 - 5.1.2 must ensure that any coupon or electronic request submitted for entry is completed in accordance with these Rules and acknowledges that neither the Master Agent nor the Agent has any responsibility to check the same when accepting it.
- 5.2 Receipt of a ticket (whether issued as a result of a coupon, verbal or electronic request) by a player constitutes an acknowledgment that the symbols and other details it contains are the player's selections. A player who does not immediately notify the selling point terminal operator of any error will be deemed to have accepted that the symbols and other details are their selections. No coupon or other evidence will thereafter be valid for the purposes of proving an entry in a draw.
- 5.3 If details on a ticket in a lottery differ from the central computer record of that ticket, the central computer record will be the sole determinant in identifying what prize (if any) is payable in respect of the ticket.
- 5.4 Neither SALC nor the Master Agent will be liable where an Agent has altered a coupon in any way without the player's authority.
- 5.5 Neither SALC, the Master Agent, an Agent, nor an employee or agent of any of them, will be liable:
 - 5.5.1 if a selling point terminal fails to read a coupon and operator intervention is required to correctly process the coupon or if an operator incorrectly keys into the selling point terminal from the player's verbal or coupon selections any number(s) not selected by the player; or
 - 5.5.2 for any loss, damage, injury or expense sustained by a player by reason of any act, neglect, omission, delay or failure:
 - 5.5.2.1 to forward to the Master Agent any request for entry in any lottery;

 - 5.5.2.3 for any assistance given in completing an application form, coupon or other form; or
 - 5.5.2.4 to properly or accurately process any request by a player to participate in any lottery conducted by SALC through its Master Agent, and this Rule may be pleaded as a bar to any legal proceedings brought by any player alleging breach, default or non-performance of any contract or duty by SALC, the Master Agent or such Agent, or an employee or agent of any of them.

- 5.6 In respect of:
- 5.6.1 any representation made by an employee or any other person on SALC's or the Master Agent's behalf;

 - 5.6.4 any failure of or malfunction in any selling point terminal or central computer system used in the Master Agent's business, an Agent or any person on either's behalf, in respect of which a claim is made; or
 - 5.6.5 subject to Rule 6.6, a cancelled entry; SALC's or the Master Agent's liability (if any and at SALC's or the Master Agent's discretion) will be limited to the refund of the price of the ticket, on which the player is claiming a prize, in full and final settlement of any claim.
- 5.7 The Master Agent will use its best endeavours to respect any request by a prize winning player for Not For Publication (NFP) status and will not reveal any details of the prize that will identify the player without their consent. If the Master Agent releases a prize winning player's name and address contrary to their instructions it will not be liable for any inconvenience, loss, damage or injury thereby suffered by any person unless otherwise required by law.
- 5.8 Any decision made by SALC or the Master Agent concerning any lottery conducted by SALC through its Master Agent (including but without limiting the generality thereof eligibility of entries, determination of prize winners, the amount and distribution of prize money and the meaning and effect of these Rules) will be final and binding on all players participating in that lottery and on every person making a claim in respect of that lottery.

