Part 1—Preliminary

1—Short title

These regulations may be cited as the *Road Traffic (Miscellaneous) (Roadworks) Variation Regulations 2021*.

2—Commencement

These regulations come into operation on 5 April 2021.

3—Variation provisions

In these regulations, a provision under a heading referring to the variation of specified regulations varies the regulations so specified.

Part 2—Variation of *Road Traffic (Miscellaneous) Regulations 2014*

4—Substitution of Part 2 Division 1

Part 2 Division 1—delete the Division and substitute:

Division 1—Traffic control devices

Subdivision 1—Work areas and work sites

4—Interpretation

(1) In this Subdivision—

Workzone Traffic Management Standards means the *SA Standards for Workzone Traffic Management* published by the Department for Infrastructure and Transport, as in force from time to time.

(2) Unless the contrary intention appears, words and phrases defined in section 20 of the Act have the same respective meanings in this Subdivision (and in clause 3 of Schedule 3) as in that section.

4A—Section 20 of Act not applicable to short term low impact works or certain fire, ambulance, breakdown or other services etc

(1) Section 20 of the Act does not apply to or in relation to—

(a) a public authority or a contractor engaged by a public authority, or an employee of a public authority or of such a contractor, in relation to a work area or work site where workers are engaged at the direction of that authority, contractor or employee to carry out short term low impact works, provided that—

(i) the public authority, contractor or employee complies with Section 8.2 of the *Workzone Traffic Management Standards*; and

(ii) the works are not carried out—

(A) between the hours of 7 am and 9 am, Monday to Friday (inclusive); or

(B) between the hours of 4 pm and 6 pm, Monday to Friday (inclusive); or

(C) if the work area or work site includes a length of road to which a clearway sign applies—during a period referred to above or during any additional period for which the clearway sign applies to that length of road; or

- (b) the following authorities, bodies or persons, in relation to a work area or work site where workers are engaged at the direction of the authority, body or person:
- (i) the South Australian Metropolitan Fire Service, South Australian Country Fire Service or South Australian State Emergency Service, or a member of such an organisation acting in the course of the member's duty;
 - (ii) the SA Ambulance Service Inc, St John Ambulance Australia South Australia Incorporated or any other authority, body or person authorised to provide ambulance services under the *Health Care Act 2008*, or a person providing ambulance services under that Act on behalf of such an authority, body or person;
 - (iii) an authorised officer under the *Emergency Management Act 2004* acting in the course of the officer's duty;
 - (iv) the Australian Federal Police or a member of the Australian Federal Police acting in the course of the member's duty;
 - (v) the Australian Border Force or a member of the Australian Border Force acting in the course of the member's duty;
 - (vi) members of the armed forces of the Commonwealth engaged in police, fire fighting or ambulance duties or duties in connection with the urgent disposal of explosives or any emergency;
 - (vii) employees of Airservices Australia engaged in fire fighting duties or duties in connection with an emergency;
or
- (c) an authority, body or person, in relation to a work area or work site where workers are engaged at the direction of the authority, body or person to—
- (i) provide breakdown or towing services; or
 - (ii) investigate, or provide assistance at the site of, a road accident; or
- (d) the Transport Department or a contractor acting on behalf of the Department, or an employee of the Department or of such a contractor, in relation to a work area or work site where workers are engaged at the direction of the Department, contractor or employee in road clearance work.

(2) In this regulation—

breakdown services include repairing a disabled vehicle, or providing other assistance to enable a disabled vehicle to be driven, or assisting a person to gain access to the person's vehicle;

clearway sign has the same meaning as in the *Australian Road Rules*;

member of the Australian Border Force has the same meaning as in regulation 62;

road clearance work means the removal from a road of material (including trees or other debris, animal remains or any article or material that has fallen from a vehicle) that is interfering with the use of the road by persons or vehicles;

short term low impact works means works that involve the occupation of a road for not more than 20 minutes;

towing services include towing vehicles at the site of an accident or towing vehicles that have broken down or that are unsafely or illegally parked and can legally be removed.

4B—Additional requirements for placement of speed limit signs at work areas or work sites

For the purposes of section 20(3) of the Act, a speed limit sign that is placed on a road by an authority, body or person for the purpose of indicating a maximum speed to be observed by drivers while driving on, by or towards a work area or work site where workers are engaged, or works are in progress, at the direction of that authority, body or person must (in addition to being placed on the road with a relevant authorisation and in accordance with Part 2 of the Act as required by section 20) be placed on the road in accordance with the Workzone Traffic Management Standards.

