Maximum penalty: \$4 000.

Expiation fee: \$300.

- (2) The mass or volume of waste and other matter received, used or disposed of at, or transported from, a waste depot (as the case requires), is to be calculated as the aggregate of the mass or volume of waste and other matter comprised of—
- (a) waste and other matter received at the waste depot; or
  - (b) waste and other matter used for operational purposes at the depot; or
  - (c) waste and other matter disposed of at the depot (including waste used as cover for landfill); or
  - (d) waste and other matter transported from the waste depot.
- (3) The mass of solid waste and other matter must be determined as follows:
- (a) in the case of a landfill depot with an approved weighbridge (installed in accordance with regulation 72)—the mass of the waste and other matter received at the depot must, on its receipt and prior to its disposal (including waste used as cover for landfill), be determined by use of the approved weighbridge unless the Authority has, in accordance with the *Waste Reporting, Record Keeping and Measurement Standard*, determined otherwise;
  - (b) if paragraph (a) does not apply—
    - (i) in the case of waste and other matter specified in the *Waste Reporting, Record Keeping and Measurement Standard*—the mass—

    - (ii) in any other case—the mass must, subject to regulation 73, be determined by use of an approved weighbridge.
- (4) If a weighbridge is used under this regulation to measure waste and other matter, it is to be measured—
- (a) in the case of waste weighed on a weighbridge installed before 1 September 2009—to the highest level of weighing accuracy for the particular design of weighbridge; or
  - (b) in any other case—to the nearest 0.02 tonnes or kilolitres.

- (5) The volume of liquid waste disposed of at a waste depot—
- (a) may be determined by use of a dipstick pre-calibrated for the liquid waste container used to hold the liquid waste to be disposed of; or
  - (b) may be measured by means of a volume measuring device, which has been approved in writing by the Authority, installed at the depot; or
  - (c) may be calculated—
    - (i) by measuring the net mass of the liquid waste by use of an approved weighbridge; and
    - (ii) by dividing that measurement by the predetermined mass per kilolitre of the particular liquid waste; or
  - (d) may be taken to be that certified, in a cartnote signed by both the producer and transporter of the waste, to be the volume of liquid waste to be delivered to the depot; or
  - (e) if a liquid waste container used to hold the liquid waste to be disposed of is full—
    - (i) may be calculated from the dimensions of the container; or
    - (ii) in the case of a container the capacity of which has been predetermined by a volume calibration method (approved in writing by the Authority) and marked on the container—may be taken to be that capacity.

### **71B—Exemption from requirements relating to mass balance report**

- (1) The Authority may, on application by the holder of a waste depot licence or on its own initiative, exempt the holder from compliance with any (or all) of the requirements of, or relating to, a mass balance report under regulation 71.

- (3) An exemption issued by the Authority under this regulation—

  - (b) may be subject to conditions; and
  - (c) may be varied or revoked by the Authority, by further notice in writing, at any time (including by varying or revoking any conditions of the exemption, or by imposing new conditions).

**10—Variation of regulation 72—Certain depots must have approved weighbridge**

(1) Regulation 72(1)—delete subregulation (1) and substitute:

- (1) Subject to this regulation and regulation 73, if a waste depot has, in a financial year—
- (a) received at the depot 20 000 tonnes or more of solid waste and other matter; or
  - (b) disposed of at the depot 10 000 tonnes or more of solid waste (including waste used as cover for landfill),

the holder of the waste depot licence must ensure that an approved weighbridge is installed at the depot no later than 4 months after the end of that financial year, for weighing solid waste and other matter received, used or disposed of at, or transported from, the depot.

### 2. Revocation

I, Hon Corey Wingard, Minister for Infrastructure and Transport hereby revoke the determination made on 13 February 2014 pertaining to the approval of the South Australian Transport Subsidy Scheme and the determination made on 16 May 2019 pertaining to the lifting fee and South Australian Transport Subsidy Scheme—Conditions of Use.

### 3. Approve—South Australian Transport Subsidy Scheme

Pursuant to Regulation 3 of the Regulations, I, Hon Corey Wingard, Minister for Infrastructure and Transport hereby APPROVE a scheme to provide subsidised and accessible taxi services to people with permanent physical disabilities who are unable to access general public passenger transport services by providing them with vouchers which subsidise taxi travel as the South Australian Transport Subsidy Scheme ('SATSS').

