1. The exemption holder will be deemed responsible for the conduct of all persons conducting the exempted activities under this notice. Any person conducting activities under this exemption must be provided with a copy of this notice, which they must have signed as an indication that they have read and understand the conditions under it.
2. The specimens collected or sampled by the exemption holder are for scientific, education and research purposes only and must not be sold. Any specimens not required must be returned to the water immediately.
3. All vessels used pursuant to this exemption must be clearly marked with visible signage indicating the vessel is undertaking research activities.
4. The Ministerial exemption holder or a nominated agent must be in attendance of seine nets at all times while in use pursuant to this notice.
5. The nominated agents of the exemption holder are:
  - Dr Patrick Neil Bowskii Reis dos Santos
  - Mr Koster Georgien Sarakinis
  - Mr William Seow Hua Goh
  - Mr Joseph Widdrington
6. The exemption holder must not collect any specimens for aquaculture research purposes pursuant to this notice.
7. Any protected species taken incidentally while undertaking research under this exemption must be returned to the water immediately.
8. Organisms collected pursuant to this notice must not be released into waters of the State if they have been kept separate to their natural environment for any length of time.
9. Any equipment used to collect and hold fish during the exempted activity must be decontaminated prior to and after undertaking the research activities.
10. At least 1 hour before conducting activities under this exemption, the exemption holder, or nominated agent, must contact the Department of Primary Industries and Regions (PIRSA) Fishwatch on 1800 065 522 and answer a series of questions about the exempted activity. The exemption holder or nominated agent will need to have a copy of this notice in their possession at the time of making the call and be able to provide information about the area and time of the exempted activity, the vehicles and/or boats involved, the number of persons assisting with undertaking the exempted activity and other related questions.
11. The exemption holder must provide a report in writing detailing the activities carried out pursuant to this notice to PIRSA, Fisheries and Aquaculture (GPO Box 1625, Adelaide SA 5001) within 14 days of the activity being completed with the following details:
  - the date and location of sampling;
  - the gear used;
  - the number and description of all species caught and their fate;
  - the number and description of any samples/biopsies collected;
  - any interactions with protected species and marine mammals; and
  - any other information regarding size, breeding or anything deemed relevant or of interest that is able to be volunteered.

Or if no research activities are undertaken, the exemption holder must provide a report to that effect to PIRSA within 14 days of expiry of this exemption.

12. While engaging in the exempted activity, the exemption holder and nominated agents must be in possession of a copy of this exemption. The exemption must be produced to a PIRSA Fisheries Officer, if requested.
13. The exemption holder or nominated agents must not contravene or fail to comply with the *Fisheries Management Act 2007* or any regulations made under that Act, except where specifically exempted by this notice.

This notice does not purport to override the provisions or operation of any other Act including, but not limited to, the *Marine Parks Act 2007*, the *National Parks and Wildlife Act 1972* and the *Adelaide Dolphin Sanctuary Act 2005*. The exemption holder and her nominated agents must comply with any relevant regulations, permits, requirements and directions from the Department for Environment and Water when undertaking activities within a marine park, national park or specially protected area.

#### *Waste Management By-Law 2022—By-law No. 7 of 2022*

To regulate and control the removal of general waste, recyclables and organics from premises, for the prevention and suppression of nuisances, and for regulating the management of property of the Council.

#### **Part 1 – Preliminary**

##### 1. Short Title

This by-law may be cited as the *Waste Management By-law 2022*.

##### 2. Commencement

This by-law will come into operation four months after the day on which it is published in the *Gazette* in accordance with Section 249(5) of the *Local Government Act 1999*.

##### 3. Definitions

In this by-law:

3.1 **Council** means the Copper Coast Council;

3.2 **general waste** means any kind of waste generated from premises, but excludes organics, liquids, metals, recyclables, building materials, stones, bricks, soil, lead, batteries and any hazardous or toxic waste;

3.3 **general waste container** means a container for the reception of general waste;

3.4 **organics** means any organic matter, free of any excess soil, consisting of lawn clippings, plants, vegetables, eggs, shells, noxious weeds, food, bones, leaves, prunings, animal waste or other materials as specified by the Council;

3.5 **organics container** means a container for the reception of organics;

3.6 **recyclables** means newspapers, magazines, paper, cardboard, plastic containers of a type specified by the Council, tins, cans, glass, milk and juice containers, solid plastic material and other materials as specified by the Council;

3.7 **recyclables container** means a container for the reception of recyclables.

#### **Part 2 – Waste Collection**

##### 4. Containers

Every occupier of premises must keep on the premises a general waste container, recyclables container and organics container, as approved by the Council.

##### 5. Management of Waste Collection Service

An occupier of premises must:

###### 5.1 General Waste

5.1.1 ensure that the general waste container kept on the premises is approved by the Council; and

5.1.2 ensure that the general waste container contains only general waste;

###### 5.2 Recyclables

5.2.1 ensure that the recyclables container kept on the premises is approved by the Council; and

5.2.2 ensure that the recyclables container contains only recyclables;

###### 5.3 Organics

5.3.1 ensure that the organics container kept on the premises is approved by the Council; and

5.3.2 ensure that the organics container contains only organics;

###### 5.4 Keep Container Clean

cause each container to be kept in a clean and sanitary condition, maintained in good order and repair, and kept waterproof at all times;

###### 5.5 Sealing of Container

cause the lid of each container to continuously and securely cover the container body, except when waste is being deposited in or removed from the container;

###### 5.6 Damage

ensure that each container is maintained so that it is not damaged or worn to the extent that:

5.6.1 it is not robust;

5.6.2 the container body is not watertight;

5.6.3 it is unable to be moved on its wheels efficiently;

5.6.4 the lid does not seal on the container when closed;

5.6.5 its efficiency or use is otherwise impaired;

###### 5.7 Collection Services

5.7.1 facilitate the collection and removal of general waste, recyclables or organics from the premises on the day of or the night before (and not before these times) the scheduled collection day; and

- 5.7.2 ensure that, prior to the time appointed by the Council for the collection of a particular kind of general waste, recyclables or organics from the premises, the container containing that kind of waste is placed out for collection in a position:
- 5.7.2.1 on the street in front of and on the same side as the premises, abutting the edge of (but not on) the carriageway and positioned so that the side of the container on which the hinges of the lid are situated faces the premises; and
  - 5.7.2.2 as approved or directed by the Council or its contractor; and
  - 5.7.2.3 not under the overhanging branches of street trees; and
  - 5.7.2.4 clear of parked cars; and
  - 5.7.2.5 so that each container is 1.5 metres apart;
- 5.7.3 remove the container from that position on the same day after the collection has taken place.
6. Interference With Waste

A person must not remove, disturb or interfere with any general waste, recyclables or organics that has been placed for disposal in a general waste container, recyclables container or organics container.

The foregoing by-law was duly made and passed at a meeting of the Council of the Copper Coast Council on the 6<sup>th</sup> day of April 2022 by an absolute majority of the members for the time being constituting the Council, there being at least two thirds of the members present.
