17. The Driver must not do anything which would cause the Operator or the holder of a Licence for any Access Taxi driven by the Driver to be in breach of their conditions of Accreditation or Licence conditions.
18. The Driver must commence all pre-booked allocated or assigned Access Taxi Services promptly at the booked time.
19. The Driver must not perform Taxi Services which are Out of Zone except when directed or otherwise approved by the CBS.

If the wheelchair, scooter, or other large (ride-on) mobility aid cannot be secured, the Driver must ensure the passenger is safely secured in a passenger seat within the Access Taxi. If the passenger cannot be safely secured in the Access Taxi, the Driver must immediately notify and comply with any directions of the CBS and must not perform the Access Taxi Services.
21. Prior to providing Access Taxi Services, the Driver must complete an appropriate course of training recognised by the Minister.
22. The Driver must undertake such additional training in relation to the Access Taxi, the operation of the Access Taxi and the delivery of Access Taxi Services as may be required by the Minister from time to time.
23. A certificate of completion of training under clauses 21 and 22 of these conditions of accreditation must be made available to the Minister within 7 days of request.

- does not include the lifting fee as part of the fare component to be paid in full or part by the passenger or display the lifting fee in such a manner as to imply the passenger is liable for any payment of the lifting fee;
- may record the lifting fees on the taxi-meter totals for a shift or other appropriate time period; and

- may display the lifting fee on the face of the taxi-meter, but where it does so, it must indicate a lifting fee applies to the trip and is paid by the Government of South Australia.

1.3. Tariffs – Schedule 3, clause 1 of the Regulations

- Tariff 1 and Tariff 2 as set out in clause 1 of Schedule 3 of the Regulations must be used for calculating the legal fare.
- For ease of meter programming and audit purposes, the lifting fee together with the legal fare payable on Tariff 1 and Tariff 2 in clause 1 of Schedule 3 to the Regulations, may be respectively displayed on the taxi-meter and in records as Tariff 5 and Tariff 6. In all other respects, Tariff 5 and Tariff 6 will be taken to be respectively Tariff 1 and Tariff 2 for the purposes of determining and charging the legal fare.

CERTIFICATE OF BUILDING INDEMNITY INSURANCE:

Domestic building work must not commence before a copy of the certificate of building indemnity insurance has been lodged with the relevant authority. The required certificate of insurance must be lodged on or before the notice of intended commencement of building work is provided (regulation 36).

Certificate of building indemnity insurance received: ☐ YES ☐ NO

REQUIRED NOTIFICATIONS:

You are advised that notice and/or documentation must be provided to council when the following stages of building work are reached (regulation 93):

- ☐ One day's notice of the intended commencement of building work (mandatory)
- ☐ One or two days' notice (*as relevant depending on location of the development*) of the commencement of the following stages of building work:
[Click here to enter text.](#)
- ☐ One day's notice of the intended commencement of the installation of a designated building product on a designated building (if applicable)
- ☐ Provision of a completed supervisor's checklist in relation to the installation of a designed building product on a designated building (if applicable)
- ☐ One business day's notice of the intended completion of the following stages of work:
[Click here to enter text.](#)
- ☐ Notice of completion of the building work, including a completed Statement of Compliance and relevant documentation as set out on this Decision Notification Form (mandatory)

Note regulation 57(7) allows the relevant authority issuing the notice to specify any additional stage of building work for which notice must be given to the council under regulation 93.

Where a building certifier is issuing the building consent the use of this regulation is to inform the council of stages of work when a notification should be provided and an inspection may occur at the council's discretion. If applicable, notifications specified under regulation 57(7) are therefore intended to be in addition to mandatory notifications and any notifications specified by council under regulation 93(1)(b) or (c) when issuing the final Development Approval.

STATEMENT OF COMPLIANCE:

A Statement of Compliance is required at the completion of all building work, except in respect of a Class 10 building other than a swimming pool or private bushfire shelter.

The following certificates, reports or other documents must be provided to the building certifier or council (as relevant) with the completed Statement of Compliance under regulation 57(8)(c).

[Click here to enter text.](#)

A blank copy of the Statement of Compliance is available on the SA planning portal. The Statement of Compliance and other required documents may be uploaded to the SA planning portal on completion.

