NATURAL RESOURCES MANAGEMENT ACT 2004

*Notice of Authorisation to Take Water from the
Central Adelaide Prescribed Wells Area*

PURSUANT to Section 128 of the Natural Resources Management Act 2004 (the Act), I, Ian Hunter, Minister for Sustainability, Environment and Conservation (the Minister) in the State of South Australia and the Minister to whom the Act is committed, hereby authorise the taking of water from the Central Adelaide Prescribed Wells Area from the prescribed wells specified in Schedule A, for the purpose set out in Schedule B and subject to the conditions specified in Schedule C.

SCHEDULE A

Prescribed Wells

Well unit numbers 6628-25882 and 6628-26193 located within Allotment 128 of Filed Plan 15596, within the Hundred of Adelaide.

SCHEDULE B

Purpose

For irrigating land used for recreation within the boundary of the City of Unley, in association with the Ridge Park Managed Aquifer Recharge and Recovery scheme.

SCHEDULE C

Conditions

1. Water may only be taken until 30 June 2019.
2. A total maximum volume of 40 megalitres of water per water use year may be taken from the prescribed wells specified in Schedule A during the period referred to in Condition 1 above.
3. The authorised water user must not take water except through a meter(s) supplied, installed and maintained in accordance with the South Australian Licensed Water Use Meter Specification approved by the Minister and may be amended from time to time.
4. The authorised water user must take meter readings(s) from each meter through which water is taken pursuant to this authorisation. Meter reading(s) must be taken within the first 14 days of the date of this authorisation, during the first 14 calendar days of July each year and within the first 14 days of the expiry date of this authorisation.
5. The authorised water user must perform monitoring in accordance with an approved Risk Monitoring and Management Plan agreed between the water user and relevant State agencies and supply this information in the form of an annual report.
6. The authorised water user must provide the data collected in accordance with Conditions 4 and 5 to the Minister's representative during July of each water use year.
7. The authorised water user must notify the Minister's representative immediately if a meter fails to measure or record any quantity of water taken under this authorisation or if there is any reason to suspect that a meter may be defective.
8. The authorised water user must comply with the provisions applying to meters set out in Regulation 14 of the Natural Resources Management (Financial Provisions) Regulations 2005. It is an offence to contravene or fail to comply with those provisions.
9. Any additional injection/extraction wells for the purpose of managed aquifer recharge authorised under this Notice of Authorisation must be completed in the fractured rock aquifer system only and located on the parcel/s endorsed on this authorisation. Well construction must be in accordance with the General Specifications for Well Construction, Modification and Abandonment in South Australia (or any subsequent or related policy), as provided by the relevant authority. A permit for well construction must be obtained pursuant to Section 127 and 135 of the Act, prior to the installation of the well.

10. The authorised water user must submit in writing a request to the Minister's representative to amend this notice to include any additional injection/extraction wells.

For the purposes of this authorisation:

'Authorised water user' means a person who is authorised to take water pursuant to this notice.

'Water use year' means a period of 12 months commencing on 1 July and ending 30 June the following calendar year.

Words used in this authorisation that are defined in the Act shall have the meanings as set out in the Act.

This authorisation will commence on the date below and will remain in effect until 30 June 2019 unless earlier varied or revoked.

Dated 14 July 2017.

IAN HUNTER, Minister for Sustainability,
Environment and Conservation

NOTICE TO MARINERS

No. 10 OF 2017

*River Murray—Waters above Kulkurna to
Lock 8—Hazards to Navigation*

MARINERS are advised that following recent high water events in the River Murray, water levels have returned to near normal pool levels and the waters upstream of Kulkurna Station up to Lock 8 are shallow and have numerous sandbars. The hazardous area extends approximately from 660 km to 732 km markers.

Mariners are advised to take caution navigating these waters.

Large and deep draft vessels are advised to consider their voyage and plan appropriately.

NOTICE TO MARINERS

No. 11 OF 2017

*South Australia—Gulf St Vincent—Port Adelaide River—Osborne
Berth 1—Dredging Complete and New Berth and Approaches
Declared—Osborne Berth 2 Reduced in Length*

MARINERS are advised that dredging operations at Osborne have now been completed. A multi-beam hydrographic survey, which was carried out on 29 June 2017, indicated a minimum depth of 10 m as referred to Lowest Astronomical Tide (LAT) for the full extent of the new Berth 1 and 9.3 m LAT for the approaches. The new berth box is now approximately 245 m long, 35 m wide and is bounded by the following WGS84 coordinates:

Latitude 34°47'32.86"S, longitude 138°30'39.22"E

Latitude 34°47'43.69"S, longitude 138°30'36.53"E

Latitude 34°47'42.69"S, longitude 138°30'35.37"E

Latitude 34°47'34.90"S, longitude 138°30'37.31"E

Latitude 34°47'33.17"S, longitude 138°30'38.36"E

The approaches from the channel to the new berth box are bounded by the following WGS84 coordinates:

Latitude 34°47'32.86"S, longitude 138°30'39.22"E

Latitude 34°47'31.22"S, longitude 138°30'43.80"E

Latitude 34°47'40.35"S, longitude 138°30'41.26"E

Latitude 34°47'43.96"S, longitude 138°30'40.45"E

Latitude 34°47'46.82"S, longitude 138°30'40.11"E

Latitude 34°47'43.69"S, longitude 138°30'36.53"E

As a result of the above works, Osborne Berth 2 has been reduced in length to coincide with the new southern boundary of Berth 1.

