4.1 The scheme applies in Victoria in accordance with the Act.

4.2 In addition to Victoria, the scheme is intended to operate in the Australian Capital Territory, New South Wales, the Northern Territory, Queensland, South Australia, Tasmania, and Western Australia, in accordance with the professional standards legislation of those states and territories and subject to the requirements of that legislation, so that references to a provision of the Act, the application of the scheme to a liability, the limit of a liability under the Act or what constitutes Occupational Liability are intended to pick up the relevant provisions of the corresponding laws, applied *mutatis mutandis*, to the extent that is necessary for the application of the scheme in any of those jurisdictions as an interstate scheme.

4.3 Notwithstanding anything to the contrary contained in this scheme if, in particular circumstances giving rise to occupational liability, the liability of any person who is subject to this scheme is capped both by this scheme and also by any other scheme under professional standards legislation (whether of this jurisdiction or under the law of any other Australian state or territory) and, if the amount of such caps should differ, then the cap on the liability of such person arising from such circumstances which is higher shall be the applicable cap.

### 5 Limitation of liability

5.1 Pursuant to s. 26 of the Act, and the relevant provisions of the corresponding laws, this scheme only affects the liability for damages arising from a single cause of action to the extent to which the liability results in damages<sup>8</sup> exceeding \$2,000,000 (the **monetary ceiling**).

<sup>8</sup> Damages has the same meaning as it has in the Act

5.2 If a member who was at the time of the act or omission giving rise to occupational liability, a member to whom or to which the scheme applied, against whom a proceeding relating to occupational liability is brought, is able to satisfy the Court or tribunal that such member has the benefit of an insurance policy:

(a) of a kind which complies with the IPA's requirements<sup>9</sup>;

<sup>9</sup> The IPA requirements on insurance cover can be found in IPA By-Law 9 and the relevant IPA membership policies

(b) which insures the member against that occupational liability; and

(c) under which the amount payable in respect of that occupational liability is not less than the relevant monetary ceiling specified in this scheme.

then the member is not liable for damages in relation to that cause of action above the monetary ceiling defined in this scheme.

5.3 This scheme limits the occupational liability in respect of a cause of action founded on an act or omission occurring during the period when the scheme was in force with respect to any member to whom the scheme applied at the time the act or omission occurred.

### 6 Conferral of Discretionary Amount

6.1 Pursuant to s24 of the Act this scheme confers on the IPA a discretionary authority to specify, on application by a member to whom the scheme applies, a higher monetary ceiling (maximum amount of liability) not exceeding \$20 million in relation to that member either in all cases or in any specified case or class of case.

### 7 Duration

7.1 This scheme will be in force for a period of two (2) years from the date of commencement.

### 8 Commencement

8.1 In Victoria, this scheme will commence:

(a) on 1 January 2019, if the scheme is published in the Government Gazette by or on 31 October 2018; or

(b) on the first day two months after the scheme is published in the Government Gazette in any other case.

8.2 In New South Wales, the Northern Territory, Queensland, Tasmania and Western Australia, the scheme will commence:

(a) on 1 January 2019, if the scheme is published in the Government Gazette by or on 31 December 2018; or

(b) on the day immediately following the date of the scheme's publication in the Government Gazette in any other case.

8.3 In the Australian Capital Territory and in South Australia, the scheme will commence:

(a) on the date provided for in the Minister's notice in relation to the scheme, if a date is provided; or

(b) on the first day two months after the day on which notice was given in any other case.

8.4 Clauses 8.1, 8.2 and 8.3 are subject to the provisions of the Act and the relevant provisions of the corresponding laws.
