- (2) Nothing in subregulation (1) prevents a NERL retailer from offering to small customers a fixed term contract that provides for the payment of—
 - (a) a fee or charge for early termination of a fixed benefit period under the contract by the small customer (whether or not the contract is terminated at the same time); or

- (b) a fee or charge for early termination of the contract if the fee or charge only involves the NERL retailer recovering its reasonable costs for the installation or provision of designated equipment to the small customer (and accounts for, in the event of early termination of the contract, any payments towards those costs made by the small customer before the termination).

- (b) a battery storage system.