ENVIRONMENT PROTECTION ACT 1993

Approval of Category B Containers

I, ANDREA KAYE WOODS, Team Leader, Container Deposit Legislation and Delegate of the Environment Protection Authority ('the Authority'), pursuant to Section 68 of the Environment Protection Act 1993 (SA) ('the Act') hereby:

Approval of Category B Containers

Approve as Category B Containers, subject to the conditions in subclauses (1), (2), (3) and (4) below, each of the classes of containers identified by reference to the following matters described in the first four columns of Schedule 1 of this Notice which are sold in South Australia:

- (a) the product which each class of containers shall contain;
 - (b) the size of the containers;
 - (c) the type of containers; and
 - (d) the name of the holders of these approvals.
- (1) That containers of the class to which the approval relates must bear the refund marking specified by the Authority for containers of that class. The Authority specifies the following refund markings for Category B containers:
 - (i) '10c refund at collection depots when sold in SA'; or
 - (ii) '10c refund at SA/NT collection depots in State/Territory of purchase'.
 - (2) The holder of the approval must have in place an effective and appropriate waste management arrangement in relation to containers of that class. For the purpose of this approval notice the company named in Column 5 of Schedule 1 of this Notice is the nominated super collector.
 - (3) In the case of an approval in relation to category B containers that the waste management arrangement must require the holder of the approval to provide specified super collectors with a declaration in the form determined by the Authority in relation to each sale of such containers by the holder of the approval as soon as practicable after the sale;
 - (4) The holder of these approvals must ensure that if a sticker bearing the refund marking has been approved and is applied to the container, then the sticker must not be placed on any portion of the opening mechanism or in any other place that would require complete or partial removal of the sticker before the contents may be consumed.

ENVIRONMENT PROTECTION ACT 1993

Variation to Existing Approval of Collection Depot

I, ANDREA KAYE WOODS, Delegate of the Environment Protection Authority ('the Authority'), pursuant to Section 69 of the Environment Protection Act, 1993 (SA) ('the Act') hereby:

Variation to Existing Approval of Collection Depot

Vary the approval of the collection depot listed at Schedule 1 of this notice, that was granted under the Act prior to the date of this Notice and impose the conditions of this approval to be as follows:

Approval of Collection Depot

The collection depot identified by reference to the following matters is approved:

- the name of the collection depot described in Column 1 of Schedule 1 of this Notice;
- the name of the company identified in Column 2 of Schedule 1 of this Notice;
- the name of the proprietor of the depot identified in Column 3 of Schedule 1 of this Notice;
- the location of the depot described in Columns 4-7 of Schedule 1 of this Notice.

The collection depot listed at Schedule 1 of this Notice is approved in relation to all classes of containers, which were approved under the Act, at or subsequent to the date of this Notice, as Category B Containers.

Conditions of Approval:

Impose the following conditions on the approval:

- If the Approval Holder's name or postal address (or both) changes, then the Approval Holder must inform the Authority in writing, within 28 days of the change occurring.
- If the collection depot is sold to another party, the Approval Holder must inform the Authority in writing, within 28 days of settlement.
- The Approval Holder who wishes to cease operation of the depot shall notify the Authority in writing no less than 14 days from the date of closing.
- The Approval Holder, or a person acting on his or her behalf, must not pay a refund on, or seek reimbursement for, containers that the Approval Holder, or the person acting on his or her behalf, knows were not purchased in South Australia.
- The Approval Holder must ensure that prominent signage is displayed, detailing the offence and the penalties under Section 69 the Act, for presenting interstate containers for refund.

ADELAIDE PLAINS COUNCIL

Resignation of Councillor

NOTICE is hereby given in accordance with Section 54 (6) of the Local Government Act 1999, that a vacancy has occurred in the office of Councillor for Lewiston Ward, due to the resignation of Councillor Anne Picard, to take effect from 30 June 2017.

J. MILLER, Chief Executive Officer

ADELAIDE PLAINS COUNCIL

Close of Roll for Supplementary Election

DUE to the resignation of a member of the Council, a supplementary election will be necessary to fill the vacancy of Councillor for Lewiston Ward.

The voters roll for this supplementary election will close at 5 p.m. on Monday, 31 July 2017.

You are entitled to vote in the election if you are on the State electoral roll. If you have recently turned 18 or changed your residential or postal address you must complete an electoral enrolment form, available from post offices or online at www.ecsa.sa.gov.au.