4C—Fees for roadworks permits

The fee for a roadworks permit is the fee provided for in Schedule 3.

4D—Determination of levels of hazard etc in relation to roadworks

Pursuant to section 20(16) of the Act, the Workzone Traffic Management Standards are prescribed as standards or requirements for determining, for the purposes of section 20—

- (a) whether or not a work area involves—
 - (i) a hazard to workers or a greater than normal level of hazard for persons using the road; or
 - (ii) an unusually high level of hazard to workers or persons using the road; or
- (b) the circumstances in which a portion of road will be taken to be—
 - (i) affected by works in progress; or
 - (ii) used to regulate traffic in relation to works or for associated purposes; or
- (c) the circumstances in which work will be taken to be required to be undertaken by a public authority as a matter of urgency.

5—Variation of Schedule 3—Fees

Schedule 3—after clause 2 insert:

3—Fees for roadworks permits

The fee payable to the Minister (for payment into the Highways Fund under section 21A of the Act) on application for a roadworks permit is \$0.

6—Variation of Schedule 4—Expiation of offences

Schedule 4, Part 2, table—before the item relating to section 40H(5) of the *Road Traffic Act 1961* insert:

21(1a)	<i>Placing speed limit sign on road without relevant authorisation in contravention of section 20(3) or closing portion of prescribed road without roadworks permit in contravention of section 20(5)</i>	\$1 250
21(3)	<i>Holder of approval or roadworks permit failing to comply with condition of approval or permit relating to signs or other traffic control devices used in connection with work area or work site</i>	\$1 250

Note—

As required by section 10AA(2) of the *Subordinate Legislation Act 1978*, the Minister has certified that, in the Minister's opinion, it is necessary or appropriate that these regulations come into operation as set out in these regulations.

Regulation 19—after paragraph (ab) insert:

(ac) the Chief Executive;

6—Insertion of regulation 19A

After regulation 19 insert:

19A—Building envelope plans

- (1) A designated authority may, on application, approve a building envelope plan if the building envelope plan is prepared in accordance with, and is consistent with the criteria set out in, a practice direction issued for the purposes of this regulation by the Commission.
- (2) A designated authority may, on application by a person or body that prepared a building envelope plan approved under this regulation, vary the building envelope plan (and an application for a variation of a building envelope plan will be treated as an application for approval of the building envelope plan under subregulation (1)).

- (3) A building envelope plan, or a variation to a building envelope plan, does not have effect for the purposes of the Planning and Design Code until the building envelope plan, or the varied building envelope plan—
- (a) is submitted to the Chief Executive; and
 - (b) is published by the Chief Executive on the SA planning portal.

Note—

Under section 71(b) of the Act, the Planning and Design Code may refer to or incorporate wholly or partially and with or without modification, a policy or other document published by a prescribed body.

- (4) The Chief Executive is not required to publish a building envelope plan, or a varied building envelope plan, on the SA planning portal if the Chief Executive considers that the building envelope plan, or the varied building envelope plan, is inconsistent with the practice direction referred to in subregulation (1).
- (5) In this regulation—

building envelope plan means a plan that is prepared for the purposes of a division of land (whether the land has been or is to be divided) within a master planned zone and that provides for matters relating to buildings to be constructed on allotments created by the division of land, including—

- (a) building setbacks and envelopes, building heights and floor levels; and
- (b) other criteria relevant to determining whether such buildings fall within a particular class of development;

designated authority, in relation to a building envelope plan, means—

- (a) if the relevant authority for the application for development authorisation for the division of land under section 102(1)(c) or (d) of the Act (the ***division of land authority***) relating to the building envelope plan is the Commission—the Commission; or
- (b) if the division of land authority relating to the building envelope plan is an assessment panel appointed by a joint planning board—the assessment manager appointed by the joint planning board; or
- (c) if the division of land authority relating to the building envelope plan is a regional assessment panel appointed by the Minister—the assessment manager appointed by the Chief Executive for the panel; or
- (d) in any other case—the assessment manager appointed by the chief executive of the council in whose area the building envelope plan is to apply;

master planned zone means—

- (a) the Master Planned Neighbourhood Zone, Master Planned Township Zone or Master Planned Renewal Zone under the Planning and Design Code; or
- (b) any other zone identified by the Commission in a practice direction issued for the purposes of this regulation and published on the SA planning portal.