6. *Entry and Tickets*

- 6.1 A coupon or verbal or electronic request for any available type of entry may be delivered, communicated or forwarded to the Master Agent by a player or an Agent.
- 6.2 The price of an entry must be paid in either Australian currency, by credit card, by funds transfer from a player's account or by redemption of a gift voucher issued by the Master Agent or such other means as the Master Agent determines. Payment must accompany or be made with transmission of a coupon or other request for entry.
- 6.3 The Master Agent or an Agent will refuse to accept, or reject after acceptance, any coupon or other request for entry that has not been duly completed or is not accompanied by full payment of the price for the number of games to be played.
- 6.4 Subject to Rule 6.3 the issue of a ticket by a selling point terminal will constitute acknowledgment by the Master Agent of acceptance of the request for entry in the online lottery referred to on the ticket.
- 6.5 Subject to Rule 6.3 the scanning of an Instant Scratch-Its ticket by the selling point terminal at the time of sale will constitute acknowledgement by the Master Agent of acceptance of the request for entry into the series referred to on the Instant Scratch-Its ticket.
- 6.6 If the Master Agent or an Agent decides that an issued online lottery ticket is defective and the prize winners in the draw to which it relates have not been determined, the Master Agent or an Agent may cancel the ticket and at its discretion either:
- 6.6.1 replace the ticket with another ticket, in which event the player will be taken to have authorised an employee of the Master Agent or an Agent to determine their selections and, if necessary, to complete a request for entry on their behalf that will then be accepted for participation in the appropriate draw for the appropriate lottery; or
 - 6.6.2 refund the price of the ticket to its bearer or the player.
- 6.7 If a player considers that an issued ticket is illegible or defective in any way, the ticket may be cancelled. No duplicate ticket will be provided.
- 6.8 A player who requests to return a ticket in an online lottery for any other reason may apply to the Master Agent or an Agent to cancel the ticket:
- 6.8.1 for all lotteries, excluding Keno, the ticket must be cancelled at the place of purchase and prior to the close of acceptance of entries in respect of the first draw on that ticket;
 - 6.8.2 for Keno, a ticket must be cancelled at the place of purchase and prior to the close of acceptance of entries in respect of the draws from which the player wishes to cancel their participation.
The Master Agent or an Agent may at its absolute discretion accept or reject the return of the ticket. On return of a ticket, a player will be entitled at their option to:
 - 6.8.3 a full refund of the price of the ticket or, in the case of a Keno, a consecutive draw entry, the price of the undrawn portion of the ticket; or
 - 6.8.4 for all lotteries, excluding Keno, a further ticket in exchange for the returned ticket.
- 6.9 A player who requests to return an Instant Scratch-Its ticket must apply to the selling Agent at the time of purchase. The selling Agent may at its absolute discretion accept or reject the return of the Instant Scratch-Its ticket. On return of an Instant Scratch-Its ticket, a player will be entitled at their option to:
- 6.9.1 a full refund of the price of the Instant Scratch-Its ticket; or
 - 6.9.2 a further Instant Scratch-Its ticket of the same monetary value in exchange for the returned Instant Scratch-Its ticket.
- 6.10 A ticket must not be altered. Any alteration will have no validity for any purpose.
- 6.11 No cash refund will be made except as provided under these Rules.
- 6.13 A player may be entitled to purchase a 'best pick' entry, as determined by the Master Agent, whereby the selling point terminal will select and optimise the mix of standard entries based on the amount and games specified by the player across the lotteries conducted by SALC through its Master Agent, equivalent or as close as possible to the nominated dollar amount. The Master Agent will determine the minimum dollar value required for the game options selected.

- 7.1 A player cannot submit a request for entry to the Master Agent or an Agent by post.
- 7.2 A player who sends a request for entry to the Master Agent or an Agent electronically must:

 - 7.2.3 in the case of an electronic request for entry:
 - 7.2.3.1 first establish an account for use in connection with the player's participation in the lottery; and
 - 7.2.3.2 have sufficient funds held in credit in the account to pay the price of any entry requested.
- 7.3 The Master Agent or an Agent may refuse to accept a request for entry received electronically that:
 - 7.3.1 does not comply with the Lottery Rules; or
 - 7.3.2 is not accompanied by full payment of the price.
- 7.4 A request for entry received electronically may, at the absolute discretion of the Master Agent or an Agent;
 - 7.4.1 be entered in the draw(s) nominated by the player;
 - 7.4.2 if not received in time for it to be processed for participation in a particular draw(s), be entered in the next draw(s) of the same lottery;
 - 7.4.3 if accompanied by payment other than in cash be entered in the next available draw(s) of the lottery for which it is intended after full payment is credited to the account of the Master Agent or an Agent, as the case may be; or

 - 8.2.3 for a central syndicate;
 - 8.2.3.1 to the Agent who cancelled the syndicate share if the syndicate share was sold and then cancelled by an Agent; or
 - 8.2.3.2 to a person (at no cost to that person) who is at that time an Easiplay Club member and to whom the selling point terminal randomly registers the syndicate share;
- 8.3 If a syndicate share is issued under Rule 8.2.1, 8.2.2.1, 8.2.2.2, or 8.2.3.1 the Master Agent will collect the amount owing for the syndicate share from the Agent to whom the syndicate share is issued under this Rule.
- 8.4 A syndicate player must pay the syndicate share price in respect of each syndicate share at the time of purchase by the syndicate player (except for syndicate shares issued under Rule 8.2.3.2).
- 8.5 A syndicate entry will be cancelled if all syndicate shares remain unsold prior to the close of acceptance of entries for the first draw applicable to the syndicate entry.