SATSS also includes:

- the Journey to Work Scheme ('JTWS'), a scheme to provide subsidised and accessible taxi services to people with permanent physical disabilities who are unable to access general public passenger transport services to assist with travel between home and place of employment in addition to general SATSS vouchers; and
- the Tertiary Education Assistance Scheme ('TEAS'), a scheme to provide subsidised and accessible taxi services to people with permanent physical disabilities who are unable to access general public passenger transport services to assist with travel between home and an approved Tertiary Institution location in addition to general SATSS vouchers.

#### 4. Determine—Level of Subsidy

Pursuant to Regulation 150A (1) of the Regulations, I, Hon Corey Wingard, Minister for Infrastructure and Transport hereby DETERMINE that the following are the subsidised fares:

SATSS provides two levels of subsidy to its members:

- Ambulant members receive a 50% subsidy.
- Members permanently confined to a wheelchair receive 75% subsidy.

Subsidised travel is only available to the maximum metered fare of \$40. A member is required to pay the balance of 50% or 25% depending on membership, as well as any balance over the maximum metered fare of \$40.

- 50% SATSS Vouchers will have a subsidy limit of \$20.
- 75% SATSS Vouchers will have a subsidy limit of \$30.
- JTWS vouchers subsidise 75% of the fare up to a limit of \$40.
- TEAS vouchers subsidise 100% of the taxi fare up to a limit of \$40.

#### 5. Determine—Conditions of Use for all SATSS Members (including JTWS and TEAS Members)

Pursuant to Regulation 150A (1) of the Regulations, I, Hon Corey Wingard, Minister for Infrastructure and Transport hereby DETERMINE that the following are the SATSS Conditions of Use for all SATSS Members (including JTWS and TEAS Members):

- Permanent residents of South Australia who have severe and permanent disabilities which limit their capacity to use public transport, can apply for transport assistance, by way of membership to SATSS.
- Eligibility for membership of SATSS is determined after an assessment of the applicant's permanent disability and the way this affects their ability to use public transport, namely public transport service by bus, train or tram. As such, functional assessment, not diagnosis or type of condition, is the basis for eligibility.
- A temporary SATSS membership is available to those who may be undergoing rehabilitation or whose condition may improve through surgery and is subject to review (e.g. as a result of an accident or stroke).
- A member is not eligible for more than one book of SATSS vouchers or 80 trips in less than six (6) months.
- SATSS vouchers are not transferrable and can only be used by the member named on the voucher.
- A member must not provide a SATSS voucher or SATSS Member ID Card to another person for their use or for any other personal advantage.
- A person who is not a member of SATSS or any other approved subsidy scheme must not use a SATSS voucher or SATSS Member ID Card as part payment of a fare or other personal advantage.
- A member must not endorse or enter incorrect information on the SATSS voucher or application.
- A member must not act in a dishonest or dishonourable manner in the use of SATSS vouchers or when using their SATSS Member ID Card.
- If the SATSS Manager or an Authorised Officer is satisfied that a member has breached any of the Conditions of Use, limitations may be placed upon the member's use of SATSS vouchers or SATSS Member ID card, or their membership of SATSS may be suspended or cancelled.
- The member must be a passenger in the taxi or certain car hire service for the entire journey. The journey is deemed to have ended when the SATSS Member ID Card is scanned and/or the member leaves the taxi or certain car hire service.
- Only one (1) SATSS voucher or one (1) trip can be used for each journey within the Metropolitan Area, i.e. one SATSS voucher or trip to the destination and another SATSS voucher or trip for the return journey.
- Only a regional SATSS member is able to use multiple SATSS vouchers or trips (up to a maximum of three (3) per journey) for journeys outside of the Metropolitan Area, where the journey starts or ends outside this boundary.
- A member must pay their calculated portion of the fare by cash, card or other approved payment method.
- A member must not give a driver an IOU or extra vouchers in lieu of payment.
- When using a SATSS Voucher, a SATSS Photographic Identification card must be carried at all times when travelling in a taxi or certain car hire service and must be presented when requested by the driver. A member will not be able to use a SATSS voucher if they cannot produce their SATSS Photographic Identification Card when requested.
- If a SATSS Member has been issued a SATSS Member ID card, this must be carried at all times when travelling in a taxi or certain hire car service and must be presented for scanning at the start and end of a journey. A SATSS member will not be able to receive a subsidised taxi fare if they cannot produce their SATSS Member ID card for scanning.
- The SATSS Member Identification Card can only be used by the member named and pictured on the SATSS Member Identification Card.
- A member must complete the information on the SATSS voucher related to the trip unless they have a reasonable explanation for not doing so (e.g. due to disability). Information must include the date of the trip, the state of travel (eg SA), the suburbs (from and to), and the start and finish time of the trip, prior to handing the voucher to the driver as payment for the journey. Once the driver has inserted the booking details, including their taxi and driver ID numbers and fare details, the member must verify these details and then sign the SATSS voucher (unless the SATSS voucher specifies otherwise). If any changes are made to the SATSS voucher details, they must be initialled by the member or the person making the changes.
- When calculating the legal fare and therefore the portion payable by the member and the portion subsidised by SATSS by means of a SATSS voucher or scanning a SATSS Member ID Card, the following must not be considered as part of the subsidy:
  - Adding the point to point transport service transaction Levy (\$1 Levy) to the total metered fare amount. Please note: \$1 Levy is already included on the meter and is fully subsidised by DIT.
  - Waiting time which is initiated by the member beyond five minutes.
  - Any discount on the fare given by the driver.
  - Any tip given to the driver by the passenger.
  - Please Note: The \$3 Adelaide Airport charge forms part of the legal fare and can be included as part of the legal fare for payment by SATSS vouchers.

