ENVIRONMENT PROTECTION ACT 1993

SECTION 68

Approval of Category B Containers

I, Andrea Kaye Woods, Delegate of the Environment Protection Authority (‘the Authority’), pursuant to Section 68 of the Environment Protection Act, 1993 (SA) (‘the Act’) hereby:

Approval of Category B Containers

Approve as Category B Containers, subject to the conditions in subclauses 1, 2, 3 and 4 below, each of the classes of containers identified by reference to the following matters described in the first 4 columns of Schedule 1 of this Notice which are sold in South Australia:

- (a) the product which each class of containers shall contain;
- (b) the size of the containers;
- (c) the type of containers;
- (d) the name of the holders of these approvals.

1. That containers of the class to which the approval relates must bear the refund marking specified by the Authority for containers of that class. The Authority specifies the following refund markings for Category B containers:
 - (1) "10c refund at collection depots when sold in SA", or
 - (2) "10c refund at SA/NT collection depots in State/Territory of purchase", or
 - (3) "10c refund at collection depots/points in participating state/territory of purchase"
2. The holder of the approval must have in place an effective and appropriate waste management arrangement in relation to containers of that class. For the purpose of this approval notice the company named in column 5 of Schedule 1 of this Notice is the nominated super collector.
3. In the case of an approval in relation to category B containers that the waste management arrangement must require the holder of the approval to provide specified super collectors with a declaration in the form determined by the Authority in relation to each sale of such containers by the holder of the approval as soon as practicable after the sale.
4. The holder of these approvals must ensure that if a sticker bearing the refund marking has been approved, and is applied to the container, then the sticker must not be placed on any portion of the opening mechanism or in any other place that would require complete or partial removal of the sticker before the contents may be consumed.

FISHERIES MANAGEMENT ACT 2007

SECTION 79

*South East Snapper Fishing Arrangements—Charter Activities
Temporary Prohibition of Fishing Activity*

TAKE NOTICE that it is hereby declared that it is unlawful for an unlicensed person fishing as part of a charter boat fishing agreement with the holder of a Charter Boat Fishery licence under the *Fisheries Management Act 2007* to engage in any fishing activity specified in Schedule 1 or to have possession or control of aquatic resources specified in Schedule 2 during the period specified in Schedule 3.

SCHEDULE 1

The act of taking and/or act preparatory to taking Snapper (*Chrysophrys auratus*) in the waters of the South East without being in possession of a Charter Boat Fishery Snapper tag or a Recreational Snapper tag issued by the Department.

The act of taking and/or acts preparatory to taking Snapper (*Chrysophrys auratus*) without being in possession or release weights on board the vessel.

SCHEDULE 2

Being in possession of a Snapper that does not have a Charter Boat Fishery Snapper tag or Recreational Snapper tag issued by the Department secured through the mouth and gill in such a manner that the tag cannot be removed without being broken unless:

- The Department issued tag has been removed for the purposes of immediately consuming the Snapper and the removed Snapper tag is in the person's possession and able to be produced upon inspection by Fisheries Officers.

Being in possession of Snapper secured with a Department issued tag where:

- the tag identification number is not recorded by the licence holder or registered master of a Charter Boat Fishing Authority in a Department issued Charter Snapper Tag Return Form; and
- the record is not made more than one hour prior to returning to port.

SCHEDULE 3

0001 hours on 1 February 2020 until 2359 hours on 31 October 2020.

For the purpose of this notice:

The Department – means the department of Primary Industries and Regions SA (PIRSA).

Charter Boat Fishery Snapper tag – A single use plastic tag with an identification number issued by the Department for securely attaching to legal size Snapper taken on board a licenced South Australian Charter Boat.

Recreational Snapper tag – A single use plastic blue tag with an identification number issued by the Department for attaching securely to legal size Snapper taken for non-commercial purposes.

Tag identification number – The unique identification number stamped on or otherwise affixed to a Snapper tag and/or Charter Boat Fishery Snapper tag by the Department.

