**Notes**

1. The claim should be in date order, listing all claims based on scale items and including only charges claimable under the costs order.
2. Frequently used abbreviations: eg sol for solicitor, cl for client, ltr for letter and for scale items should be used where possible. The full date in a day/month/year format should be provided for each item: eg. 1/1/16.
3. Disbursements and counsel fees should be claimed as lump sums at the conclusion of the claim, but copies of all accounts for same must be attached and included in the overall figure claimed.
4. The description of each item should be as brief as possible but include enough detail to enable the respondent to make appropriate offers and abbreviated reasons for dispute. For example, names of solicitors etc should be provided, documents drawn or perused and their length should be identified, and the nature of attendances should be briefly described, eg on client, on witness, and their length.
5. It is expected that the completion of this Form will take account of the increases from time to time in the costs contained in the Scale. The claim is to be divided into parts that correspond to the period over which any particular percentage increase is applicable and make provision for the amount of the percentage increase to be added at the end of each part.