9. *Easiplay Club*

- 9.1 To become an Easiplay Club member, an applicant must complete a current application form and forward it to the Master Agent either directly or through any Agent's place of business.
- 9.2 The Master Agent may impose membership charges as it determines at any time. Prior to the imposition or any change to such a charge, the Master Agent will provide notification to players.
- 9.3 The Master Agent will be entitled to assume that any Easiplay Club member or any applicant for Easiplay Club membership is not a minor. An Easiplay Club member or an applicant for Easiplay Club membership must provide such evidence of their age as the Master Agent requires. If the Master Agent subsequently ascertains that Easiplay Club membership has been issued to a minor, the Master Agent will cancel such membership and, in accordance with these Rules, decline to pay any prize that would otherwise have been payable.
- 9.4 An Agent, to whom a duly completed application form is submitted, together with such evidence of the applicant's age as the Agent may require, will forthwith issue an Easiplay Club temporary membership slip to the applicant for immediate use. The autopay facility will be activated once the Easiplay Club application form is processed and accepted by the Master Agent.
- 9.5 Once a duly completed application form has been processed and accepted by the Master Agent, the member's personal details will be included in the Easiplay Club database and an actual or electronic Easiplay Club card will be issued and details provided to the member. Subject to the issuing conditions, the card will be evidence of Easiplay Club membership.

Neither the Master Agent nor any Agent will be liable to make good any loss incurred in respect of any prize forwarded to an address shown in the Easiplay Club database at the time of expiration of the relevant claim period.
- 9.7 The Master Agent will maintain a record of the information provided by each Easiplay Club member and will be permitted to use that information for the purpose of distributing advertising material and similar information. An Easiplay Club member who does not want to receive such material or information must advise the Master Agent in writing. The Master Agent will use its best endeavours to protect each member's personal information and maintain the highest level of confidentiality.
- 9.8 The Master Agent shall be entitled to refuse a new membership or cancel an existing membership, for whatever reason, without the requirement to outline the reasons for such refusal or cancellation.

- 9.11 If a person ("the bearer") lodges a printed ticket that bears the name of an Easiplay Club member ("the member") with the Master Agent for payment of a prize, but the bearer fails to produce the corresponding Easiplay Club membership card, the Master Agent will invite the bearer to provide a statutory declaration and such other documentation as the Master Agent requires to determine the rightful owner of the printed ticket.
- 9.11.1 If the Master Agent is satisfied that the bearer is the rightful owner of the printed ticket, and the prize has not been autopaid to the member in accordance with Rule 12.15, the Master Agent will pay the prize to the bearer and neither the member nor any other person will have any claim in respect of the printed ticket.
- 9.11.2 A decision by the Master Agent under this Rule is final and without appeal. The Master Agent has no obligation beyond the strict requirements of this Rule to provide a right to be heard in relation to its decision.
- 9.12 The procedure under Rule 9.11 is not available to a ticket's bearer after expiration of the Autopay period as determined by the Master Agent. After expiration of that period any prize payable in respect of the ticket will only be paid to the member whose name first appears on the application form.
- 9.13 If:
- 9.13.1 a prize is won on a ticket purchased on presentation of an Easiplay Club membership card; and
- 9.13.2 the ticket's bearer has not claimed the prize at the expiration of the Autopay period, the Master Agent will pay the prize into the account nominated by the member or by such other means as determined by the Master Agent. Thereafter, the ticket's bearer will have no claim to the prize.