Charter Snapper Tag Return Form – A form prescribed by the Department used to collect data on the fish taken.

Waters of the South East – Waters of the South East comprises the waters of the State contained within and bounded by a line commencing at a location on mean high water springs closest to 35°38'33.82" (35°38.564') South, 138°31'20.77" (138°31.346') East (Newland Head), then south westerly to a location on the mean high water springs closest to 35°50'29.19" (35°50.486') South, 138°08'05.64" (138°08.094') East (Cape Willoughby), then beginning westerly following the line of mean high water springs to the location closest to 35°53'11.307" (35°53.188') South, 136°32'3.880" (136°32.065') East (Vennachar Point), then continuing south along the meridian of longitude 136°32'36" (136°32.600') East to the southern limit of the waters of the State, then north-easterly following the said boundary to the intersection with the eastern border of the State of South Australia 38°03'23.18" (38°03.386') South, 140°57'57.71" (140°57.962') East, then beginning south-easterly along the eastern border of the State of South Australia to a location on the mean high water springs closest to 38°03'23.18" (38°03.386') South, 140°57'57.71" (140°57.962') East, then beginning westerly following the line of mean high water springs to the point of commencement.

Unless otherwise mentioned, all lines are geodesics based on the Geocentric Datum of Australia 1994 (GDA94) as defined in the Commonwealth of Australia Gazette GN35 of 6 September 1995. All co-ordinates are expressed in terms of GDA94.

FISHERIES MANAGEMENT ACT 2007

SECTION 79

*South East Snapper Fishing Arrangements—Recreational Activities
Temporary Prohibition of Fishing Activity*

TAKE NOTICE that pursuant to section 79 of the *Fisheries Management Act 2007*, it is hereby declared that it shall be unlawful for an unlicensed person to engage in any fishing activity specified in Schedule 1 or have possession or control of aquatic resources specified in Schedule 2 during the period specified in Schedule 3.

SCHEDULE 1

The act of taking and/or act preparatory to the taking of Snapper (*Chrysophrys auratus*) in the waters of the South East without being in possession of a Department issued Recreational Snapper tag or in the presence of the registered tag owner.

SCHEDULE 2

Being in possession of a Snapper (*Chrysophrys auratus*) that does not have a Recreational Snapper tag issued by the Department secured through the mouth and gill in such a manner that the tag cannot be removed without being broken unless:

CITY OF ADELAIDE

ROADS (OPENING AND CLOSING) ACT 1991

Road Closure – Public Road off Nelson Place, Adelaide

Notice is hereby given pursuant to section 10 of the Roads (Opening and Closing) Act 1991, that the City of Adelaide proposes to make a Road Process Order to close and sell to an adjoining owner the unnamed public road running west off Nelson Place, more particularly delineated and lettered 'A' on Preliminary Plan No. 20/0001.

The Preliminary Plan and Statement of Persons Affected is available for public inspection at the Council's office, 25 Pirie Street, Adelaide, and the Adelaide Office of the Surveyor-General, during normal office hours. The Preliminary Plan can also be viewed at <http://www.sa.gov.au/roadsactproposals>.

Any person is entitled to object to the proposed road closure and any person affected by a proposed road closure may apply for an easement to be granted in that person's favour over the land subject to the proposed road closure.

Such objection or application for an easement must set out the full name and address of the person making the objection or application and must be fully supported by reasons.

Any application for an easement must give full particulars of the nature and location of the easement and where made by a person as the owner of adjoining or nearby land, specify the land to which the easement is to be annexed.

Any application for easement or objection must be made in writing within 28 days of the date of this notice and posted to the City of Adelaide, GPO Box 2252, Adelaide SA 5001 and the Surveyor-General, GPO Box 1354 Adelaide SA 5001, setting out the full details.

Where a submission is made, Council will give notification of a meeting at which the matter will be considered.