BUILDING OCCUPATION/COMPLETION:

A Certificate of Occupancy issued under section 152 is required for this building before it can be occupied:

☐ YES ☐ NO

The Certificate of Occupancy will be issued by:

☐ the building certifier; OR

☐ the council

Note section 152 of the Act and regulation 103, requires a Certificate of Occupancy to be issued before a building can be occupied. A Certificate of Occupancy is not required for a Class 10 building or for a Class 1a building where the application for building consent is lodged and verified within the SA planning portal before 1 October 2024. In the meantime, a person must not occupy a Class 1a building for which a Certificate of Occupancy is not required unless it meets the minimum standards for occupancy under regulation 103H(2).

Completion of a building will be signalled by the receipt of the Statement of Compliance required for that building, or the final Statement of Compliance where multiple statements are required.

Section 152(2) of the Act states that 'A certificate of occupancy will be issued by council', noting that section 154 allows a building certifier to exercise this power should they elect to, where either: the building is owned occupied by the Crown or an agency or instrumentality of the Crown; or if they issued the building rules consent for that building.

The authority above – either building certifier or council – will therefore be responsible for issuing this Certificate following receipt of the Statement of Compliance and other documentation as required to provide assurance that the building is suitable for occupation.

Note the default authority for issuing this Certificate remains the council, should there be no building certifier or if the certifier elects not to issue this Certificate, noting that a council may still elect not to issue a certificate, if the council is not satisfied the building is suitable for occupation under section 152(6) of the Act.

THE REMUNERATION TRIBUNAL

REPORT—NO. 9 OF 2023

2023 Review of Accommodation Reimbursement and Allowances for Country Members of Parliament

INTRODUCTION

1. The Remuneration Tribunal (**Tribunal**) has conducted a review of Determination 18 of 2022, which provides for eligible members of Parliament to claim allowances or reimbursements for accommodation costs from commercial accommodation or a second residence in Metropolitan Adelaide.
2. As explained in this report, the Tribunal has determined to increase the commercial accommodation reimbursement by 1.5%, the second residence accommodation payment by 4.4% and to introduce a new category of non-commercial accommodation. The Tribunal has issued an accompanying determination, which applies from 1 January 2024.

BACKGROUND

3. The country members accommodation determination exists to facilitate journeys of an official nature from a country member's principal place of residence to Adelaide. The determination operates such that country members are not disadvantaged for fully and properly carrying out their official parliamentary, electoral, community or ministerial duties in Adelaide.
4. The Tribunal's Report 9 of 2020 contains extensive information about the history of the country members accommodation reimbursement/allowance. We do not propose to reproduce that information in this report.
5. In 2020 the Tribunal implemented significant changes by moving the system from an allowance based one to a reimbursement and allowance based arrangement. In particular, it adopted a reimbursement system for commercial accommodation expenses and an allowance based approach for those country members of Parliament who purchase, or rent on a long term basis, a second Adelaide based residence to enable them to undertake their parliamentary, community and electoral duties.
6. In 2021 the Tribunal made some changes to the administrative requirements for the reimbursement and allowance payment arrangements.
7. In 2022 the Tribunal commented that it believed administrative improvements could conceivably be made to the system, particularly in relation to the reporting arrangements. It also noted its intention to put out a draft proposal ahead of the next review:

THE REVIEW PROCESS

8. On 1 June 2023, in accordance with sections 10(2) and 10(4) of the *Remuneration Act 1990* (SA) (**Act**), the Tribunal wrote to and invited submissions by 29 June 2023 in respect of this review from:
 - a. the Honourable Premier of South Australia – as the Minister responsible for the Act who may make submissions or introduce evidence on any question relevant to the public interest;
 - b. members of Parliament;
 - c. the Treasurer; and
 - d. the Independent Commissioner Against Corruption (**ICAC**).
9. The Tribunal also advertised its intention to review Determination 18 of 2022 on its website from 1 June 2023. Submissions were also invited by 29 June 2023.
10. Consistent with the comments made in Report 18 of 2022, the Tribunal included a consultation paper that contained some options for consideration by those wishing to make submissions. Those options, in summary, included:
 - 1) Simplifying the current determination
 - 2) Returning to the previous allowance scheme
 - 3) Making no changes to the current determination
 - 4) Implementing a fixed yearly allowance amount
11. The Tribunal advised in the consultation paper that it was of the preliminary view that option 1, simplifying the current determination, increased transparency and accountability through improvements made to the reporting arrangements, whilst also simplifying the current scheme.
12. Attached to the consultation paper was a draft determination reflecting option 1. Details of the other options were discussed in the consultation paper, with other questions posed at the end of the paper for consideration.
13. Submissions were invited on the options put by the Tribunal as well as other alternate approaches that were not contained within the consultation paper. Importantly, submissions were not limited to the options contained within the consultation paper.
14. On 21 June 2023, the ICAC, the Hon Ann Vanstone KC, sent a letter referring to her submission from previous years for a fixed yearly allowance, which she considered would streamline the process. She observed that the processes demanded by the draft determination of option 1 would result in the expenditure of a disproportionate amount of time by the member, his or her staff, parliamentary officers and Shared Services.
15. On 28 June 2023, the Premier's representative confirmed that no submission would be made.