- 10.9 A claim under Rule 10.8:

- 10.10.1 will not be obliged to recognise any claim not identified by a central computer system used in the Master Agent's business within the period specified for the redemption of a gift voucher; and
- 10.10.2 may in its absolute discretion accept or refuse to accept a claim in whole or in part.

11. Disqualifications

- 11.1 Notwithstanding that:
 - 11.1.1 acceptance of entries into a lottery has closed;
 - 11.1.2 a ticket may have issued; or
 - 11.1.3 the draw has occurred in respect of which the ticket is entered an entry in a lottery may be disqualified and no prize claim shall be made in respect of it, if the Master Agent is of the opinion that it should be so disqualified. Any ticket which has issued in respect of an entry in a lottery which is disqualified shall automatically be cancelled.
- 11.2 The reasons for disqualification may include but are not limited to:
 - 11.2.1 failure to pay the full price of entry;
 - 11.2.2 reasonable suspicion of fraud or attempted fraud (whether computer related or otherwise);
 - 11.2.3 reasonable suspicion of unauthorised use of a selling point terminal or central computer system used in the Master Agent's business; or
 - 11.2.4 any other breach of these Rules which justifies disqualification.
- 11.3 The Master Agent shall use its best endeavours to notify a player whose name and address is known to the Master Agent that an entry has been disqualified and the reason therefor and the Master Agent shall refund to the player any price paid. Where the Master Agent does not know the name and address of a player, the Master Agent shall publicise, in a manner determined by the Master Agent, the disqualification of such an entry.
- 11.4 If an entry which would otherwise be eligible for a prize, is disqualified during the claim period then the value of the remaining prizes shall be varied to take into account such disqualification.

12. Payment of Prizes

- 12.1 The Master Agent's records as to payment of prizes in respect of a ticket shall be conclusive.
- 12.2 No prize will bear interest as against SALC or the Master Agent.
- 12.3 Any prize won on a syndicate share entry will be payable to the bearer of the syndicate share entry to the extent of the bearer's entitlement as appears on the syndicate share entry, rounded in each division to the nearest whole cent above or below the bearer's syndicate share of the actual prize otherwise payable, with any resulting surplus being paid into the Division 1 prize pool, and any shortfall being drawn from the Division 1 prize pool.
- 12.4 Payment of prizes won on printed tickets or Instant Scratch-Its tickets:
 - 12.4.1 greater than \$5000 or such other amount as the Master Agent determines may be made by electronic funds transfer or by such other means as the Master Agent determines. Such prizes must be claimed at Head Office (unless an Agent has obtained prior approval from the Master Agent to make a cash payment).
 - 12.4.2 greater than \$500 but equal to or less than \$5 000 or such other amount as the Master Agent determines (either generally or in relation to a particular lottery) may be made in cash (except where the prize may be a free ticket), by electronic funds transfer or by such other means as the Master Agent determines. Such prizes may be claimed at Head Office or at an agency with the means to make a cash payment.
 - 12.4.3 equal to or less than \$500 or such other amount as the Master Agent determines shall be payable in cash (except where the prize may be a free ticket), by electronic funds transfer or by such other means as the Master Agent determines by Head Office, or in cash by any Agent.
- 12.5 Payment of cash prizes won on an electronic ticket will be paid by electronic funds transfer directly into the account established for use in connection with the player's participation in electronic requests.
- 12.6 A handling fee (which may include postage costs and a processing fee) will be charged in each case as the Master Agent determines for payment of prizes won on printed tickets or Instant Scratch-Its tickets by electronic funds transfer or such other manner as the Master Agent determines. The handling fee will be deducted from the prize.
- 12.7 A non-refundable claim administration fee as determined by the Master Agent may be required to accompany a claim for an ex gratia payment under section 16D of the Act.
- 12.8 The applicant for payment of a prize must provide their name and address:
 - 12.8.1 for payment of a prize greater than \$5000 (or such other amount as provided by law) in any online lottery;
 - 12.8.2 for payment of any prize to be paid by electronic funds transfer; or
 - 12.8.3 in any other case as required by the Master Agent.