- Multiple-Hire arrangements can only be used for ad-hoc journeys and must comply with Regulation 71 and Clause 4 of Schedule 3 of the Regulations.
- A set or negotiated fare (that differs from the approved fare) cannot be used as the fare on the SATSS voucher or on the SATSS application unless approval has been given by the SATSS Manager or an officer authorised by the SATSS Manager.
- Tariff 3 and Tariff 4 (which apply to five (5) or more passengers in a taxi) must not be applied for any trip using a SATSS voucher or trip. This means that SATSS vouchers or trips can only be used if there are less than five (5) passengers in the taxi.
- A member must provide an updated application for review of membership, including level of subsidy, when requested by the SATSS Manager or an Authorised Officer.
- If a membership is cancelled for any reason or subsidy level reduced following a review, a member must return any unused SATSS vouchers to the SATSS Manager at (G.P.O. Box 2830, Adelaide, S.A. 5001) within 14 days and must not use any further SATSS vouchers.
- A member must advise the SATSS Manager of a potential conflict of interest with a taxi driver who is transporting them. A potential conflict is described as where the member has a relationship with the driver outside of the request for travel (e.g. family member or friend).
- Should a SATSS book, SATSS vouchers, SATSS Photographic Identification Card or SATSS Member ID Card be lost or stolen, members must immediately report the loss or theft to SATSS Customer Services on 1300 360 840.
- If a SATSS book, SATSS vouchers or SATSS Member ID Card that has been reported as lost or stolen are found, the member must immediately notify SATSS Customer Services on 1300 360 840 and not use the SATSS vouchers or SATSS Member ID Card as they will have been cancelled.
- A member must advise SATSS Customer Services within 28 days on 1300 360 840 of any change to personal details and address, including a change in their medical practitioner or health professional.
- A member must advise SATSS Customer Services within 28 days on 1300 360 840 if they permanently relocate to another State or Territory. Membership of SATSS will be cancelled and the member should apply for membership of a similar scheme to SATSS in that jurisdiction.

#### 6. Determine—Conditions of Use for Use for Drivers of Taxi Services and Certain Car Services

Pursuant to Regulation 150A (1) of the Regulations, I, Hon Corey Wingard, Minister for Infrastructure and Transport hereby DETERMINE that the following are the SATSS Conditions of Use for drivers of taxi services and certain car hire services:

