EDUCATION REGULATIONS 2012

Notice of Policy by the Minister for Education

PURSUANT to *Regulation 60(2)(a)* of the *Education Regulations 2012*, I, the Minister for Education publish the following Capacity Management Plan for the purposes of the enrolment of a child at the Henley High School:

CAPACITY MANAGEMENT PLAN

Henley High School

This Capacity Management Plan sets out the conditions for enrolment at Henley High School (“the school”).

Capacity of School

The school has a current school enrolment capacity of 1,300 mainstream students.

Henley High School zone

A school zone is a defined area from which the school accepts its core intake of students. Henley High School operates a school zone, within the area bounded by:

Grange Road, Tapleys Hill Road, Milton Avenue, Debney Street, Motley Avenue, the River Torrens, Tapleys Hill Road, Anderson Avenue and the Gulf St Vincent Coast.

A school zone map (guide only) is available at: <https://www.education.sa.gov.au/findaschool>

Student Enrolment Numbers

The student enrolment ceiling for year 8 is limited to 210, unless there are more applications that have met the enrolment criteria below.

The maximum number of international students who can be offered enrolment at the school in the International Education Program is limited to 75 students across all year levels.

Special interest program

The school’s specialist sport program is limited as follows:

- Maximum of 45 out of zone enrolments in each year level, depending on in-zone enrolment demand.

Selective entry numbers are included in the 210 year 8 enrolment ceiling. Entries to the program are subject to the eligibility requirements published by the school, available from: <http://www.henleyhs.sa.edu.au/section/programs/specialist-sports-program>

Supported learning centre

The school's supported learning centre is a regional facility catering for a maximum of 24 students with disabilities.

Placement in the supported learning centre is determined through the department's state-wide panel process for placement in an inclusive education option.

*Criteria for Enrolment***Year level: 8**

Applications for enrolment from parents of prospective year 8 students require that the student must be enrolled in a government or non-government school in South Australia at the time the parents apply for enrolment through the Year 7-8 transition process (administered by the Department for Education).

The applicant must meet one of the following requirements to be eligible for a year 8 allocation through the Year 7-8 transition process:

- the child is living in the Henley High School zone
- the child has received and accepted an offer for selective entry by the school to participate in their specialist sport program
- the child identifies as Aboriginal and/or Torres Strait Islander through the Enter for Success program (by the end of term 4)
- the child has been granted enrolment due to special or extenuating circumstances, including but not limited to a child in care where there is a custody or guardianship order made under the *Children and Young People (Safety) Act 2017*.

Application for Year 8 students living outside the zone with siblings currently at the school

Applications for enrolment from parents of prospective Year 8 students, who live outside the school's zone and have older siblings who currently attend the school, will only be given consideration for enrolment if:

- the school is under its year 8 student enrolment ceiling of 210 students as at the end of Week 10, Term 2; and
- the student has applied through the department's Year 7-8 transition process; and
- the sibling did not enter the school through the school's special interest program, and is currently enrolled and will be attending the school in the same calendar year.

In these cases, places will be offered based on the distance of the child's residence to the school and other personal needs such as curriculum, transportation/location convenience, and social/family links.

Late applications for year 8 from students living in the school zone

Families who move into the school zone, or who are already living in the school zone but lodge their application for enrolment after the department's Year 7-8 transition process is completed (end of term 2), will have their applications considered if or when vacancies exist, with priority consideration afforded to those applicants already on the school's enrolment register.

In these cases, applications will be considered based on siblings at the school, the distance of the child's residence from the school and any other personal needs, such as curriculum (excluding special interest programs), transportation/location convenience, and social/family links.

The school will notify parents if a vacancy is available for their child to attend.

If no vacancies exist, the applicants upon request, will be placed on the enrolment register and referred for enrolment to other neighbouring schools.

Year level: 9 -12

Applications for enrolment from parents of prospective students living in the school zone will be considered if or when vacancies exist, with priority consideration afforded to those applicants already on the enrolment register.

