the Chief Magistrate whose primary office is a Judge of the District Court is entitled to the salary of a District Court Judge, as prescribed by Section 6A of the Magistrates Act 1983 and Section 6 of the Judicial Administration (Auxiliary Appointments and Powers) Act 1988.'*

- (c) By removing all instances of the word 'Stipendiary'.

Dated 4 April 2016.
