Such fans are to be a 4 blade type as specified in the Acoustic Report in Appendix H of the Response Document and the fans shall be sited in accordance with the recommendations of the Frost Fan Report of Appendix I of the Development Report. If the landowner refuses access to the land or seeks to condition access in an unreasonable way that is not acceptable to the proponent, the proponent shall not be required to comply with the commitments in the letter dated 12 April 2006.~~
13. Landscaping of the site shall commence prior to construction of the proposed Major Development, and when established must be maintained in good health and condition at all times.