7—Variation of regulation 21—Minor or operational amendments (section 76)

Regulation 21—after paragraph (e) insert:

- (ea) the Metropolitan Adelaide Road Widening Plan under the *Metropolitan Adelaide Road Widening Plan Act 1972*;
- (eb) a lease, licence or native title mining agreement under the *Mining Act 1971*;

8—Variation of regulation 27—Impact assessed development—categorisation

Regulation 27—before subregulation (1) insert:

- (a1) For the purposes of section 108(1)(b) of the Act, development that involves the establishment of—
 - (a) a wind farm located in marine waters; or
 - (b) a marina of more than 100 berths,is classified as impact assessed development.

9—Variation of regulation 31—Verification of application

Regulation 31(3)—delete subregulation (3)

10—Variation of regulation 53—Time within which decision must be made (section 125(1))

(1) Regulation 53(1)—after paragraph (j) insert:

- (ja) if a prescribed outage occurs in the SA planning portal during a period applying to an application under this subregulation, an additional period equal to the duration of the prescribed outage (as published in a notice under subregulation (8)) must be added to the period that applies under paragraph (a), (b), (c), (d) or (e) (as the case may be) (and, if relevant, paragraph (f)); and

(2) Regulation 53—after subregulation (7) insert:

- (8) If a prescribed outage occurs in the SA planning portal, the Chief Executive must, as soon as is reasonably practicable after the prescribed outage, publish a notice on the SA planning portal that specifies—
 - (a) the date of commencement of the prescribed outage; and
 - (b) the duration of the prescribed outage (expressed in a number of whole business days, excluding any fraction).

(9) In this regulation—

prescribed outage, in relation to the SA planning portal, means a consecutive period of 24 hours or more on 1 business day or consecutive business days during which the SA planning portal is not operating or accessible to users.

- (10) For the purposes of the definition of ***prescribed outage***, business days will be regarded as consecutive regardless of whether they are separated by 1 or more days that are not business days.

11—Variation of regulation 67—Lapse of consents or approvals (section 126(2))

Regulation 67(1)—after "regulation" insert:

(or any extension granted under section 126(3) of the Act)

12—Variation of regulation 103—Certificates of occupancy

Regulation 103—after subregulation (1) insert:

(1a) Pursuant to section 152(1)(a) of the Act, if—

- (a) approval of building work in respect of a Class 1a building under the Building Code was granted under the repealed Act before the commencement of this subregulation; and
- (b) the building work is to be completed on or after that commencement,

a certificate of occupancy is not required in respect of the building.

13—Insertion of regulation 106A

After regulation 106 insert:

106A—Development in Riverbank Zone

For the purposes of section 131(28)(b) of the Act, the part of the *Institutional District* of the City of Adelaide constituted by the whole of the Riverbank Zone is identified.

Note—

Section 131(30) of the Act provides that a regulation under section 131(28)(b) cannot apply with respect to any part of the *Institutional District* of the City of Adelaide that is under the care, control or management of The Corporation of the City of Adelaide.

1—Horticultural netting

- (1) The construction or alteration of, or addition to, a protective tree netting structure on a site if—
 - (a) no part of the protective tree netting structure will be more than 6 m above ground level (depending on where it is situated); and
 - (b) netting visible from the outside of the protective tree netting structure is of a low light-reflective nature, and, in the case of a structure that has side netting, the side netting is of a dark colour; and
 - (c) in the case of a development on a site that is within a Hazards (Bushfire—General Risk) Overlay, Hazards (Bushfire—High Risk) Overlay, Hazards (Bushfire—Medium Risk) Overlay, Hazards (Bushfire—Outback) Overlay, Hazards (Bushfire—Regional) Overlay or Hazards (Bushfire—Urban Interface) Overlay under the Planning and Design Code—the protective tree netting structure provides for access to the site in accordance with subclause (2); and
 - (d) no part of the netting canopy of the protective tree netting structure—
 - (i) will cover native vegetation; or
 - (ii) will be within 5 m of a road (including any road reserve); and
 - (e) the points of attachment of any cables will not be located—
 - (i) outside the boundaries of the site; or
 - (ii) within a watercourse (within the meaning of the *Landscape South Australia Act 2019*); and
 - (f) the protective tree netting structure complies with the requirements set out in subclause (3).
- (2) In connection with subclause (1)(c), a protective tree netting structure complies with the requirement to provide access to the site if—
 - (a) no part of the protective tree netting structure (including cables and points of attachment of cables (known as "auger" or "anchor" points)) will be within 5 m of any boundary of the site; and
 - (b) the protective tree netting structure does not prevent access or movement of vehicles of 4 m height and 3.5 m width (or less) on any access road or track (including fire tracks) on the site.