Opposition Members Submission

16. On 29 June 2023, a written submission was received from Opposition Members.
17. Opposition Members submitted firstly, that the determination should include a statement of purpose, rather than codifying criteria and secondly that the Tribunal should adopt the recommendations and observations of the ICAC set out in the Commissioner's letters dated 14 July 2021 and 29 June 2022 respectively.
18. Opposition Members advised that country members who are Ministers, Shadow Ministers, Members of the Legislative Council or who hold other offices may be required to spend more nights working in Adelaide than at their usual place of residence. Furthermore, that the only office provided for Members of the Legislative Council is located in Parliament House.
19. Historically Parliament incorporated overnight accommodation quarters for country members within the building itself. The provision of accommodation is a core component of country members capacity to serve their constituents. Nowadays, country members set up routines to establish a sustainable home away from home. This may include sharing accommodation with family or colleagues and making other long-term arrangements, for example buying or leasing city accommodation, rather than booking night by night commercial accommodation.
20. Opposition Members adopt the earlier ICAC's recommendation of 14 July 2021 that the current regime ought to be replaced with an allowance and applied in increments according to relevant responsibilities. Such a model would eliminate uncertainty and would add transparency of remuneration of members of Parliament. Opposition Members share ICAC's doubts that there is a valid reason to discriminate between members of Parliament who incur accommodation costs at hotels as against those who choose to keep a second residence in Adelaide. Furthermore, a distinction ought to be drawn between transparency on the one hand and privacy on the other hand. There being a clear public interest in ensuring transparency of remuneration but not the particular living arrangements of a member of Parliament, which includes country members.
21. Opposition Members submit that the definition of terms in the determination appear to contemplate a non-exhaustive and wide range of ways and reasons to stay overnight in Adelaide, with the utility of doing so not being clear. In their view, it is problematic to codify certain categories of a country member's duties, as codification risks circumscribing the role of a country member in a way that is not elsewhere so circumscribed.
22. Opposition Members also sought to make oral submissions and therefore a hearing was held on 19 July 2023. Joshua Teague MP and David Basham MP appeared on behalf of Opposition Members. They reiterated the written submissions.

Clerk of the House of Assembly

23. On 25 July 2023, the Tribunal received a submission from the Clerk of the House of Assembly.
24. The Clerk's submission was limited to the proposed insertion of a clause that requires the Clerk of the House to cause to be tabled the claim forms, not the signed statutory declarations, in each House of Parliament.
25. The Clerk advised that since early in the financial year 2020-21, both Houses of Parliament have published on the SA Parliament website monthly Country Members Accommodation Reimbursement and Allowance consolidated reports. This reporting function was a direct response to a statement made in the House of Assembly by Speaker Tarzia on 22 September 2020, that claims for the Country Members' Accommodation Allowance and the Leader of the Opposition's travel be published on the Parliament's website each month.
26. Furthermore, if claim forms were tabled, they contain details such as the name of the commercial accommodation being used, the address of the member's usual place of residence and/or second residence. On 21 July 2020, Speaker Tarzia tabled advice from SAPOL regarding the publishing of members addresses. That advice stated that public access to members details such as their address presents a risk to members.