- A driver must have the SATSS mobile application installed on their mobile device in order to scan a SATSS Member Identification card and cannot refuse a SATSS journey if a member only presents a SATSS Member Identification card.
- A driver must sight the member's SATSS Photographic Identification Card or SATSS Member ID Card and where applicable scan the SATSS Member ID Card or sight the SATSS voucher at the start of the trip.
- A driver must not take a copy (including, but not limited to a photocopy or photograph) of a SATSS Member ID card or part thereof.
- A driver must not accept a SATSS voucher or trip or other subsidy voucher if the person cannot produce their SATSS Photographic Identification Card or SATSS Member ID Card.
- A driver must not accept a SATSS voucher or trip or other approved subsidy voucher if the driver believes that the person presenting the voucher or SATSS Member ID Card is not entitled to use it.
- A driver must not accept or demand more than one (1) SATSS voucher for each journey within metropolitan Adelaide, i.e. one SATSS voucher to the destination and another SATSS voucher for the return journey unless the member is a Regional Member and the journey starts or ends outside of the Metropolitan Area in which case up to three vouchers may be used per journey.
- A driver must not accept a SATSS voucher for any other purpose except for the part payment of a legal fare.
- The member must be a passenger in the taxi or certain car hire service for the entire journey. The journey is deemed to have ended when the member leaves the taxi or certain car hire service. A driver must not accept a voucher or scan the SATSS Member ID Card for a journey where the member has not been a passenger for the entire journey. A driver must not charge extra for relatives, friends or carers who accompany the member.
- A driver must ensure all required details are completed on a SATSS voucher or entered into the SATSS application prior to accepting another fare.
- A driver must ensure that the member pays their calculated portion of the fare by cash, card or other approved payment method. A driver must not accept an IOU or extra vouchers in lieu of payment.
- When calculating the legal fare and therefore the portion payable by the member and the portion subsidised by SATSS, by means of a SATSS voucher or scanning a SATSS Member ID Card, the following must not be considered as part of the subsidy:
  - Adding the point to point transport service transaction Levy (\$1 Levy) to the total metered fare amount. Please note: \$1 Levy is already included on the meter and is fully subsidised by DIT.
  - Waiting time which is initiated by the member beyond five minutes.
  - Any discount on the fare given by the driver.
  - Any tip given to the driver by the passenger.
  - Please Note: The \$3 Adelaide Airport charge forms part of the legal fare and can be included as part of the legal fare for payment by SATSS vouchers.
- Multiple-Hire arrangements can only be used for ad-hoc journeys and must comply with Regulation 71 and Clause 4 of Schedule 3 of the Regulations.
- A set or negotiated fare cannot be used as the fare on the SATSS voucher or SATSS application unless approval has been given by the SATSS Manager or an officer authorised by the SATSS Manager to grant an approval.
- Tariff 3 and Tariff 4 (which apply to five (5) or more passengers in a taxi) must not be applied for any trip using a SATSS voucher or SATSS Member ID Card.
- A driver must ensure that the calculation of the subsidy is the correct one for the membership. Any incorrect or incomplete information on the SATSS voucher, including the subsidy level, will also render the SATSS voucher invalid for redemption of the subsidy.

- A driver must ensure that they correctly complete their required information on the SATSS voucher or SATSS application, including a valid booking number that relates to that specific journey, taxi or certain car hire service number, fare and where applicable the CBS and driver ID number. Any amendments on a SATSS voucher is to be initialled.
- A driver must only enter the legal fare recorded on the taxi meter on reaching the members destination and the vehicle has stopped, or when the vehicle is discharged. No charge for further service at the destination (including the time taken for a driver assisting the user of a wheelchair, scooter or other large (ride on) mobility aide to leave the vehicle) is to be added to the legal fare on the SATSS Application or SATSS voucher.
- It is a requirement for the member to fill in the destinations, start and finish time on the SATSS voucher prior to giving to the driver unless they are unable to do so. The driver must ensure all details are recorded on the SATSS voucher prior to asking the member to sign it (unless the SATSS voucher states otherwise).
- Any SATSS voucher which has a change of date must be submitted with proof of the journey.
- If the SATSS voucher is a TEAS voucher, a driver must only accept the voucher if the trip is from/to the suburbs printed on the voucher unless the member can provide written authorisation from SATSS.
- If the SATSS voucher is a JTWS voucher, a driver must only accept the voucher if the trip is from/to the suburbs printed on the voucher. The only exception to this is when 'APPROVED LOCATIONS' is printed as the suburb or the member is carrying an authorisation letter.

  - Date and time of the trip;
  - Fare paid;

  - Taxi registration number;
  - Driver accreditation number;
  - Company ID; and
  - Any additional costs e.g. airport levy.
- A driver must ensure that all SATSS vouchers are thoroughly checked at the time of presentation by the member and that the information on a SATSS voucher is complete, accurate and legible. Any SATSS voucher that does not comply will be rejected and will be returned to the CBS/Operator. Any rejected SATSS voucher not resubmitted within 90 days will be deemed invalid.
- A driver must advise the SATSS Manager of a potential conflict of interest with a member who they are transporting. A potential conflict is described as where the member has a relationship with the driver outside of the request for travel (e.g. family member or friend).
- A driver must not remove SATSS vouchers from a member's SATSS book unless the member requests them to assist and must not remove more than the SATSS voucher or vouchers required for the journey.
- A booking number must be recorded on the SATSS voucher, including those for Regional SATSS Members where multiple vouchers are used. In this instance, the same booking number is to be used on relevant SATSS vouchers.
- A driver must take all necessary steps to ensure that SATSS vouchers and/or SATSS Member ID Card are not being fraudulently or inappropriately lodged.
- A driver must not provide a SATSS voucher or SATSS Member ID Card to another person for their personal advantage.
- A driver must not use a SATSS voucher or SATSS Member ID Card for their own personal advantage.
- A driver must not enter or endorse false or misleading information on a SATSS voucher or on the SATSS application.