- 12.10 A prize claim incomplete in any detail required by the Master Agent may be rejected.
- 12.11 The Master Agent may decline to pay a prize in respect of any ticket presented as evidence of a winning entry if, in the Master Agent's opinion:
 - 12.11.1 the ticket was purchased by a minor or an Easiplay Club membership card issued to a minor was submitted at the time of purchase of the ticket;
 - 12.11.2 any number or security marking on the ticket has been tampered with in any way; or
 - 12.11.3 the ticket has been stolen, mutilated, altered, defaced or is counterfeit, misprinted, illegible, incomplete or defective in any way; or
 - 12.11.4 the ticket was found to have been purchased fraudulently, and furthermore, the Master Agent shall retain such a ticket for such period as the Master Agent determine.

- 12.12 A ticket that has been recorded as cancelled on a central computer system used in the Master Agent's business will be of no validity in claiming a prize. The player will have no claim against SALC or the Master Agent (whether such cancelled recording is at the player's request or due to a computer system malfunction, operator error or otherwise). A ticket incorrectly recorded on a central computer system used in the Master Agent's business will be deemed cancelled. The Master Agent will determine whether a ticket has been correctly recorded.
- 12.13 A ticket identified by a central computer used in the Master Agent's business system as a prize winning ticket may, after evaluation by a selling point terminal and payment of the prize, be retained by the Master Agent for such period as the Master Agent determine.
- 12.14 Where a prize winning ticket processed in accordance with these Rules is acknowledged by a central computer system used in the Master Agent's business to contain an entry in any online lottery that has not yet been drawn or conducted, the selling point terminal operator will:
- 12.14.1 for all online lotteries, excluding Keno, issue an exchange ticket to the bearer; and
- 12.14.2 for Keno, cancel the remaining entries in accordance with Rule 6.8.
- Should an exchange ticket be issued, it will contain the same selections and specify the remaining draw numbers in which it will be entered.
- 12.15 Subject to Rule 9.11, an Easiplay Club member who has not claimed a prize within the Autopay period will be paid by electronic funds transfer for the prize in favour of the name and details on the Easiplay Club database at the time of issue, provided that:
- 12.15.1 in the Master Agent's opinion, the name and details are adequate to ensure safe delivery; and
- 12.15.2 the net amount of the payment payable to the player exceeds the handling fee as determined by the Master Agent.
- 12.16 A claim for a prize already paid by the Master Agent will not be considered.
- 12.17 Subject to the provisions of the Act, a claim for a prize received by the Master Agent outside the relevant claim period will not be considered, nor will the Master Agent accept or recognise any reason for late lodgement or receipt of a claim.
- 12.18 (a) Prizes in a lottery, other than a special appeal lottery, not collected or taken delivery of within 12 months of the date of the draw or such other date as SALC determines, will be forfeited in accordance with the Act.
- (b) Prizes in a special appeal lottery not collected or taken delivery of within the period specified by the Minister will be payable to the beneficiary or beneficiaries of the net proceeds of the special appeal lottery, in the proportions specified by the Minister.
13. *Syndicates and Payment of Prizes to Bearer*

- 13.1.1 any name on the ticket;
- 13.1.2 any name on an application form for an Easiplay Club membership card submitted at the time of purchase of the ticket;

- 13.1.6 that payment is made to a person not named on an application form for an Easiplay Club membership card submitted at the time of purchase of the ticket.
- Payment of any prize to the bearer of the ticket will be deemed a full and final discharge of the Master Agent's liability in respect of the ticket.
- 13.2 The Master Agent will not be bound:
- 13.2.1 by any agreement made between any syndicate or group participants other than an agreement between the Master Agent and a player in a central syndicate; or
- 13.2.2 to take notice or to see to the execution of any trust whether express, implied or constructive to which a ticket may be subject.

Date of operation

1. *Preliminary*

- 1.1 These Rules may be cited as the Lotteries (Keno) Rules.
- 1.2 These Rules will come into operation on the date specified in Schedule 3.
- 1.3 These Rules are to be read in conjunction with and are subject to the Lotteries (General) Rules.
- 1.4 These Rules apply to the lottery known as "Keno".