CONSIDERATION

27. The Tribunal is not persuaded that the fundamental nature of this allowance should be changed to reflect an administratively simple allowance payment. Taking into account the contentious history of this allowance system, the Tribunal remains committed to a system that has a significant level of accountability. Changes to make this as administratively efficient as possible are advantageous but accountability mechanisms continue to be of paramount significance.
28. The Tribunal is of the view that Determination 18 of 2022 could be amended to simplify and clarify the eligibility requirements for claiming a country members accommodation reimbursement or allowance. It has therefore rearranged various parts of the determination, consistent with the draft determination that accompanied the consultation paper. In effect, the overall entitlement to make a claim has not significantly changed.
29. Part A now clearly sets out the options available to a member of Parliament whose principal place of residence is greater than 75kms by road from Parliament House, by the most direct route. In this instance, the member has access to three different options. The first is to claim a commercial accommodation reimbursement, which is short term accommodation in a commercial establishment, which now includes Airbnb or a similar platform. The second option is to receive payment for staying at a second residence in Metropolitan Adelaide and the third is a new category, non-commercial accommodation.
30. Non-commercial accommodation provides a mechanism for members of Parliament to claim a set allowance for staying with family or friends on the basis that it is likely that members incur some costs in doing so. Those costs may include commercial meal costs or simply a contribution to their hosts. The intention is to provide another option to members, on the basis that the amount payable to a member is significantly less than the other two options.
31. The claim limit for Part A claims, regardless of the type of claim made, is currently 135 nights. The Tribunal has determined to continue to apply this limit. It recognises there is a new category of claim, non-commercial accommodation. However, the intention of this new category is to increase the options available for country members, not to increase the number of nights of accommodation available. Evidence that satisfactorily establishes a requirement for increased nights in Adelaide has not been provided to the Tribunal.
32. Part B applies to a member of Parliament whose principal place of residence is less than 75kms by road from Parliament House, by the most direct route, but is outside of Metropolitan Adelaide. A commercial accommodation reimbursement is the only option available to Members who fall within this category. The claim limit of 15 nights, per financial year, continues to apply.
33. Part C is a newly created section of the determination. It takes the evidence requirements listed in various clauses of Determination 18 of 2022 and lists them more easily in one place by categorising them in relation to the claim being made (commercial accommodation reimbursement, second residence payment, non-commercial accommodation allowance). Furthermore, clause 11.1.4 makes it clear that a member of Parliament cannot commercially rent out their principal place of residence or second residence if they wish to make a claim.
34. One element of the determination that the Tribunal has decided to amend is the landmark that is used to determine the distance required in order to be eligible to make a claim. The current landmark is the General Post Office at Adelaide (GPO). The Tribunal

is of the view that using Parliament House as a landmark, rather than the GPO, better aligns with the primary purpose of the determination and as such has amended the determination in this regard.

35. The Tribunal also proposed, in the consultation paper and draft determination, a clause stating that the Clerk of the House shall cause a copy of the claim forms to be tabled in each House of Parliament. The Tribunal notes the submission made by the Clerk of the House of Assembly that consolidated details of the claims are already published on Parliament's website as a result of a statement made in 2020 by Speaker Tarzia. As such, the Tribunal has determined not to include this clause. The Tribunal agrees with the position that the address of members of Parliament need not be publicly disclosed.
36. In relation to the Opposition Members submission, the Tribunal has not been convinced that the determination should merely be a statement of purpose, rather than a codifying criteria and, further, that a fixed yearly allowance should apply as first suggested by the ICAC in 2021. The Tribunal is primarily concerned with having a system that is transparent and ensures public accountability. Whilst it recognises the concerns raised in relation to privacy, it is of the view that the scheme that has been implemented strikes a balance between the need for transparency and privacy.
37. Whilst the Tribunal has not accepted the Opposition Members submission, it has decided to include a purpose at the beginning of the determination to make it clear to those administering it that the purpose is to provide a mechanism for members of Parliament who meet the eligibility criteria to make a claim for expenditure incurred when staying in Metropolitan Adelaide for the primary purpose of performing either parliamentary, electoral, community or ministerial duties.
38. Finally, given the wording of the determination has been simplified, this has allowed the interpretation section to be reduced to only terms that require a definition. For example, some of the terms that have been removed include 'Overnight Accommodation Costs', 'Country Members', and 'House of Parliament'.