## THE REMUNERATION TRIBUNAL

REPORT NO. 10 OF 2020

*Remuneration of Members of the Judiciary, Presidential Members of the SAET, Presidential Members of the SACAT, the State Coroner, and Commissioners of the Environment, Resources and Development Court*

**INTRODUCTION**

1. Section 13 of the *Remuneration Act 1990* ("the Act") provides that the Remuneration Tribunal ("the Tribunal") has jurisdiction to determine the remuneration payable to members of the judiciary and holders of the public offices listed in that section of the Act.
2. Section 14 of the Act provides that the Tribunal has jurisdiction to determine the remuneration, or a specified part of the remuneration, payable in respect of certain offices, if such jurisdiction is conferred upon the Tribunal by any other Act or by the Governor by proclamation.
3. This Report relates to the remuneration of members of the judiciary and certain other statutory office holders.

**BACKGROUND**

4. In previous reviews of judicial remuneration in South Australia, the Tribunal has had regard to the national framework of salaries paid to judicial officers throughout the Commonwealth.
5. In the course of reviewing judicial remuneration from time to time, the Tribunal has adopted the concept of a national framework of judicial salaries as a guiding principle, while preserving the discretion to make independent assessments of judicial remuneration in South Australia.
6. The Tribunal has avoided any Determination that judicial salaries in South Australia will automatically follow any other Determination or legislative regulation of judicial remuneration in another jurisdiction. Nonetheless, it is a feature of the history of the Tribunal's determination of judicial salaries in South Australia that the level of salary of a Puisne Judge of the Supreme Court has been determined taking into consideration, among other things, the salary of a Puisne Judge of Supreme Courts throughout the States and Territories and the salaries of Federal Court Judges.

**PROCEDURAL HISTORY**

7. Section 10 (2) of the Act provides that prior to the making of a Determination, the Tribunal must allow an affected person, or persons of an affected class, a reasonable opportunity to make submissions orally or in writing to the Tribunal.
8. Section 10 (4) of the Act provides that the Honourable Premier of South Australia ("the Premier"), as the Minister responsible for the Act may intervene, personally or by counsel or other representative, in proceedings before the Tribunal for the purpose of introducing evidence, or making submissions, on any question relevant to the public interest.
9. On 13 October 2020, the Tribunal wrote to the Judicial Remuneration Coordinating Committee ("JRCC") and the Magistrates Association of South Australia ("MASA"), notifying of the Tribunal's intention to review its previous Determination.
10. The Tribunal, by letter dated 13 October 2020, wrote to the Premier, as the Minister responsible for the Act, inviting submissions in relation to this review.
11. In addition, the Tribunal distributed an email notification to the relevant office holders on 13 October 2020. A notification of the review was also placed on the Tribunal's public website on the same day.

**SUBMISSIONS**

12. Submissions were received by the JRCC and the Crown Solicitor's Office ("CSO"), on behalf of the Premier.
13. The JRCC submitted that:
  - 13.1. The JRCC does not seek any increase in salary pursuant to the review of Determination 12 of 2019 having regard to the current economic and financial situation as a result of the COVID-19 pandemic.
14. The CSO, on behalf of the Premier, submitted that:
  - 14.1. It is appropriate and in the public interest for the Tribunal to determine to not award an increase to the salaries of judicial and other statutory office holders covered by Determination No. 12 of 2019 having particular regard to the current economic conditions as a result of the COVID-19 pandemic;
  - 14.2. However, if the Tribunal is minded to award an increase to the relevant salaries, that the operative date of any annual salary increase be no earlier than 1 January 2021, in conformity with Determination No. 12 of 2019; and
  - 14.3. It is noted that upon commencement of the *Supreme Court (Court of Appeal) Amendment Act 2019* there will be amendments required to any new Determination to reflect the introduction of the Court of Appeal into the Supreme Court.

**COMPARISON OF FEDERAL, STATE AND TERRITORY JUDICIAL SALARIES**

15. The Tribunal has examined Federal, State and Territory judicial salaries.
16. The relevant judicial salaries of Supreme Court Judges and Federal Court Judges as at the time of this review are set out below.