In these cases, applications will be considered based on siblings at the school, the distance of the child's residence from the school and any other personal needs, such as curriculum, transportation/location convenience, and social/family links.

The school will notify parents if a vacancy is available for their child to attend.

If no vacancies exist the applicants will be encouraged to remain at their current high school, or referred for enrolment to other neighbouring schools, and upon an applicant's request will be placed on the school's enrolment register.

Out of zone applications with siblings currently at the school

There is no automatic entry for siblings who live outside of the school zone to enrol at Henley High School.

Special Circumstances

Enrolment applications for special consideration based on compelling or unusual reasons, including but not limited to a child in care where there is custody or guardianship orders made under the *Children and Young People (Safety) Act 2017*, may be granted by the Principal in consultation with the Education Director. These applications will be assessed on a case by case basis.

Enrolment Register

Parents whose child's name has been placed on the enrolment register will be contacted if vacancies become available.

The enrolment register will be reviewed and updated annually by the school.

The position that a child's name appears on the register is confidential and will only be disclosed as required by law.

Monitoring and enforcement

It is the responsibility of the parents applying for enrolment to be able to verify to the satisfaction of the school that the information provided is true and factual.

The Principal is responsible for the implementation of this Capacity Management Plan and all decisions on enrolments.

This Capacity Management Plan will be reviewed annually.

REMUNERATION TRIBUNAL

REPORT NO. 10 OF 2018

2018 Review of Electorate Allowances for Members of the Parliament of South Australia

INTRODUCTION

1. Section 14 of the *Remuneration Act 1990* (“the Act”) provides that additional jurisdiction may be conferred on the Remuneration Tribunal (“the Tribunal”) by any other Act, or by proclamation of the Governor. Section 3A of the *Parliamentary Remuneration Act 1990* (“the PR Act”) confers jurisdiction on the Remuneration Tribunal to make a determination or perform any other function required by the PR Act.
2. Section 4(1)(c) of the PR Act provides that electorate allowances form part of the remuneration of members of Parliament. Section 8(2) of the Act requires the Tribunal to review previous Determinations of remuneration under the Act at least once in each year.

BACKGROUND

3. Electorate allowances are provided to members of Parliament to meet the costs of discharging their duties in the electoral district the member represents.
4. In 2017, the Tribunal conducted its annual review of electorate allowances for members of the Parliament, with no adjustment made to the levels of those allowances.

PROCEDURAL HISTORY

5. Section 10(2) of the Act, requires that before the making of a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or persons of that class, a reasonable opportunity to make submissions.
6. The Tribunal wrote to the Premier, as the Minister responsible for the Act, and the members of Parliament on 5 July 2018, notifying of the Tribunal’s intention to review electorate allowances, and invited submissions with a closing date of 8 August 2018. A notice of the review was also placed on the Tribunal’s public website.

SUBMISSIONS

7. The Tribunal received three submissions. A summary of those submissions and the Tribunal’s consideration thereof is provided below.

8. *Member for Mawson*

The member for Mawson submitted that, as a consequence of the redistribution of State's electoral boundaries in 2018, the size (area) of the electoral district of Mawson has been altered from a 249 km² electorate to a 5371 km² electorate, which now includes Kangaroo Island and part of regional South Australia.

The Tribunal considers that the changes to the electorate of Mawson, as submitted by the member for Mawson, are a relevant consideration for the Tribunal's decision in determining an appropriate level of electorate allowance for that electorate. Accordingly, within the accompanying Determination, the Tribunal will provide for the electoral district of Mawson to attract a level of electorate allowance that is equivalent to the amount payable for regional electoral districts with similar characteristics to that of Mawson.

9. *Member for Wright*

The Tribunal received a submission from the member for Wright in relation to costs incurred as a result of temporary disruption to the location of the member's electorate office. For apparently administrative reasons, the electorate office of the member was temporarily relocated some 25 kilometres outside the boundaries of the electorate from the original location, subsequent to the 2018 election.