Amounts

39. The Tribunal has reviewed the determination amounts in the context of the following data on cost increases.
40. The Consumer Price Index (All groups Adelaide) shows the following percentage changes from the corresponding quarters of previous years:
 - i. 8.6% for December 2022
 - ii. 7.9% for March 2023
 - iii. 6.9% for June 2023
 - iv. 5.9% for September 2023
41. The Tribunal has also had regard to the Australian Taxation Office Taxation Determinations TD2022/10 and TD2023/3, which respectively set for taxation purposes reasonable accommodation, meal and incidental expenses for the 2022-23 and 2023-24 income years. The Tribunal has noted there was an overall increase of 1.16% to 1.81% for the daily total (which includes accommodation, meals and incidentals), with the exception of Hobart which had an 11.26% increase to the daily total. The Tribunal has also taken note of interest rate movements.
42. Having regard to these factors, the Tribunal has decided to increase the commercial accommodation reimbursement amount by 1.5%. The Tribunal has also decided to increase the second residence payment by 4.4%. The new category of non-commercial accommodation will be set as \$89. The Tribunal will be interested to review the uptake of the non-commercial accommodation allowance at the next review. The increases and new non-commercial accommodation allowance will apply from 1 January 2024.

BACKGROUND

3. On 31 August 2023, in accordance with sections 10(2) and 10(4) of the Act, the Tribunal wrote to and invited submissions by 15 September 2023 in respect of this review from:
 - a. the Honourable Premier of South Australia – as the Minister responsible for the Act who may make submissions or introduce evidence in the public interest
 - b. the Judicial Remuneration Coordinating Committee (JRCC)
 - c. members of the judiciary and relevant office holders
4. The Tribunal also placed a notice on its website from 31 August 2023 inviting submissions from affected persons by 15 September 2023.
5. The JRCC provided a written submission on 14 September 2023, on behalf of:
 - a. the Chief Justice, Judges of Appeal, Judges and Masters of the Supreme Court;
 - b. the Chief Judge, Judges and Masters of the District Court;
 - c. the Chief Magistrate and the Magistrates of the Magistrates Court;
 - d. the State Coroner and Deputy Coroner;
 - e. the Commissioners of the Environment, Resources and Development Court; and
 - f. the President and Deputy Presidents of the South Australian Employment Tribunal.
6. In summary, the JRCC submitted that:
 - a. The Tribunal should continue to set judicial salaries in accordance with the national framework.
 - b. In conformity with that policy the salary of a Puisne Judge of the Supreme Court of South Australia should be increased to \$500,140 per annum.
 - c. The salary of the other judicial members and officers should be increased by no less than the percentage increase applicable to the salary of a Puisne Judge of the Supreme Court.
 - d. The increase should operate from 1 September 2023.
7. On 25 September 2023, after an extension was granted, the Premier's representative confirmed that the Premier did not intend to make a submission.
8. No submissions were received in relation to the communication and security allowance.

CONSIDERATION AND CONCLUSION

9. The Tribunal has considered the current judicial salaries across the Commonwealth and States and Territories, as set out below:

Jurisdiction	Supreme Court Judge Salary	Operative Date
Commonwealth (Federal Court Judge used)	\$500,140	1 July 2023
New South Wales*	\$497,580	1 July 2023
Northern Territory	\$500,140	1 July 2023
Australian Capital Territory**	\$500,140	1 July 2023
Victoria**	\$500,140	Date to be fixed
Queensland**	\$500,140	1 July 2023
Tasmania***	\$486,810	1 July 2023
Western Australia	\$471,247	1 March 2023
SA (salary prior to this Determination)	\$480,900	1 September 2023

*Noting that the salaries of office holders in the Judges and Magistrates Group is subject to a statutory wage freeze until 1 July 2025 – see 2023 Annual Determination Judges and Magistrates Group.

**These salaries are directly linked by legislation to the salary of a Federal Court Judge, under section 37U of the *Supreme Court Act 1933* (ACT), section 5 of the *Judicial Entitlements Act 2015* (Vic) and section 5 of the *Judicial Remuneration Act 2007* (Qld). The effective date of the increase for Victoria is yet to be fixed in accordance with the Victorian Act.

***This salary is set by a statutory formula under section 7 of the *Supreme Court Act 1887* (Tas), being 90% of the average of the salaries of the Chief Justices of South Australia and Western Australia

10. The Tribunal has had regard to the principles, guidelines, conditions, practices and procedures adopted by the South Australian Employment Tribunal under Part 4 of the *Fair Work Act 2009* (SA), as required by section 101 of that Act.
11. The Tribunal has also taken the following economic data into account:
 - a. The Consumer Price Index (All groups Adelaide) shows the following percentage changes from the corresponding quarters of previous years:
 - i. 8.6% for December 2022
 - ii. 7.9% for March 2023
 - iii. 6.9% for June 2023
 - iv. 5.9% for September 2023
 - b. The Australian Bureau of Statistics Wage Price Index (Public Sector in South Australia) shows the following percentage changes from the corresponding quarters of previous years:
 - i. 2.7% September 2022
 - ii. 2.9% December 2022
 - iii. 2.3% March 2023
 - iv. 2.6% June 2023
 - v. 1.8% September 2023
 - c. As at August 2023 the Reserve Bank of Australia forecast of the Consumer Price Index was as follows:
 - i. 4 ¼ % for December 2023
 - ii. 3 ½ % for June 2024