Jurisdiction	Judge of the Supreme Court Salary	Operative Date
New South Wales	\$475,920	1 Jul 2019
Northern Territory	\$468,020	1 Jul 2019
Victoria	\$468,020	17 Sep 2019
Queensland	\$468,020	1 Jul 2019
Tasmania	\$464,729	31 May 2020
Australian Capital Territory	\$468,020	1 Jul 2020
Western Australia <sup>†</sup>	\$441,057	1 Jul 2016
Commonwealth (federal court judge used)	\$468,020	1 Jul 2019
Median Salary (all states and territories ex SA)	\$468,020	
Average Salary (all states and territories ex SA)	\$465,226	
SA (salary prior to this Determination)	\$468,020	1 Jan 2020

<sup>†</sup>The salary of judges of the Supreme Court in Western Australia is subject to the restrictive provisions of the Salaries and Allowances (Debt and Deficit Remediation) Act 2018 (WA), which prevents the WA Tribunal, until July 2021, from increasing that salary.

**FAIR WORK ACT 1994 (SA)**

17. The Tribunal is required by section 101 of the *Fair Work Act 1994* (SA) to have due regard to, and may apply, principles, guidelines, conditions practices or procedures adopted by the South Australian Employment Tribunal ("SAET"). Section 101 of that Act is set out as follows:

**101—State industrial authorities to apply principles**

- (1) In arriving at a determination affecting remuneration or working conditions, a State industrial authority must have due regard to and may apply and give effect to principles, guidelines, conditions, practices or procedures adopted by SAET under this Part.
- (2) However, principles adopted under this Part are not applicable to enterprise agreements.

- (3) In this section—  
*State industrial authority* means—
- (a) SAET; or
  - (b) the Remuneration Tribunal; or
  - (c) the Commissioner for Public Sector Employment; or
  - (d) another person or body declared by regulation to be a State industrial authority.

18. The Tribunal has had due regard accordingly, as required by the relevant legislative provisions.

#### THE ECONOMIC CONTEXT

19. The most recent monetary policy decision published by the Reserve Bank of Australia states as follows:

*“In Australia, the economic recovery is under way and positive GDP growth is now expected in the September quarter, despite the restrictions in Victoria. It will, however, take some time to reach the pre-pandemic level of output. In the central scenario, GDP growth is expected to be around 6 per cent over the year to June 2021 and 4 per cent in 2022. The unemployment rate is expected to remain high, but to peak at a little below 8 per cent, rather than the 10 per cent expected previously. At the end of 2022, the unemployment rate is forecast to be around 6 per cent.”*

*“This extended period of high unemployment and excess capacity is expected to result in subdued increases in wages and prices over coming years. In underlying terms, inflation is forecast to be 1 per cent in 2021 and 1½ per cent in 2022. In the most recent quarter, year-ended CPI inflation was 0.7 per cent and, in underlying terms, inflation was 1¼ per cent.”*

20. The Tribunal has noted that the most recent data published by the Australian Bureau of Statistics shows the Wage Price Index for Public Sector in South Australia has increased at an annualised rate of 2.2%<sup>1</sup>.

21. The Tribunal has noted that the most recent data published by the Australian Bureau of Statistics shows the Consumer Price Index for Adelaide has increased at an annualised rate of 1.0%<sup>2</sup>.

#### CONCLUSION

22. The Tribunal is conscious of the difficult economic and social circumstances faced by the State at the time of this review. The Tribunal has taken into consideration that the JRCC and the Premier have both submitted that judicial remuneration should not be increased by the Tribunal on this occasion in light of the difficulty currently experienced by the State.

23. Having regard to the submissions before the Tribunal, the economic background, and the relevant material referred to above, the Tribunal does not consider it appropriate to increase judicial remuneration at the time of this review.

24. Accordingly, the rates of judicial remuneration applicable under Determination 12 of 2019 have not been increased on this occasion.

25. Determination 12 of 2019<sup>3</sup> shall remain in force until further determination by the Tribunal.

#### COURT OF APPEAL LEGISLATION

26. The Tribunal has noted the submissions of the CSO on behalf of the Premier in relation to the *Supreme Court (Court of Appeal) Amendment Act 2019*. The Tribunal will consider its statutory obligations under that Act following its commencement, with ample opportunity for the making of submissions. The Tribunal has been advised that commencement is likely to occur in early 2021.

#### COMMUNICATION ALLOWANCE

27. The Tribunal has reviewed the amount of the communication allowance applicable to judicial office holders. The Tribunal has had regard to the relevant statistical measure which comprises the basis of the communication allowance applicable to judicial office holders, and has concluded that no variation will be made to the amount of the communication allowance.