The member took steps to facilitate notification to the constituents of this change and to make arrangements for more convenient opportunities for meetings and consultations with the electors and the community which would not require extensive travel to and from the temporary location by them.

The member for Wright seeks reimbursement of the costs of the notification. A breakdown of printing and postage costs to effect the notification is included with the member's submission. The Tribunal considers that the provision of this service to the constituents in the electorate for these unusual and limited circumstances is not unreasonable and that the expenses incurred are properly characterised as expenditure for the purpose of efficiently discerning and representing the interests of the persons and the communities within the electorate.

Accordingly, a discrete amount effectively reimbursing this expenditure will be separately provided for in the Determination of the electorate allowance applicable to the electorate of Wright. The entitlement in this respect will be limited to the circumstances referred to above and will be non-recurring.

10. *The Hon Connie Bonaros MLC*

The Tribunal received a submission from the Hon Connie Bonaros expressed to be on behalf of herself and the Hon Frank Pangallo MLC. The submission proposed that the Tribunal should determine an allowance for a member of the Legislative Council for the purpose of staff accompanied travel. It was submitted that members of the Legislative Council represent all of the electors of South Australia, accordingly, it is submitted, it is necessary and appropriate for members of the Legislative Council to travel throughout the State to consult with citizens and their community representatives and organisations, in order to properly represent their interests in the Parliament. It was submitted that it is appropriate that a Legislative Councillor be accompanied by a staff member for this purpose.

There is no submission in relation to the relevant travel of the member of the Legislative Council. The issue before the Tribunal is therefore limited to the merit of providing an allowance for a staff member to travel with a Legislative Councillor, on parliamentary business, outside the metropolitan area. There is currently no such provision within any Determination of the Tribunal applicable to the entitlements of members of the Parliament. The Tribunal considers that the jurisdiction and power to provide such an allowance for this purpose would arise under the *Parliamentary Remuneration Act 1990*, if it were persuaded of the merit of doing so. The mechanism would be to include an amount within the electorate allowance determined for members of the Legislative Council.

While the submission expresses an affirmative and favourable view of the merit of such staff accompanied travel, on behalf of the authors, the grounds upon which this view has been arrived at were not set out or explained in detail, beyond the desirability of such accompanied travel as an "*incentive*" for members of the Legislative Council "*to engage more effectively*" with their electorate. While the merit of travel by Legislative Councillors for the stated purposes is unexceptional, the role and function that the presence of a staff member would play in the circumstances referred to is not explained such that it can be understood how the incentive referred to would arise.

While the submission refers to specific considerations relevant to the political party SA Best and the party's policy platform regarding consultations in regional and rural areas, we do not consider that advantages to the various political parties and their priorities, which no doubt will be perceived variously by them from time to time, is relevant to our considerations.

The Tribunal's focus is upon the entitlements of members of the Parliament and the performance of their parliamentary duties as representatives of the electors. A consequence of this view is that, in the relevant circumstances, any allowance of the kind sought would, in our view, have to be considered in respect of all of the members of the Legislative Council. Notably, no like submission is before us on behalf of any other members of the Council. Nor are we aware of any previous submission for such an allowance. While the submission does not identify an amount of allowance, the cost of a general allowance of this kind would have to be considered by the Tribunal. No costing or cost analysis is contained within the submission.

As we are unable to discern the objective merit in a general principle that members of the Legislative Council require the assistance of staff when travelling outside the metropolitan area for the purpose of political consultations, or the cost of any such provision, the Tribunal has decided not to include this consideration in respect of our Determination providing the electorate allowance for members of the Legislative Council.

CONCLUSION

11. Electorate allowances are provided to members of Parliament for the purpose of discharging duties in the electoral district the member represents.
12. The Tribunal considers it appropriate for an economic adjustment to be applied to the electorate allowances for members of Parliament at this time. Accordingly, the Tribunal has had regard to the Consumer Price Index¹, as published by the Australian Bureau of Statistics, in the making of the accompanying Determination.