- iii. 3 ¼ % for December 2024
 - iv. 3% for June 2025
 - v. 2 ¾ % for December 2025
12. The Tribunal continues to adopt a cautionary approach to inflationary movements.
 13. As is evident in previous reports of the Tribunal, there has been a long-standing practice of aligning judicial remuneration in South Australia with the national framework, whilst preserving the discretion to adopt an independent position. This means that while the Tribunal has, since 2012, determined increases with the effect of aligning the salary of a puisne Judge of the Supreme Court to that of a Judge of the Federal Court, this should not be interpreted as a commitment to automatically link the salaries of these positions in the future.
 14. Determining salaries within the national framework still requires the Tribunal to appropriately consider and have regard to all the differing factors in the different jurisdictions and, where appropriate, the value of the work of a particular judicial office. For the avoidance of doubt, when considering the national framework, the Tribunal only has regard to the salary of a Federal Court Judge. It does not consider the additional allowances provided to Judicial Officers within that framework.
 15. Accordingly, the Tribunal has decided that it is appropriate to increase the salary of a Puisne Judge of the Supreme Court to \$500,140, which reflects the salary of a Judge of the Federal Court and also the median salary of Supreme Court Judges in all states and territories other than South Australia. This is a 4% increase. The Tribunal has decided to increase the other salaries within the scope of this review by the same rate.

Operative date

16. The JRCC sought that the operative date of any increase awarded by the Tribunal be fixed as 1 September 2023. The JRCC noted that this is consistent with the approach taken by the Tribunal last year.
17. The Tribunal considers it appropriate to continue the long-standing practice of aligning judicial remuneration in South Australia with the national framework, whilst preserving the discretion to adopt an independent position. While this alignment continues the Tribunal also considers it appropriate to adopt a consistent date of 1 September for the annual review of judicial remuneration. Accordingly, we have determined this determination will take effect from 1 September 2023.

Communication Allowance

18. A communication allowance of \$1,254 per annum is paid to eligible office holders in respect of their expenditure on mobile and landline telephones, and internet usage, connected with their duties.
19. This rate was set in 2013 and has not been increased since. Last year the Tribunal noted in its report that it would be aided by information on cost increases over recent years and information about typical annual costs incurred by office holders in relation to telephone and internet usage.
20. No information was provided and as such the Tribunal has determined that the Communication Allowance will continue to be \$1,254 per annum.
21. The Tribunal continues to be open to receiving information, from office holders to whom the Determination applies, about the adequacy of the Communication Allowance.

Security Allowance

22. Similar to the Communication Allowance, the Tribunal noted in its report last year that it would be aided by information on what the allowance is being spent on and whether the rate of the allowance is sufficient for its designated purpose – noting that it was never the intention for this allowance to cover all possible costs of this nature.
23. The Tribunal did not receive any submission in relation to the Security Allowance and therefore has determined that the amount of \$1,025 per annum will continue to apply.
24. As was the case last year, the Tribunal would be aided by receiving information from office holders about the adequacy of the Security Allowance. The Tribunal reiterates that it is open to receiving applications for an increase to the Security Allowance at anytime of the year. Office holders should not wait until the next review and indeed if there are sufficient reasons that warrant an increase to the allowance, these should be brought to the Tribunal's attention.

THE REMUNERATION TRIBUNAL

REPORT—No. 11 of 2023

*2023 Review of Salary Sacrifice Arrangements for
Judges, Court Officers and Statutory Officers***INTRODUCTION**

1. The Remuneration Tribunal (**Tribunal**) has conducted a review of Determination 10 of 2022 which provides for salary sacrifice arrangements for Judges, Court Officers and Statutory Officers covered by the determination.
2. As explained in this report, the Tribunal has determined that Determination 10 of 2022 will continue to apply, with parties being at liberty to make an application requesting amendments at any time prior to the next review in 2024.