2. *Interpretation*

- 2.1 In these Rules and in each part of these Rules unless the contrary intention appears:

"claim period" means the period commencing immediately after the draw ("relevant day") and ending on the 14th day thereafter;

"combination entry" means in the case of a Combo coupon an entry whereby the numbers selected in each of between 1 and 4 game panels may be played either individually (as singles) or in combination with other numbers in other game panels; and in the case of an SA TAB issued coupon an entry whereby the numbers selected will be played in every possible combination equivalent to 15 games;

"Combo coupon" means a coupon or electronic request for entry, consisting of 4 game panels;

"Evens" means, in the case of Keno Coin Toss, the selection or outcome where an equal proportion of the 20 drawn Keno numbers falls in each range (1-40 and 41-80) on the Keno game grid;

"game grid" means a grid of numbers from 1 to 80 inclusive distributed into 10 equal columns of 8 numbers and 8 equal rows of 10 numbers;

"Heads" means, in the case of Keno Coin Toss, the forecast or outcome where 11 or more of the 20 drawn Keno numbers fall in the range 1-40 on the Keno game grid;

"Keno" means a lottery drawn at such intervals as SALC determines in which the player is required to select between 1 and 10 numbers out of 20 numbers drawn from the range of numbers 1 to 80 inclusive;

"Keno Coin Toss" means an adjunct to the game of Keno whereby the player is required to predict the distribution of the 20 numbers drawn between predetermined segments of the Keno game grid;

"Major Prize" means a prize of more than \$1 000 won in a draw other than for 10 hits in a Spot 10 entry.

"permitted multiple" means such number as the Master Agent determines;

"SA TAB and its sub-agencies" means SA TAB Pty Ltd CAN 097 719 107 and such of its agencies as are authorised to sell entries in Keno; "SA TAB issued coupon" means a coupon or electronic request for entry consisting of 1 game panel

allowing for single entries or combination entries equivalent to 15 games; "Spot number" means the quantity of numbers to be selected and played;

"Spot numbers panel" means the designated panel on a coupon or electronic request for entry in which the Spot number is required to be marked to correspond with the numbers selected;

"Tails" means, in the case of Keno Coin Toss, the forecast or outcome where 11 or more of the 20 drawn Keno numbers fall in the range 41-80 on the Keno game grid.

3. *Entry*

3.1 To create a Keno entry a player must forecast or cause to be forecast between 1 and 10 numbers. The numbers forecast must not be duplicated.

3.2 To create a Keno Coin Toss entry a player must forecast or cause to be forecast the distribution of the 20 numbers drawn in the corresponding Keno draw between predetermined segments of the Keno game grid. Each draw in which a player participates is considered an individual entry.

A Keno Coin Toss entry is not available at SA TAB and its sub-agencies.

3.3 The quantity of numbers forecast by a player under Rule 3.1 is the Spot number and the player must mark the Spot number panel or cause it to be marked accordingly, by marking the number equal to the quantity of numbers selected.

3.4 In the case of a coupon, a player's forecast must be marked with a cross mark in the centre of the square, a vertical mark in the centre of the square or such other mark as the Master Agent determines. No other mark will be accepted. All marks on a coupon must be legible. A coupon must not be marked in red.

3.5 The minimum number of games that must be completed will be one (1) or such number as otherwise determined by the Master Agent.

3.6 The Master Agent may decline to issue further entries:

3.6.1 to any individual player where the player has purchased 1 000 entries in any draw; or

3.6.2 to any individual player where the price paid by the player for an entry reaches \$9 999; or

3.6.3 in Keno Coin Toss, in any draw where the aggregate price paid by all players for a forecast selection (i.e. Heads, or Tails, or Evens) reaches:

3.6.3.1 \$100 000 for "Heads";

3.6.3.2 \$100 000 for "Tails"; or

3.6.3.3 \$50 000 for "Evens".

3.7 The Master Agent may determine that it will decline to accept any specified entry or type of entry. Such determination may be expressed to operate either generally or in circumstances specified in the determination.