REMUNERATION TRIBUNAL

REPORT NO. 11 OF 2018

*2018 Review of the Common Allowance for Members of the Parliament of South Australia***INTRODUCTION**

1. Section 14 of the *Remuneration Act 1990* ("the Act") provides that additional jurisdiction may be conferred on the Remuneration Tribunal ("the Tribunal") by any other Act, or by proclamation by the Governor. Section 3A of the *Parliamentary Remuneration Act 1990* ("the PR Act") confers jurisdiction on the Tribunal to make a Determination or perform any other function required by the PR Act.
2. Section 4AA(3) of the PR Act, provides that the Tribunal must review the common allowance once per year, and if the Tribunal considers it appropriate to do so, the Tribunal may determine an increase to the level of the common allowance.

BACKGROUND

3. In 2015, the PR Act was amended by the *Parliamentary Remuneration (Determination of Remuneration) Amendment Act 2015* ("the Amending Act") and a number of allowances for members of the Parliament and Ministers of the Crown were abolished. To compensate for the abolition of those allowances, a common allowance was established by the Amending Act.
4. The Remuneration Tribunal is subject to a statutory direction under the Amending Act to determine the amount of the common allowance. Accordingly, in 2015, the Tribunal issued Report and Determination 7 of 2015, which determined the amount of the common allowance for members of Parliament.

5. In determining the common allowance in 2015, the Tribunal was required by section 4AA of the PR Act to ascertain the full value of the following components of remuneration:
 - a. annual travel allowance;
 - b. metrocard special pass;
 - c. remuneration consisting of subsidised or free interstate rail travel; and
 - d. remuneration payable to all members of Parliament for service as ordinary members of parliamentary committees.
6. In 2015, the Tribunal determined that the amount of remuneration as reasonable compensation for the abolition of: annual travel allowance, metrocard special pass and subsidised or free interstate rail travel was fixed at \$17,124 per annum.
7. In 2015, the amount of remuneration payable to all members of Parliament for service as ordinary members on parliamentary committees was fixed at \$13,170 per annum.
8. The Tribunal reviewed the common allowance in 2016 and 2017, resulting in no adjustment being made to the level of the allowance.

PROCEDURAL HISTORY

9. Section 10(2) of the Act, requires that before the making of a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or persons of that class, a reasonable opportunity to make submissions.
10. The Tribunal wrote to the Premier, as the Minister responsible for the Act, and the members of Parliament on 5 July 2018, notifying of the Tribunal's intention to review the common allowance, and invited submissions with a closing date of 8 August 2018. A notice of the review was also placed on the Tribunal's public website.
11. No submissions were received by the Tribunal.

CONSIDERATION

12. The Tribunal would be assisted by submissions made by the relevant persons who are entitled to the opportunity to make submissions. It may be that vociferous public commentary concerning the entitlements of persons who become members of the Parliament inhibits the making of such submissions.
13. Notwithstanding the absence of any submission, the Tribunal has a duty to make an independent judgement on an annual basis in relation to the level of the common allowance.
14. It is a notorious feature of regulatory systems determining personal remuneration that levels of remuneration are determined and adjusted to prevent the indefinite diminution of the value of the remuneration so determined. This is a near universal characteristic of personal remuneration, whether fixed privately by agreement, as a matter of policy by organisations and corporations, or by public institutions and agencies. Having regard to the nature of the common allowance and the factors considered when the allowance was originally determined, the adjustment of the amount of the allowance could proceed on the basis of various considerations. However, the determination of a considered framework of considerations should proceed in a manner whereby those whose remuneration would be affected are on notice and are able to make relevant submissions. The Tribunal intends to address these considerations and provide such notice in due course.
15. The level of the common allowance has not been adjusted by the Tribunal since the allowance came into operation on 1 January 2016. The Tribunal considers it necessary to apply an economic adjustment to the level of the common allowance on this occasion.
16. Accordingly, the Tribunal has had regard to the Consumer Price Index¹, as published by the Australian Bureau of Statistics. The adjustment will reflect the movement in the Consumer Price Index over the 12 months between September 2017 and 2018.
17. The Tribunal will issue the accompanying Determination which is operative from 1 October 2018.