THE REVIEW PROCESS

3. On 31 August 2023, in accordance with sections 10(2) and 10(4) of the *Remuneration Act 1990* (SA) (**Act**), the Tribunal wrote to and invited submissions by 15 September 2023 in respect of this review from:
 - a. the Honourable Premier of South Australia – as the Minister responsible for the Act who may make submissions or introduce evidence in the public interest
 - b. the Judicial Remuneration Coordinating Committee (**JRCC**)
 - c. members of the judiciary and relevant office holders covered by Determination 10 of 2022
4. The Tribunal also placed a notice on its website from 31 August 2023 inviting submissions from affected persons by 15 September 2023.
5. On 5 September 2023, the Electoral Commissioner confirmed that he would not be making a submission on this occasion.
6. On 6 September 2023, the Deputy Auditor-General confirmed that the Auditor-General would not be making a submission in relation to this review.
7. The JRCC provided a written submission on 14 September 2023, on behalf of:
 - a. the Chief Justice, Judges and Masters of the Supreme Court;
 - b. the Chief Judge, Judges and Masters of the District Court;
 - c. the Judges and Magistrates of the South Australian Employment Tribunal;
 - d. the Chief Magistrate and the Magistrates of the Magistrates Court;
 - e. the State Coroner and Deputy Coroner;
 - f. the Commissioners of the Environment, Resources and Development Court; and
 - g. the President and Deputy Presidents of the South Australian Employment Tribunal.
8. The JRCC submitted that the Tribunal should review the determination of the salary sacrifice arrangements in the usual way and otherwise make a determination that reflects the terms of Determination 10 of 2022.
9. On 25 September 2023, after an extension was granted, the Premier's representative confirmed that it had liaised with the Office of the Commissioner for Public Sector Employment and that no submission is being made at this point in time.

CONSIDERATION AND CONCLUSION

10. Last year, the Tribunal stated the following at paragraph 12 of Report 10 of 2022:

“The Tribunal is aware that a procurement process is currently underway to establish a new across government Panel Agreement for salary sacrifice, as the existing Agreement is due to expire on 30 June 2023. The Tribunal has been informed that when the current Panel Agreement expires, office holders and public sector employees who wish to make pre-tax voluntary superannuation contributions to their chosen superannuation fund will need to do this via payroll. It will not be possible to make such contributions through a Panel Member. The Tribunal understands that these changes will not diminish any ability to salary sacrifice to superannuation, but instead would change the process for doing so.”
11. The Tribunal has not received any submissions requesting changes be made to the current arrangement contained in Determination 10 of 2022.
12. Affected parties, the Premier, the Office of Commissioner for Public Sector Employment or any other agency who oversees or administers the current arrangement contained within Determination 10 of 2022 may apply to the Tribunal at any time to seek that the determination be amended. The Tribunal would like to highlight that parties do not need to wait until the next review to request that changes be made and, indeed, the Tribunal should be notified if changes are made to salary sacrifice arrangements within the public sector that require a review of Determination 10 of 2022. The Tribunal is prepared to make changes to the administrative arrangements contained within the Determination at any time necessary.
13. Given the Tribunal has not been requested to make any changes to the current arrangement, it has determined that Determination 10 of 2022 will continue in operation:

THE REMUNERATION TRIBUNAL

REPORT—NO. 12 OF 2023

2023 Review of Berri Country Magistrate Housing Allowance

INTRODUCTION

1. The Remuneration Tribunal (**Tribunal**) has conducted a review of Determination 1 of 2021 which sets a housing allowance for the Berri Country Magistrate.
2. As explained in this report, the Tribunal has decided to revoke Determination 1 of 2021.

THE REVIEW PROCESS

3. On 31 August 2023, in accordance with sections 10(2) and 10(4) of the *Remuneration Act 1990* (SA) (**Act**), the Tribunal wrote to and invited submissions by 15 September 2023 in respect of this review from:
 - a. the Honourable Premier of South Australia – as the Minister responsible for the Act who may make submissions or introduce evidence in the public interest
 - b. the Judicial Remuneration Coordinating Committee (**JRCC**)
 - c. the Magistrates Association of South Australia (**MASA**)
 - d. members of the judiciary and relevant office holders
4. The Tribunal also placed a notice on its website from 31 August 2023 seeking submissions from affected persons by 15 September 2023.
5. In addition, on 4 September 2023 the Tribunal wrote to the President of MASA to draw their attention to paragraphs 10–12 in Report 11 of 2022, which provided as follows:

“10. The Tribunal has been advised that Magistrate Deland has since retired, and the CAA has advised the current Berri Country Resident Magistrate is making use of the traditional arrangements for Resident Magistrates which involves the CAA providing accommodation at the country court locations. The Tribunal notes that Resident Magistrates at Mount Gambier and Port Augusta are also provided with CAA funded accommodation, and no determination of the Tribunal allows them to receive an allowance similar to that set by Determination 1 of 2021.

