4—Fees

- (1) Fees payable under the Act are as set out in Schedule 1.
- (2) The Commissioner may, in the Commissioner's absolute discretion, waive, reduce or refund fees in exceptional circumstances that, in the opinion of the Commissioner, warrant the exercise of the discretion.

5—Annual fees

- (1) For the purposes of section 50A of the Act and subject to this regulation, the annual fee for a licence is payable on or before 30 June in each year and is payable in advance in respect of the following financial year (that is, the 12 months commencing on 1 July and ending on the following 30 June).
- (2) If, on 30 June in a year, a licence is suspended (other than for disciplinary reasons), the annual fee for the licence is not payable on or before that day in that year, but, if the licence ceases to be suspended during the following financial year, the annual fee for the licence in respect of that financial year is payable on or before the day that is 28 days after the day on which the licence ceases to be suspended.
- (3) The annual fee payable under subregulation (2) is to be adjusted on a pro rata basis by applying the proportion that the number of months from the cessation of the suspension until the next 30 June bears to 12 (with part of a month being counted as a whole month).

- (4) Despite Schedule 1, no fee is payable for an application for a variation of trading hours or the imposition, variation or revocation of a licence condition so as to reduce the trading hours or reduce the capacity of the licensed premises contemplated by the licence and effect a reduction in the annual fee for the licence.

(11) If—

- (a) a council is the relevant authority with respect to a particular development; and
- (b) the development requires both development plan consent and building rules consent (including in a case where a private certifier may exercise the powers of a relevant authority to give the building rules consent),

a Development Authorisation (Staged Consents) Fee, other than where—

\$64.00

- (c) the application relates to a *complying* development under these regulations or the Development Plan; or
- (d) the applicant applies to the council at the same time for both development plan consent and building rules consent.

(12) If—

\$53.00

- (a) a council is the relevant authority with respect to a particular development; and
- (b) the application is within the ambit of Schedule 1A, other than clause 2 of that Schedule,

(being a fee due and payable to the council).

For the purposes of this item:

- (a) **development cost** does not include any fit-out costs;
- (b) **allotment** does not include an allotment for road or open space requirements;
- (c) subject to Schedule 7, a body prescribed under Schedule 8 for the purposes of section 37 of the Act may waive the whole or part of a fee due to the body under component (5), or refund any such fee (in whole or in part);
- (d) if an application must be referred to the same body under more than 1 item in Schedule 8, only 1 fee is payable under component (5) with respect to the referral to that particular body (being, if relevant, the higher or highest fee);
- (e) if—
 - (i) a State agency lodges an application for approval with the State Planning Commission under section 49 of the Act; or

- (ii) a prescribed person lodges an application for approval with the State Planning Commission under section 49A of the Act,

then—

- (iii) if—

- (A) the development cost exceeds \$100 000; or
- (B) the development involves the division of land and the number of allotments resulting from the division is greater than the existing number of allotments,

the following fees will be payable to the State Planning Commission as if it were a relevant authority (but not so as to require any payment by the State Planning Commission to a council under Schedule 7):

- (C) any relevant fee under components (1), (2) and (3) of this item; and
- (D) an amount determined by the State Planning Commission as being appropriate to cover the reasonable costs of the public advertisement—
 - in the case of an application lodged by a State agency—under section 49(7d)(a) of the Act; or

 - (ii) excluded from the provisions of section 49A of the Act by a regulation under section 49A(3);
- (g) no fee is payable in respect of a development which is to be undertaken by a council, except where the primary reason for the proposed development is to raise revenue for the council;
- (h) an application seeking the variation of a development authorisation previously given under the Act (including a condition imposed in relation to a development) will be subject to the fees prescribed by this item as if it were an application for a new development, but only to the extent that a particular fee imposed in relation to the application reflects the step or steps to be undertaken by the relevant authority or another relevant body on account of the application and not so as to require the payment of a fee for a minor variation that falls within the ambit of regulation 47A or that makes no substantive change to the development authorisation that has been previously given;

- (i) if an application is for a second or subsequent consent because the applicant is seeking the assessment of a particular development in stages, the base amount under component (1) is only payable in relation to the first application (but the base amount will again be payable if the application is to be treated as a new application for a new development in the manner envisaged by paragraph (h) and taking into account the operation of section 39(7)(b) of the Act);
- (j) the Development Authorisation (Staged Consents) Fee is not payable unless or until the council receives an application for building rules consent or, if building rules consent is given by a private certifier, unless or until the private certifier notifies the council of his or her decision to grant the consent under section 93(1)(b) of the Act.
- 2 The following fee is payable in respect of an application for assignment of a classification to a building or a change in the classification of a building for the purposes of section 66 of the Act:

- A* is the prescribed floor area
- S* is the projected area of the largest side or plane of the building

- 3 A fee of \$45.75 is payable in respect of an application for a certificate of occupancy.
- 4 A fee of \$98.00 is payable in respect of an application under regulation 76(4)(c).
- 5 (1) If the matter involves an application to a private certifier for an assessment of a development against the provisions of the Building Rules, a fee equal to 7% of the fee that would apply under component (8) or (8a) of item 1 if a council were the relevant authority for that assessment, exclusive of any GST component, is payable by the applicant.
- (2) The fee must be paid by the applicant to the private certifier at the time of application.
- (3) The fee must be held by the private certifier pending payment to the Minister under Schedule 7.

- (4) Except as provided above, the fee to be paid to a private certifier will be determined by agreement between the applicant and the private certifier.

- 10 For the purposes of items 1(8) and 2—
- (a) the prescribed floor area is—
 - (i) for the purpose of calculating the fee on an application for assessment against the provisions of the Building Rules that consists of the erection of a building or the demolition of a building—the aggregate of the floor areas of the building proposed to be erected or demolished;
 - (ii) for the purpose of calculating the fee on an application for assessment against the provisions of the Building Rules where the building work consists of an alteration to a building—
 - (A) the aggregate of the floor areas of the rooms or compartments to be altered; or
 - (B) if the alteration consists of the fixing or erection of an attachment that does not have a floor area—the floor area of the building within a distance of 3 metres of where the attachment is to be fixed or erected;
 - (iii) for the purpose of calculating the fee on application for assignment of a classification to, or a change in the classification of, a building—the aggregate of the floor areas of the building;
 - (b) the floor area of a building is to be measured over any enclosing walls and is to include the area of the floor of any fully or partly covered carport, portico, verandah, balcony, porch or other similar structure attached or to be attached to the building;
 - (c) if a building is without storeys, or has a storey of a height of more than 10 metres, the floor area is to be calculated as if the building contained floors at 10 metre intervals, measured vertically;

- (d) a building is to be taken not to have any floor area if it is principally of open framework or web construction or solid construction and without any fully or partly enclosed space intended for occupation or use by persons;
- (e) the *complexity factor* is—

- (f) if a building is made up of parts that have different construction indices, the fee payable for the assessment of building work against the provisions of the Building Rules, the assignment of classification or a change in classification, is the aggregate of the fees calculated in accordance with this Schedule for those parts;
- (g) if an application for the assessment of building work against the provisions of the Building Rules incorporates an application for the assignment of a classification to, or a change in the classification of, the building, 1 fee is payable in respect of the applications, being whichever of the fees for those applications that is of the greater amount.