- (3) The netting canopy of a protective tree netting structure must comply with the following requirements in relation to a dwelling located on an allotment adjoining the site on which the structure is located:
- (a) if the netting canopy nearest the dwelling on the adjoining allotment is 4 m or less above ground level (depending on where it is situated), no part of the netting canopy may be within 10 m of the dwelling;
 - (b) in any other case—no part of the netting canopy may be within 15 m of the dwelling.
- (4) This clause does not apply if—
- (a) the development is in relation to a site where a State heritage place or a local heritage place is situated; or
 - (b) the development is in a Hazards (Flooding) Overlay or Historic Conservation Overlay under the Planning and Design Code; or
 - (c) the development will be built, or will encroach, on an area that is, or will be, required for a sewerage system or waste control system; or
 - (d) the development would be contrary to the regulations prescribed for the purposes of section 86 of the *Electricity Act 1996*.
- (5) In this clause—
- protective tree netting structure*** means netting and any associated structure—
- (a) that is designed to protect trees or plants grown for the purpose of commercial horticulture; and
 - (b) that consists of a netting canopy attached to a structure (such as poles and cables).

PLANNING, DEVELOPMENT AND INFRASTRUCTURE ACT 2016

SECTION 76

Amendment to the Planning and Design Code

Preamble

It is necessary to amend the Planning and Design Code (the Code) in operation at 6 October 2020 in order to make changes of form and to correct errors that relate to:

- the definition of a ‘Retail Fuel Outlet’ in PART 7—Land Use Definitions;
- the application of policies in relation to siting, asset protection and water supply for assessing residential development in areas subject to the Hazard (Bushfire—Regional) Overlay across all applicable zones;
- updating references to regulations under the *Planning, Development and Infrastructure (General) Regulations 2017* as referred to in PART 7—Land Use Definitions;
- updating reference in Footnote 13 to the correct ‘URL’ to link to SAPPa mapping—<http://sappa.plan.sa.gov.au/>;
- updating reference in Footnote 14 to the ‘See also regulation 7 of the *Planning, Development and Infrastructure (General) Regulations*’;
- updating PART 13—Table of Amendments to reflect this Section 76.

PURSUANT to Section 76(1)(a) and (b) of the *Planning, Development and Infrastructure Act 2016*, I—

1. Amend the Code as follows:

- a. Replace the land use definition for a ‘Retail Fuel Outlet’ as contained in Column B of PART 7—Land Use Definitions of the Planning and Design Code, with the following text:

“Means land used for:

(a) the fuelling of motor vehicles involving the sale of petrol, oil, liquid petroleum gas, automotive distillate and any other fuels; and

(b) the sale by retail of food, drinks and other convenience goods for consumption on or off the land; and

both are operated as and constitute one integrated facility where on-site facilities, systems and processes, care parking and access and egress are all shared.

The use may also include one or more of the following secondary activities:

(c) the washing and cleaning of motor vehicles;

(d) the washing of other equipment or things including dogs and other pets;

(e) the provision (on a paid or free basis) of facilities for charging electric vehicles;

(f) the hiring of trailers;

(g) selling of motor vehicle accessories and/or parts; and

(h) the installation of motor vehicle accessories and/or parts.”

- b. Apply PO and DTS/DPF 3.1, 3.2 and 3.3 of the Hazard (Bushfire—Regional) Overlay to the following development types in ‘Table 3—Applicable Policies for Performance Assessed Development’ across all applicable Zones:
- Detached Dwelling
 - Semi Detached Dwelling
 - Row Dwelling
 - Group Dwelling
 - Residential Flat Building
 - SAHT dwelling
 - Dwelling
 - Dwelling addition
 - Ancillary accommodation
- c. Replace reference to ‘Regulation 83A’ made in the land use definition for ‘Temporary Accommodation in an area affected by bushfire’ as contained in Column B of PART 7—Land Use Definitions of the Planning and Design Code, with the following text: ‘regulation 103 of the Planning, Development and Infrastructure (General) Regulations 2017’.
- d. Replace reference to https://test.maps.sa.gov.au/SAPPA_Phase2 in Footnote 13 of PART 1—Rules of Interpretation with the following: <https://sappa.plan.sa.gov.au/>
- e. Replace Footnote 14 of PART 1—Rules of Interpretation with the following: ‘See also regulation 7 of the Planning, Development and Infrastructure (General) Regulations.’
- f. Replace the Table of Planning and Design Code Amendments (PART 13—Table of Amendments), with the contents of ATTACHMENT A.
2. The Section 76 Amendment will come into operation upon being published on the SA planning portal.