#### JUDICIAL SECURITY ALLOWANCE

28. The Tribunal has reviewed the amount of the judicial security allowance. Having regard to the Tribunal’s consideration of information within the Australian Bureau of Statistics series concerning the costs of items of a similar nature, no justification is discernible for any variation to the judicial security allowance.

#### COUNTRY MAGISTRATE HOUSING ALLOWANCE—MAGISTRATE CATHY DELAND

29. On 29 October 2020, the Tribunal received a submission from Magistrate Cathy Deland in relation to an application for a Determination of a Country Magistrate Housing Allowance.

30. The Tribunal will deal with the submission made by Magistrate Cathy Deland separately and will issue a separate Report in relation to that matter in due course. The Tribunal is undertaking further enquiries in order to better understand the nature and operation of any existing entitlements in relation to Magistrate Deland’s application.

## THE REMUNERATION TRIBUNAL

REPORT NO. 11 OF 2020

*Conveyance Allowance—Judges, Court Officers and Statutory Officers***INTRODUCTION**

1. Section 13 of the *Remuneration Act 1990* (“the Act”) provides that the Remuneration Tribunal (“the Tribunal”) has jurisdiction to determine the remuneration payable to members of the judiciary and holders of the public offices listed in that section of the Act.
2. Section 14 of the Act provides that the Tribunal has jurisdiction to determine the remuneration, or a specified part of the remuneration, payable in respect of certain offices, if such jurisdiction is conferred upon the Tribunal by any other Act or by the Governor by proclamation.
3. The Act defines remuneration as including; salary, allowances, expenses, fees and any other benefit of a pecuniary nature.
4. This report deals with the conveyance allowances payable to Judges, Court Officers and certain Statutory Officers. The conveyance allowance is provided for meeting the costs associated with leasing a motor vehicle through Fleet SA.

**BACKGROUND**

5. The last review of the conveyance allowance was conducted in 2019, which resulted in no increase to the amounts of conveyance allowances within Determination 15 of 2018.

**PROCEDURAL HISTORY**

6. Section 10 (2) of the Act, requires that before the making of a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or persons of that class, a reasonable opportunity to make submissions.
7. Section 10 (4) of the Act provides that the Honourable Premier of South Australia (“the Premier”), as the Minister responsible for the Act may intervene, personally or by counsel or other representative, in proceedings before the Tribunal for the purpose of introducing evidence, or making submissions, on any question relevant to the public interest.
8. The Tribunal, by letters dated 13 October 2020, sent notifications of the review to the Judicial Remuneration Coordinating Committee (“JRCC”), the Magistrates Association of South Australia (“MASA”), and the Premier, as the Minister responsible for the Act.
9. The Tribunal, by letters dated 13 October 2020, sent notifications of the review to the Electoral Commissioner, Deputy Electoral Commissioner, the Health and Community Services Complaints Commissioner, and the Auditor-General.
10. Additionally, on 13 October 2020, a notice of the review was also placed on the Tribunal’s website.

**SUBMISSIONS**

11. A submission was received from the JRCC. The JRCC submitted that the Tribunal should review the amount of the conveyance allowance in the usual way.
12. No other submissions were received by the Tribunal in relation to this review.

**CONCLUSION**

13. The cost components that the Tribunal has considered in setting the appropriate level of this allowance has not increased. Upon consideration of that information, the Tribunal is not satisfied that justification exists to increase the levels of conveyance allowance at the time of this review.
14. Further, the Tribunal has also taken into consideration the economic and social circumstances of the State at the time of this review.
15. Accordingly, the levels of conveyance allowance applicable under Determination 15 of 2018 will not be increased on this occasion.
16. Determination 15 of 2018<sup>1</sup> shall continue in force until further determination by the Tribunal.

*Salary Sacrifice Arrangements for Judges, Court Officers and Statutory Officers***INTRODUCTION**

1. Section 13 of the *Remuneration Act 1990* (“the Act”) provides that the Remuneration Tribunal (“the Tribunal”) has jurisdiction to determine the remuneration payable to members of the judiciary and holders of the public offices listed in that section of the Act.
2. Section 14 of the Act provides that the Tribunal has jurisdiction to determine the remuneration, or a specified part of the remuneration, payable in respect of certain offices, if such jurisdiction is conferred upon the Tribunal by any other Act or by the Governor by proclamation.
3. This Report deals with the salary sacrifice arrangements applicable to the Judges, Court Officers and Statutory Officers whose remuneration is subject to Determination 11 of 2019<sup>1</sup>.