REPORT NO. 12 OF 2018

*2018 Review of Accommodation and Meal Allowances for Ministers of the Crown and Officers and Members of Parliament***INTRODUCTION AND BACKGROUND**

1. Section 4(1)(c) of the *Parliamentary Remuneration Act 1990*, confers jurisdiction on the Remuneration Tribunal (“the Tribunal”) to determine electorate allowances and other allowances and expenses for members of Parliament.
2. Section 3 of the *Remuneration Act 1990*, defines such allowances and expenses as remuneration, and section 8(2) of the Act requires the Tribunal to review previous determinations of remuneration under the Act at least once in each year.
3. The last Determination in relation to accommodation and meal allowances was Determination 13 of 2017.

PROCEDURAL HISTORY

4. Section 10(2) of the Act, requires that before the making of a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or persons of that class, a reasonable opportunity to make submissions.
5. The Tribunal wrote to the Premier, as the Minister responsible for the Act, and the Members of the Parliament on 5 July 2018, notifying of the Tribunal’s intention to review accommodation and meal allowances, and invited submissions with a closing date of 8 August 2018. A notice of the review was also placed on the Tribunal’s public website.
6. No submissions were received by the Tribunal.

ACCOMMODATION AND MEAL ALLOWANCES FOR MINISTERS OF THE CROWN AND THE LEADER AND DEPUTY LEADER OF THE OPPOSITION

7. The allowances under consideration for Ministers of the Crown and the Leader and Deputy Leader of the Opposition, are provided for the purpose of accommodation and meal expenses associated with travelling in an official capacity within South Australia and interstate.
8. The Tribunal has had regard to increases in accommodation and meal allowances applicable within the South Australian public sector, which have been adjusted on the basis of movements in the relevant ABS data series.
9. The Tribunal is of the view that justification exists to increase the accommodation and meal allowances under consideration. Accordingly, the Tribunal will issue the accompanying Determination.

COUNTRY MEMBERS ACCOMMODATION ALLOWANCE

10. The Country Members Accommodation Allowance is provided to a member of either house of Parliament whose usual place of residence is more than 75 kilometres by road (by the most direct route) from the Adelaide General Post Office (“GPO”), and who is required to stay in Adelaide overnight in order to attend to either parliamentary duties or the Member’s duty to be actively involved in community affairs. A modest level of allowance is also provided to a member whose permanent residence is outside metropolitan Adelaide but who does not qualify for the existing accommodation allowance because they do not live more than 75 kilometres from the GPO.
11. The terms of the previous Determination have been amended such that the conditions under which the relevant entitlements now arise are dependent upon the actual occurrence of expenditure to carry on relevant parliamentary business.
12. Having regard to the increased accommodation allowances granted to the South Australian public sector, which have been adjusted on the basis of the relevant ABS data series, the Tribunal is of the view that justification exists to increase the allowances for Country Members of Parliament.

 - 7.6.2 that the owner provided the complainant with a statutory declaration in accordance with an invitation under this paragraph.
- 7.7 The defence in paragraph 7.6.2 does not apply if it is proved that the owner made the declaration knowing it to be false in a material particular.

Part 2 – Registration and Identification of Cats

4. Cats Must be Registered

- 4.1 Every cat kept in the Council's area must be registered under this by-law.
- 4.2 If a cat is unregistered, any person who owns or is responsible for the control of the cat is guilty of an offence.
- 4.3 If a person is guilty of an offence by reason of a cat being unregistered, the person is guilty of a continuing offence for each day that the cat remains unregistered.
- 4.4 A person is not guilty of an offence by reason of the fact that the cat is unregistered if:
- 4.4.1 the cat is less than 12 weeks of age; or
 - 4.4.2 less than 14 days has elapsed since the person:
 - 4.4.2.1 first owned or became responsible for the control of the cat; or