If you are not eligible to enrol on the State electoral roll you may still be entitled to enrol to vote if you own or occupy a property. Contact the Council to find out how.

Nominations to fill the vacancy will open on Thursday, 24 August 2017 and will be received until 12 noon on Thursday, 7 September 2017.

The election will be conducted entirely by post with the return of ballot material to reach the Returning Officer no later than 12 noon on Monday, 9 October 2017.

M. SHERRY, Returning Officer

CITY OF CHARLES STURT

Privately Funded Seaton Mixed Use (Residential and Commercial) Development Plan Amendment (DPA) for Public Consultation

NOTICE is hereby given that the City of Charles Sturt has prepared the Privately Funded Seaton Mixed Use (Residential and Commercial) Development Plan Amendment (DPA) to amend the Charles Sturt (City) Development Plan.

The draft DPA proposes to replace the Industry Zone, Local Centre Zone and a parcel contained within the Residential Zone within the Affected Area with the Suburban Activity Node Zone Module from the South Australia Planning Policy Library (SAPPL). The proposed zone envisages mixed-use development comprising commercial land uses and medium to high density residential development.

The Privately Funded Seaton Mixed Use (Residential and Commercial) DPA will be on public consultation from Tuesday, 18 July 2017 to Friday, 15 September 2017. A copy of the draft DPA can be viewed online by visiting www.yoursaycharlessturt.com.au or in hard copy at the following locations:

- Civic Centre and Library—72 Woodville Road, Woodville
- Hindmarsh Library—139 Port Road, Hindmarsh
- Findon Library, Findon Shopping Centre, Corner Findon and Grange Roads, Findon
- Henley Beach Library—378 Seaview Road, Henley Beach
- West Lakes Library—Corner West Lakes Boulevard and Brebner Drive, West Lakes.

Copies can also be purchased at the Civic Centre, Woodville (\$10 for a hard copy or \$5 for a CD).

Submissions can be made:

- Online: www.yoursaycharlessturt.com.au
- Email: jgronthos@charlessturt.sa.gov.au
- Post: Chief Executive Officer, City of Charles Sturt, P.O. Box 1, Woodville, S.A. 5011

All submissions must be received by 5 p.m. Friday, 15 September 2017.

Copies of all submissions received will be available for inspection at the Civic Centre from Monday, 18 September 2017, until the conclusion of the Public Meeting on Monday, 16 October 2017 and will also be available for viewing online at www.yoursaycharlessturt.com.au.

To enable interested persons to make verbal submissions to Council in relation to the draft DPA or the submissions, a Public Meeting will be held on Monday, 16 October 2017 at 6 p.m. at the Civic Centre, Woodville. If you wish to be heard at this meeting, please indicate this in your submission.

For further information please contact Jim Gronthos, Senior Policy Planner on (08) 8408 1265.

Dated 18 July 2017.

P. SUTTON, Chief Executive Officer

All rates are payable in four instalments payable on 1 September 2017, 1 December 2017, 2 March 2018 and 1 June 2018 of the financial year for which the rates are declared.

*Declaration of Service Charges
Community Wastewater Management Systems*

An annual service charge of \$463 per unit based on the level of usage for the financial year ending 30 June 2018, for any common effluent drainage scheme authorised by the Minister.

Wastewater Sewer Systems

An annual service charge of \$565 based upon the nature of the prescribed service of a sewerage scheme per property/connection for the financial year ending 30 June 2018.

Council provides a rebate of \$102 per property/connection for Brukunga assessments connected to the Sewer System to provide relief against what would otherwise amount to a substantial increase in the service charge.

Refuse Charge

An annual service charge based on the nature of the service for the financial year ending 30 June 2018 for the collection of kerbside waste and recycling in respect of all land:

- (1) Within any area designated as 'township' of \$187;
- (2) Outside any area designated as 'township' but within the prescribed collection area of \$158; and
- (3) For Council owned properties where a refuse service is provided a service charge of \$158 (one weekly MGB Kerbside waste collection of two bins for each service charge).

Primary Production

Properties classified as Primary Production where no dwelling exists are exempt under Council's Kerbside Waste and Recycling Collection Service Policy for the refuse charge and consequently no service (or associated refuse charge) applies to these properties.

Premises classified as exempt from the kerbside collection service due to inaccessibility or similar reasoning by Council will not be required to pay the annual service charge and therefore will not receive a kerbside collection service.

Conditions apply to Schools, multiple Tenancies, Commercial and Industrial Bin Provision and Replacement and Council owned properties (refer Kerbside Waste and Recycling Collection Service Policy for definitions).

Meadows Non-Potable Water Charge

An annual service charge of \$342 for the Meadows non-potable water service based on the nature of the service for the financial year ending 30 June 2018.

Recycled Water Charge

An annual service charge of \$51 for Meadows recycled water service based on the nature of the service for the financial year ending 30 June 2018.