Upper Spencer Gulf Regional Assessment Panel Notice 2021

under section 84 of the *Planning, Development and Infrastructure Act 2016*

Part 1—Preliminary

1—Short title

This notice may be cited as the *Upper Spencer Gulf Regional Assessment Panel Notice 2020*.

2—Commencement

This notice comes into operation on 19 March 2021.

3—Interpretation

In this notice—

Act means the *Planning, Development and Infrastructure Act 2016*;

panel means the assessment panel constituted under clause 4;

relevant council means a council for an area in relation to which the panel is constituted.

Part 2—Constitution of assessment panel

4—Constitution of assessment panel

- (1) For the purposes of section 84(1)(a) of the Act, the *Upper Spencer Gulf Regional Assessment Panel* is constituted.
- (2) The panel is constituted in relation to the areas of the following councils:
 - (a) Port Augusta City Council;
 - (b) Port Pirie Regional Council;
 - (c) Whyalla City Council.

Part 3—Core provisions

5—Core provisions

The following provisions are made for the purposes of section 84(1)(e) of the Act.

6—Number of members

The panel will consist of up to five members.

7—Requirements with respect to the appointment of members

A person who is a member of the Parliament of the State is not eligible for appointment as a member of the panel.

8—Procedures for appointment

- (1) The members of the panel will be appointed by the relevant councils taking into account the following requirements:
 - (a) only 1 member of the panel may be a member of a council; and
 - (b) a person appointed as a member of the panel must be an accredited professional—planning level 2.
- (2) Subclause (1)(b) does not apply if—
 - (a) the person is a member of a council; and
 - (b) the relevant councils are satisfied that the person is appropriately qualified to act as member of the panel on account of the persons experience in local government.
- (3) The process to be adopted for appointing a person as a member of the panel must be set out in an agreement entered into between the councils.

9—Term of office

- (1) The term of office of a member of the panel will be up to 2 years.
- (2) A person may continue to act as a member of the panel after the expiration of a term of office for the purpose of completing any matter before the panel at the time of the expiration of the term.
- (3) A member of a panel is eligible for reappointment at the expiration of a term of office.

10—Conditions of appointment

- (1) It will be a condition of appointment of a member of the panel that the member continues to be an accredited professional while holding office (unless such accreditation was not required at the time of appointment).
- (2) An appointment will be subject to such other conditions (including as to their remuneration) as the relevant councils may specify at the time of the appointment of the member.
- (3) The Minister may, on the recommendation of the relevant councils, remove a member of the panel from office—
 - (a) for breach of, or non-compliance with, a condition of appointment; or
 - (b) for misconduct or neglect of duty; or
 - (c) for failure or incapacity to carry out official duties satisfactorily; or
 - (d) for failing to comply with section 84(1)(f) or (g) of the Act; or
 - (e) on the recommendation of the Commission under regulation 11 of the *Planning, Development and Infrastructure (General) Regulations 2017*; or
 - (f) for failure to comply with a condition of appointment set out in a notice of appointment under regulation 11A of the *Planning, Development and Infrastructure (General) Regulations 2017*.

- (4) The office of a member of the panel becomes vacant if the member—
 - (a) dies; or
 - (b) completes a term of office and is not reappointed (subject to the operation of clause 9(2)); or
 - (c) resigns by written notice to the relevant councils; or
 - (d) is convicted of an indictable offence or is sentenced to imprisonment for an offence; or
 - (e) becomes bankrupt or applies to take the benefit of a law for the relief of insolvent debtors; or
 - (f) is removed from office under subclause (3).
- (5) The relevant councils will be responsible for the remuneration payable to a member of the panel under an agreement entered into between the councils.
- (6) When there is a vacancy in the membership of the panel, the relevant councils must take steps to fill the vacancy at the earliest opportunity.
- (7) An act or proceeding of the panel is not invalid by reason only of a vacancy in the membership of the panel.

11—Appointment of deputy members

Each member may have a deputy member and deputy members will be appointed in the same way (and be subject to the same terms and conditions) as ordinary members.

12—Appointment of presiding member and acting presiding member

- (1) The presiding member of the panel will be appointed by the relevant councils.
- (2) The presiding member must be an accredited professional—planning level 2.
- (3) An acting presiding member may be appointed by members of the panel.