3.8 Subject to Rule 3.6, a player must nominate the amount to be spent on each game by marking the appropriate amount on the coupon. The amount so nominated will be payable in respect of each game selected (and in the case of a combination entry, in respect of every possible combination that results from the selection of numbers) and must be a permitted multiple.

3.9 To create a combination entry on a Combo coupon, a player must identify the type(s) of combination entries required by making the appropriate mark(s) in the combination panel or request the selling point terminal operator to generate a combination entry as nominated.

3.9.1 If "singles" is marked, each game panel marked will be considered an individual entry.

3.9.2 If "doubles" is marked, each combination of 2 game panels marked will be considered an individual entry.

3.9.3 If "triples" is marked, each combination of 3 game panels marked will be considered an individual entry.

3.9.4 If "quads" is marked, the combination of the 4 game panels marked will be considered an individual entry.

3.9.5 Marking "all ways" will have the same effect as marking all of the other combination options and will cause all possible combinations of the marked game panels to be played.

3.9.6 A coupon must not be marked with any type(s) of combination entry that would result in a combination of game panels having more than 10 different selected numbers.

3.10 To create a combination entry on an SA TAB issued coupon, a player must:

3.10.1 select between 4 and 10 numbers to play the equivalent of fifteen games using different combinations of the selected numbers in a single draw;

3.10.2 mark "Combo"; and

3.10.3 mark the Spot number in the Spot numbers panel equal to the quantity of numbers selected.

3.11 Subject to Rule 5, a player may enter a draw by:

3.11.1 submitting the coupon provided for that purpose from time to time by the Master Agent together with an Easiplay Club card if applicable (except at SA TAB and its sub-agencies);

3.11.2 making a verbal request of the selling point terminal operator together with providing an Easiplay Club card if applicable (except at SA TAB and its sub-agencies); or

3.11.3 an electronic request for entry in such format as the Master Agent determines.

3.12 If a player marks more or fewer than the specified number of selections in a game panel, a ticket will not be issued. The player may be required to complete another coupon.

3.13 A player will not be able to register any Keno game purchases made at SA TAB and its sub-agencies on an Easiplay Club membership card.

4. *Consecutive Draws*

4.1 A player may enter forecasts for a series of consecutive draws by marking the appropriate forecast(s) in the "consecutive draws" panel or by verbally requesting such an entry. Subject to Rule 3.6, the number of consecutive draws that may be entered in this way is up to 500 draws or such other number as SALC determines.

4.2 The rules governing entries will apply to every consecutive draw entry.

5. *QuickPick Entry*

- 5.1 A player can play by means of a QuickPick nomination at the selling point. The selling point terminal operator must enter the information nominated by a player into the selling point terminal and cause it to generate a ticket of the type nominated by a player (except at SA TAB and its sub-agencies).
- 5.2 A player may obtain a QuickPick entry by marking the "QuickPick" panel on the coupon (if this option is available) and, in respect of each game to be played, and the quantity of numbers to be selected, by making the appropriate mark in the Spot numbers panel.
- 5.3 A player may obtain a Keno Coin Toss QuickPick entry by marking the "QuickPick" panel and, in respect of each draw to be entered, the quantity of draws to be selected, by making the appropriate mark in the "consecutive draws" panel.

6. *Determination of Winning Selections*

- 6.1 Each draw will be identified by a date and a number.
- 6.2 For each draw, the computer system operated by the Master Agent will cause 20 winning numbers to be selected from the numbers 1 to 80 inclusive.

7. *Prize Pool Structure*

- 7.1 Only one prize can be won by any one selection of numbers.
- 7.2 The prizes payable for Keno will be as designated in Schedule 1, subject to Rules 7.3, 7.4 and 8.
- 7.3 The prize for 10 hits in a Spot 10 entry:
- 7.3.1 if there is one winner, will be the amount designated in Schedule 1.
- 7.3.2 if there is more than one winner, will be apportioned between such winners in accordance with the following formula:

$$W = \frac{E_w \times (G_a + J)}{E_t}$$

(where

W	is the amount payable to a particular winner;
E _w	is the entry fee paid by the particular winner for the winning selection of numbers;
E _t	is the total of all entry fees paid by all winners in respect of winning selections of numbers;
G _a	is the guaranteed amount—see Rule 8.2;
J	is the jackpot—see Rule 8.2).

