#### EDUCATION REGULATIONS 2012

##### *Notice of Policy by the Minister for Education and Child Development*

PURSUANT to Regulation 60 (2) (a) of the Education Regulations 2012, I, the Minister for Education and Child Development publish the following Capacity Management Plan for the purposes of the enrolment of a child at the Linden Park Primary School:

#### CAPACITY MANAGEMENT PLAN

##### *Linden Park Primary School*

This Capacity Management Plan sets out the conditions for enrolment at Linden Park Primary School ('the school').

##### **Criteria for Enrolment**

The number of students entering at Reception in any given year is limited to 120 students.

##### **Year level: Reception**

Priority consideration will be given to applications for enrolment from parents of prospective Reception students to attend the following school year, if they have been living inside the school zone prior to the end of week 8, term 3 and whose application is received by this time.

If more than 120 applications for enrolment are received from parents living in the school zone by the end of week 8, term 3, places will be offered based on whether any, all or a combination of the following applies:

- The child has siblings currently enrolled in the school;
- The length of time the child has lived in the school zone; and
- The distance of the child's residence from the school.

The school will notify parents of the outcome of this process by the beginning of week 10, term 3. Unsuccessful applicants will be placed on the enrolment register, and referred for enrolment to other neighbouring schools.

Families who move into the school zone after the end of week 8, term 3 will only have their applications considered if or when vacancies exist, with priority consideration afforded to those applicants already on the enrolment register. If no vacancies exist the applicants will be placed on the enrolment register and referred for enrolment to other neighbouring schools.

##### *Intensive English Language Centre (IELC) students*

Any Reception student offered enrolment at the school and who is eligible to attend an Intensive English Language Centre (IELC), will be able to attend the IELC during Reception and begin Year 1 at the school the following year.

##### *Out of zone applications with siblings currently at the school*

Applications for enrolment from parents of prospective Reception students, who live outside the school's zone and have older siblings who currently attend the school, will only be given consideration for enrolment if:

- all Reception applications from parents of children living in the school zone have been considered, and
- the school is under its student enrolment limit of 120 Reception students as at the end of week 8, term 3.

In these cases, places will be offered based on the distance from the school of the child's residence and other personal needs.

##### **Year levels: 1 to 7**

Applications for enrolment from parents of prospective students living inside the school zone will be considered if or when vacancies exist, with priority consideration afforded to those applicants already on the enrolment register.

In these cases, applications will be considered based on siblings at the school, the length of time the child has lived in the school zone and the distance of the child's residence from the school.

The school will notify parents from week 10, term 3 if a vacancy is available for their child to attend the following school year.

If no vacancies exist the applicants will be encouraged to remain at their current primary school, or referred for enrolment to other neighbouring schools, and upon an applicant's request placed on the school's enrolment register.

##### *Out of zone applications with siblings currently at the school*

Applications for enrolment from parents of prospective students, who live outside the school's zone and have siblings who currently attend the school, will not be considered for enrolment.

##### **International Education Program**

No new international students will be offered enrolment at the school.

##### **Special Circumstances**

Enrolment for special consideration for compelling or unusual reasons, including but not limited to students under the guardianship of the Minister may be given by the Principal, in consultation with the Education Director. These will be assessed on a case by case basis.