13—Procedures of panel

- (1) A quorum at a meeting of the panel consists of a number ascertained by dividing the total number of members by half, ignoring any fraction resulting from the division, and adding 1 (and no business may be transacted at a meeting of the panel unless a quorum is present).
- (2) A decision carried by a majority of the votes cast by members at a meeting is a decision of the panel.
- (3) Each member present at a meeting of the panel is entitled to 1 vote on any matter arising for decision and, if votes are equal, the member presiding at the meeting has a second or casting vote.
- (4) A meeting between members constituting a quorum by telephone or audio-visual means is a valid meeting of the panel if—
 - (a) a notice of the meeting is given to all members of the panel in the manner determined by the panel for the purpose; and
 - (b) the system of communication allows a participating member to communicate with any other participating member during the meeting.

- (5) A resolution of the panel—
- (a) of which notice is given to members in accordance with procedures determined or agreed by members of the panel; and
 - (b) in which at least the majority of members of the panel express their concurrence in writing or by electronic communication,
- will be taken to be a decision of the panel.
- (6) A person who is taken to be a member of the panel under section 85 of the Act is not to be counted or considered for the purposes of subclauses (2), (3) and (5)(b).
- (7) Subject to this clause and any relevant provisions of regulations made under the Act, the procedures to be observed in relation to the conduct of the business of the panel will be determined by the panel.

Part 4—Sharing of costs

14—Sharing of costs

- (1) This clause sets out a scheme for the purposes of section 84(1)(i) of the Act.
- (2) Except as otherwise agreed between the relevant councils, the costs associated with the Assessment Manager for the panel will be borne by the relevant councils in equal shares.
- (3) In the event of a claim against a member of the panel in respect of the performance, exercise or discharge (or purported performance, exercise or discharge) of their functions, powers or duties under the Act as a member of the panel, the relevant council for the area where the particular development is to be undertaken will be liable for the cost of the claim.
- (4) Except as otherwise agreed between the relevant councils, all other costs will be shared between the relevant councils in equal shares.
- (5) The relevant councils may enter into an agreement relating to the incurring of costs by a particular council on behalf of the other councils, and the provision of invoices for the recovery of costs.

CITY OF ADELAIDE

Public Consultation

The City of Adelaide (CoA) gives public notice of its intention to conduct public consultation on the following proposals:

1. Pursuant to section 202 of the *Local Government Act 1999*—granting a 21 year lease to Prince Alfred College for the Bunday's Paddock/Tidlangga (Park 9) Community Sports Building (consultation will include the opportunity to provide feedback on the conditions of use for the Building as set out in the proposed lease agreement), and
2. Pursuant to section 198 of the *Local Government Act 1999*—Amendment to the Community Land Management Plan (CLMP) for Bunday's Paddock/Tidlangga (Park 9).

Under the *Local Government Act 1999*, the CoA is required to undertake public consultation in accordance with its public consultation policy before it may grant a lease over community land, and before it amends a CLMP.

Copies of the draft lease agreement with Prince Alfred College and the proposed CLMP are available for inspection and purchase at the CoA's principal office, 25 Pirie Street Adelaide and the following CoA centres and libraries: Customer Centre at 25 Pirie Street, the City Library, Hutt Street Library, North Adelaide Library, North Adelaide Community Centre, and South West Community Centre at the Minor Works Building.

For further information in relation to the consultation process or to provide feedback on the proposal you can visit:

yoursay.cityofadelaide.com.au anytime or any of the CoA's libraries and community centres (as listed above) during ordinary office hours.

Consultation is open from 5 March 2021. All submissions must be received by 5:00pm, Tuesday, 6 April 2021.

Dated: 4 March 2021

NOTICE SUBMISSION

The South Australian Government Gazette is compiled and published each Thursday.

Notices must be submitted before 4 p.m. Tuesday, the week of intended publication.

All submissions are formatted per the gazette style and proofs are supplied as soon as possible. Alterations must be returned before 4 p.m. Wednesday.

Requests to withdraw submitted notices must be received before 10 a.m. on the day of publication.

Gazette notices should be emailed as Word files in the following format:

- Title—name of the governing Act/Regulation
- Subtitle—brief description of the notice
- A structured body of text
- Date of authorisation
- Name, position, and government department/organisation of the person authorising the notice

Please provide the following information in your email:

- Date of intended publication
- Contact details of at least two people responsible for the notice content
- Name of the person and organisation to be charged for the publication (Local Council and Public notices)
- Request for a quote, if required
- Purchase order, if required