**BACKGROUND**

4. The previous review of the Determination in relation to salary sacrifice arrangements applicable to Judges, Court Officers and Statutory Officers was conducted in 2019.
5. On that occasion, the Tribunal made changes to the Determination which ensured alignment of the provisions of judicial salary sacrifice arrangements with those arrangements applicable to public sector employees.

**PROCEDURAL HISTORY**

6. Section 10 (2) of the Act, requires that before the making of a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or persons of that class, a reasonable opportunity to make submissions.
7. Section 10 (4) of the Act provides that the Honourable Premier of South Australia (“the Premier”), as the Minister responsible for the Act may intervene, personally or by counsel or other representative, in proceedings before the Tribunal for the purpose of introducing evidence, or making submissions, on any question relevant to the public interest.
8. The Tribunal, by letters dated 13 October 2020, sent notifications of the review to the Judicial Remuneration Coordinating Committee (“JRCC”), the Magistrates Association of South Australia (“MASA”), and the Premier, as the Minister responsible for the Act.
9. The Tribunal, by letters dated 13 October 2020, sent notifications of the review to the Electoral Commissioner, Deputy Electoral Commissioner, the Health and Community Services Complaints Commissioner, and the Auditor-General.
10. On 13 October 2020, the Tribunal distributed an email notification of the review to the relevant office holders and to the Office of the Commissioner for Public Sector Employment (“OCPSE”). Additionally, a notice of the review was also placed on the Tribunal’s public website, on the same date.

**SUBMISSIONS**

11. The Tribunal received submissions from the JRCC and the OCPSE. A summary of those submissions is provided below:  
**The Hon. Justice Stanley, Judicial Remuneration Coordinating Committee**
  - It is appropriate that the Tribunal should make a determination that reflects the terms of Determination 11 of 2019.**Mr Anthony Mackay, Office of the Commissioner for Public Sector Employment (“OCPSE”)**
  - OCPSE does not propose any changes in relation to the judicial salary sacrifice Determination currently in force (Determination 11 of 2019).
  - OCPSE notes the continued alignment between the salary sacrifice arrangements applicable to Judges, Court Officers and Statutory Officers and those available to other Public Sector employees.
12. No other submissions were received by the Tribunal in relation to this review.

**CONCLUSION**

13. After consideration of the submissions and the material before the Tribunal, the Tribunal has concluded that its policy position of maintaining alignment between the judicial and the broader public sector salary sacrifice schemes remains appropriate.
14. The Tribunal has noted that no amendments to Determination 11 of 2019 have been sought by the affected parties. Upon review, the Tribunal is not independently aware of any changes necessary to the terms of its Determination in relation to salary sacrifice arrangements.
15. Accordingly, Determination 11 of 2019<sup>2</sup> shall remain in force, until further determination by the Tribunal.

1. Section 13 of the *Remuneration Act 1990* (“the Act”) provides that the Remuneration Tribunal (“the Tribunal”) has jurisdiction to determine the remuneration of members of the judiciary and other offices listed in that section of the Act.
2. Section 14 of the Act provides that the Tribunal has jurisdiction to determine the remuneration, or a specified part of the remuneration, payable in respect of certain offices, if such jurisdiction is conferred upon the Tribunal by any other Act or by the Governor by proclamation.
3. The Act defines remuneration as including; salary, allowances, expenses, fees and any other benefit of a pecuniary nature.
4. This Report deals with the accommodation and meal allowances payable to judicial and other relevant officers.

**PROCEDURAL HISTORY**

5. Section 10 (2) of the Act provides that prior to the making of a Determination, the Tribunal must allow an affected person, or persons of an affected class, a reasonable opportunity to make submissions orally or in writing to the Tribunal.
6. Section 10 (4) of the Act provides that the Honourable Premier of South Australia (“the Premier”), as the Minister responsible for the Act may intervene, personally or by counsel or other representative, in proceedings before the Tribunal for the purpose of introducing evidence, or making submissions, on any question relevant to the public interest.

12. No other submissions were received by the Tribunal in relation to this review.

**CONCLUSION**

13. The Tribunal has considered the submissions put to the Tribunal by the JRCC that the accommodation and meal allowances for judicial and other officers not be increased at the time of this review. The Tribunal considers that submission to have a sound basis, having regard to the economic and social circumstances of the State at the time of this review.
14. Accordingly, no increases have been applied to the amounts of the accommodation and meal allowances on this occasion.
15. In the course of this review, the Tribunal has identified opportunities to make the definitions and terms of the accompanying Determination clearer. Accordingly, the Tribunal has made amendments to the definitions and terms of the accommodation and meal allowances within the accompanying Determination 13 of 2020.