5. Registration Procedure for Cats

- 5.1 An application for registration of a cat must:
- 5.1.1 be made to the Council in the manner and form approved by the Council; and
 - 5.1.2 nominate a person of or over 16 years of age who consents to the cat being registered in his or her name; and
 - 5.1.3 nominate, with reference to an address of premises, the place at which the cat will usually be kept; and
 - 5.1.4 include the unique identification number assigned to the microchip implanted in the cat in accordance with paragraph 8; and
 - 5.1.5 be accompanied by the registration fee and, if applicable, any late payment fee set by the Council by resolution for the cat.
- 5.2 Subject to subparagraph 5.3, on application and payment of the registration fee and any fee for late payment of the registration fee, the Council must register the cat in the name of the person nominated and issue to that person a certificate of registration in the form approved by Council.
- 5.3 The Council may refuse to register a cat under this by-law if:
- 5.3.1 the number of cats kept or proposed to be kept at premises exceeds the prescribed limit; or
 - 5.3.2 keeping a cat at the proposed premises would be contrary to any Act, Regulation or by-law.
- 5.4 A cat registered in the name of a particular person must, on application to the Council, be registered in the name of some other person who is of or over 16 years of age and consents to the cat being registered in his or her name.

6. Duration and Renewal of Registration

- 6.1 Registration under this by-law remains in force until 30 June next ensuing after registration was granted and may be renewed from time to time for further periods of 12 months.
- 6.2 If an application for renewal of registration is made before 31 August of the year in which the registration expired, the renewal operates retrospectively from the date of expiry.

7. Accuracy of Records

- 7.1 The person in whose name a cat is individually registered must inform the Council as soon as practicable after any of the following occurs:
- 7.1.1 the cat is removed from the place recorded in the register as the place at which the cat is usually kept with the intention that it will be usually kept at some other place (whether in the area of the Council, in a different Council area or outside the State);
 - 7.1.2 the cat dies;
 - 7.1.3 the cat has been missing for more than 72 hours;
 - 7.1.4 the residential address or telephone number of the owner of the cat change;
 - 7.1.5 the ownership of the cat is transferred to another person.
- 7.2 Information given to the Council under this section must include such details as may be reasonably required for the purposes of ensuring the accuracy of records kept under the *Dog and Cat Management Act 1995* and this by-law.

- 7.3 If ownership of a cat is transferred from the person in whose name the cat is individually registered, the person must give to the new owner the certificate of registration last issued in respect of the cat.

Part 3 – Cat Management and Control

8. Cats not to Wander at Large

- 8.1 A person who owns or is responsible for the control of a cat must not allow the cat to wander at large.

9. Cats not to be a Nuisance

- 9.1 A person who owns or is responsible for the control of a cat must not allow the cat to cause a nuisance.
- 9.2 In this paragraph, a cat causes a nuisance if the cat, alone or together with other cats:
- 9.2.1 creates or is responsible for noise;
- 9.2.2 creates or is responsible for odour,
- 9.2.3 wanders at large; or
- 9.2.4 defecates or urinates on premises without consent of the owner or occupier of the premises, which persistently occurs or continues to such a degree that it unreasonably interferes with the peace, comfort and convenience of a person.

10. Limit on Cat Numbers

- 10.1 A person must not, without permission, keep any cat on any premises where the number of cats on the premises exceeds the prescribed limit.
- 10.2 Permission under this paragraph may be given if the Council is satisfied that:
- 10.2.1 no insanitary condition exists or is likely to arise on the premises as a result of the keeping of cats;
- 10.2.2 a nuisance is not caused to any neighbour as a result of the keeping of cats on the premises; and
- 10.2.3 all cats kept on the premises are desexed in accordance with any requirements of the *Dog and Cat Management Act 1995*.
- 10.3 The prescribed limit does not apply to:
- 10.3.1 prescribed premises; or
- 10.3.2 any cat under 12 weeks of age.

Part 3 – Miscellaneous