- 7.4 If the total amount of Major Prizes in a draw exceeds \$500 000, Major Prizes will be reduced to an amount calculated in accordance with the following formula:

$$P = \frac{W \times \$500\,000}{W_t}$$

(where

P	is the reduced prize, which will not be reduced to less than \$1 000;
W	is the amount under Schedule 1 which, except for this Rule, would have been payable to a particular winner; and
W _t	is the total of all Major Prizes under Schedule 1 which, except for this Rule, would have been payable to all winners.)

- 7.5 The prizes payable for Keno Coin Toss will be as designated in Schedule 2.
- 7.6 The prize structure in a draw will be in accordance with Schedule 1, Schedule 2 and Rule 7.

8. *Keno Prize Reserve*

- 8.1 From time to time, and with Ministerial approval as required, SALC may set aside and maintain such sums, including a proportion of the total amount received from Spot 10 entry fees to any draw, to constitute a pool called the Keno Prize Reserve.
- 8.2 The Keno Prize Reserve will be accumulated to constitute the guaranteed amount and the jackpot and be applied as follows:
- 8.2.1 the jackpot will be distributed from time to time as additional or increased prize money to Spot 10 winners together with the guaranteed amount in such draws and in such amounts as SALC determines.
- 8.2.2 if there is no Spot 10 winner in any draw in which the jackpot is offered, the jackpot will be added to the jackpot in the next draw in which the jackpot is offered and this jackpotting will continue until there is a Spot 10 winner.

9. *Prize Claims*

- 9.1 In the case of Spots 9 and 10 prizes:
- 9.1.1 prize money will be distributed after the claim period has elapsed;
- 9.1.2 claims lodged within the claim period and determined by the central computer system to be prize winning tickets and any tickets subsequently identified within the claim period as prize winning tickets will be paid in accordance with these Rules to winners in the respective Spot; and
- 9.1.3 any player who claims to be entitled to a prize must lodge a claim with the Master Agent.
- 9.2 In the case of prizes (including Keno Coin Toss) other than Spots 9 and 10 prizes, prize money will be paid as soon as practicable after the draw either at Head Office or through any selling point terminal for tickets purchased from the Master Agent, or at SA TAB or through any of its sub-agencies selling Keno tickets, for tickets purchased from SA TAB, on presentation of the ticket or record of electronic entry for evaluation by a selling point terminal, subject to these Rules.

- 9.3 Any player who claims to be entitled to a prize but:
- 9.3.1 whose ticket has not been identified by the central computer system as a prize winning ticket;
 - 9.3.2 consider that their ticket has been incorrectly evaluated by the Master Agent; or
 - 9.3.3 has not obtained confirmation that their ticket has won a prize, after its evaluation by a selling point terminal must lodge a claim with the Master Agent.
- 9.4 A claim under Rule 9.1.3 or 9.3:
- 9.4.1 may be lodged with the Master Agent either personally or by registered mail;
 - 9.4.2 must reach the Master Agent within the claim period; and
 - 9.4.3 must be accompanied by the ticket or record of electronic entry in respect of which the claim is made, clearly endorsed with the claimant's full name and address, and/or proof of purchase.
- 9.5 SALC:
- 9.5.1 will not be obliged to recognise any claim not identified as a prize winning ticket by the central computer system and not lodged within 12 months of the relevant day; and
 - 9.5.2 may in its absolute discretion accept or refuse to accept a claim in whole or in part.
- 9.6 The Master Agent will keep the results of each draw for a period of 12 months from the relevant day and make the results available for perusal at any time during that period.
10. *Ticket Checkers*
- 10.1 Ticket checkers are located at all selling points and are linked to the central computer system via the selling point terminal.
 - 10.2 A player can obtain the prize status of a printed ticket by inserting the bar code of each ticket into the scanning device.
 - 10.3 A prize winning ticket must be identified by the central computer system as a prize winning ticket before payment of the prize is made.
