## DEVELOPMENT ACT 1993

## SECTION 48(8)

*Notice of Delegation**Preamble*

1. On 21 June 2005 the Minister for Urban Development and Planning made a declaration under section 46:
  - (1) of the *Development Act 1993* in relation to proposed development for the purposes of establishing or operating an eco-tourism accommodation lodge (the Lodge) on land at Hanson Bay on Kangaroo Island (the Declaration). The Declaration was published in the *Gazette* on 23 June 2005 at p.1867.
2. On 19 October 2006 the Governor granted provisional development authorisation in relation to the Lodge. The development authorisation was varied a number of times, most recently on 12 November 2012. The Lodge was opened to the public in 2008.
3. The Lodge has been destroyed by bushfire and the owner is proposing to rebuild it substantially as it was before it was destroyed.
4. The Minister for Planning and Local Government has pursuant to section 46(4) and 46(5) of the *Development Act 1993*, varied the Declaration to allow the PER and Assessment Report relied on for the purposes of the development authorisation to be updated to cover the rebuilding of the Lodge so as to ensure the assessment process for the rebuilding can be conducted efficiently but without compromising the integrity of the process.
5. It is appropriate to delegate to the Minister for Planning and Local Government my power to make a decision on an application for development authorisation in relation to the rebuilding of the Lodge and certain of my other powers arising under section 48 of the *Development Act 1993*.

## NOTICE

PURSUANT to section 48(8) of the *Development Act 1993* and with the advice and consent of the Executive Council, I delegate to the Minister for Planning and Local Government my powers under section 48 of the *Development Act 1993* as follows:

- (a) the power to grant a development authorisation for development for the purposes of rebuilding the Lodge, following its destruction by bushfire in 2019-2020 substantially as it was before it was destroyed, or operating it once it has been rebuilt (which development authorisation may be provisional, reserving a decision on a specified matter or specified matters until further assessment); and
- (b) the power to attach to a development authorisation so granted any conditions the Minister for Planning and Local Government may determine should be so attached (including conditions that must be complied with in the future); and
- (c) the power to refuse approval to such development; and
- (d) if a development authorisation so granted is a provisional development authorisation, the power to make a decision on any reserved matter or matters; and
- (e) the power from time to time to vary (or to refuse to vary) a development authorisation so granted (but not so as to authorise development other than for the purposes of rebuilding the Lodge substantially as it was before its destruction or operating it once it has been rebuilt); and
- (f) in relation to a development authorisation so granted or a variation of such a development authorisation, the power from time to time to vary or revoke conditions, or to attach new conditions.

Given under my hand at Adelaide.

## CAPACITY MANAGEMENT PLAN

*Aldinga Payinthe College*

This Capacity Management Plan sets out the conditions for enrolment at Aldinga Payinthe College ("the school") effective for 2022 enrolments.

**Aldinga Payinthe College zones**

A school zone is a defined area from which the school accepts its core intake of students. Aldinga Payinthe College operates a primary campus zone and secondary campus zone.

*Primary Campus School Zone*

Aldinga Payinthe College operates a shared primary school zone with Aldinga Beach B-7 School, within the area bounded by the entire suburbs of Maslin Beach, Port Willunga, Aldinga, Aldinga Beach, Sellicks Beach and the part suburb of Sellicks Hill (west of Culley Road and south to the southern boundary of the City of Onkaparinga).

Families living in the shared primary school zone wishing to enrol their children at Aldinga Payinthe College may be referred to Aldinga Beach B-7 School if capacity is reached in specific year levels. If no vacancies exist at either school applicants will be encouraged to remain at their current school (Year 1 to 6), or referred to other neighbouring schools.

*Secondary Campus School Zone*

The area bounded by the entire suburbs of Maslin Beach, Port Willunga, Aldinga, Aldinga Beach, Sellicks Beach and the part suburb of Sellicks Hill (west of Culley Road and south to the southern boundary of the City of Onkaparinga).

An online map and a search tool to indicate if an applicant's home address is within the primary or secondary campus school zones by enrolment year is available at [www.education.sa.gov.au/findaschool](http://www.education.sa.gov.au/findaschool).

*Student Enrolment Numbers*

As a new school, Aldinga Payinthe College will have a progressive enrolment process. This process will introduce a year level at the start of each school year, beginning in 2022 with Reception through to Year 8.

**Reception**

The number of students entering Reception is limited to **52**. If there are more than 52 applications for enrolment that have met the criteria for enrolment below, applicants living in the primary campus school zone may be shared with Aldinga Beach B-7 School.

**Year 1 to 6**

The once-off Year 1 to 6 intake process will be coordinated by the school.

The number of students entering Year 1 to 2 is limited to **52** students per year level, while Year 3 to 6 is limited to **30** students per year level.

**Year 7 and 8**

The student enrolment ceiling for Year 7 and Year 8 is limited to **192** students per year level, unless there are more applications that have met the enrolment criteria below.

**Supported Learning Centre**

The school's Supported Learning Centre is a regional facility catering for a maximum of **62** students with disability in 2022. The centre will have progressive enrolments from 2022.

**Late applications for Reception from students living in the primary campus school zone**

Families who move into the primary campus school zone or who are already living in the primary campus school zone but lodge their application for enrolment after the end of week 10, term 2 will only have their applications considered if or when vacancies exist, with priority consideration afforded to those applicants already on the school's enrolment register.

**Late applications for Year 1 to 6 from students living in the primary campus school zone**

Families who move into the primary campus school zone or who are already living in the primary campus school zone but lodge their application for enrolment after the last week of June will only have their applications considered if or when vacancies exist, with priority consideration afforded to those applicants already on the school's enrolment register.

If no vacancies exist, the applicants will be encouraged to remain at their current primary school, or referred for enrolment to Aldinga Beach B-7 School or neighbouring schools and placed on the enrolment register.

**YEAR LEVEL: 7 and 8**

Applications for enrolment from parents of prospective Year 7 and Year 8 students require that the student must be enrolled in a government or non-government school in South Australia at the time the parents apply for enrolment through the state-wide registration of interest process (coordinated by the Department for Education).

In these cases, applications will be considered based on the distance of the child's residence from the secondary campus and any other personal needs, such as curriculum (excluding special interest programs), transportation/location convenience, and social/family links.

The school will notify parents by the beginning of week 1, term 4 if a vacancy is available for their child to attend the following school year.

If no vacancies exist, the applicants will be placed on the enrolment register and referred for enrolment to other neighbouring schools.