11. In these circumstances, the Tribunal is of the view that Determination 1 of 2021 should be revoked, bearing in mind that it would be open to a future Resident Magistrate to apply to the Tribunal to make a new determination on similar terms as Determination 1 of 2021.

12. The Tribunal however has decided to defer making a final decision on this topic under next year’s review, in order to afford Magistrates the opportunity to comment on the necessity for the determination to continue.”
6. The President of MASA noted the Tribunal’s correspondence on the same day.
7. On 14 September 2023, the JRCC provided a written submission advising that no determination need be made and that the circumstances that justified the grant of an allowance previously no longer exist.
8. On 25 September 2023, after an extension was granted, the Premier’s representative confirmed that the Premier did not intend to make a submission.

CONSIDERATION AND CONCLUSION

9. The Tribunal notes that Determination 1 of 2021 was made following application by the then Berri Country Resident Magistrate. It appears to the Tribunal that the circumstances and reasons for granting the allowance in Determination 1 of 2021 no longer exist and, as such, the current determination of the Tribunal is redundant.
10. The Tribunal has accordingly determined to revoke Determination 1 of 2021, noting that ad hoc applications may be made to the Tribunal at any time seeking an allowance and that the Tribunal will consider the grounds for such application if and when made:

REPORT—NO. 13 OF 2023

*2023 Review of Accommodation and Meal Allowances –
Judges, Court Officers and Statutory Officers***INTRODUCTION**

1. The Remuneration Tribunal (**Tribunal**) has conducted a review of Determination 8 of 2022 which sets accommodation and meal allowances payable to the members of the judiciary and office holders listed in section 13 of the *Remuneration Act 1990* (SA) (**Act**), and certain other office holders as conferred under section 14 of the Act.

6. The JRCC provided a written submission on 14 September 2023, on behalf of:
 - a. the Chief Justice, Judges and Masters of the Supreme Court;
 - b. the Chief Judge, Judges and Masters of the District Court;
 - c. the Judges and Magistrates of the South Australian Employment Tribunal;

8. On 25 September 2023, after an extension was granted, the Premier's representative confirmed that the Premier did not intend to make a submission.
9. No other submissions were received.

CONSIDERATION AND CONCLUSION

10. The determination under review sets allowances to cover the costs of commercial accommodation and meals associated with official travel by members of the judiciary and other relevant office holders.
11. In considering this matter, the Tribunal has had regard to the following economic data relevant to the costs of commercial accommodation and meals:
 - a. The Consumer Price Index (All groups Adelaide) shows the following percentage changes from the corresponding quarters of previous years:
 - i. 8.6% for December 2022
 - ii. 7.9% for March 2023
 - iii. 6.9% for June 2023
 - iv. 5.9% for September 2023
 - b. As at August 2023 the Reserve Bank of Australia forecast of the Consumer Price Index was as follows:
 - i. 4 ¼ % for December 2023
 - ii. 3 ½ % for June 2024
 - iii. 3 ¼ % for December 2024
 - iv. 3% for June 2025
 - v. 2 ¾ % for December 2025
 - c. The Australian Taxation Office Taxation Determinations TD2022/10 and TD2023/3, which respectively set for taxation purposes reasonable accommodation, meal and incidental expenses for the 2022-23 and 2023-24 income years. The Tribunal has noted the following percentage changes between those respective Taxation Determinations, for the highest earners:
 - i. 0% increase to accommodation costs for Brisbane, Canberra, Darwin, Hobart, Melbourne, Perth, Sydney and most country centres
 - ii. 0.96% increase to accommodation costs for Adelaide
 - iii. 19.90% increase to accommodation costs for Tasmania
 - iv. 1.83% increase to breakfast costs
 - v. 1.76% increase to lunch costs
 - vi. 1.78% increase to dinner costs
 - vii. 7.87% increase to incidentals
 - vi. overall 1.16% to 1.81% increase for daily total (which includes accommodation, meals and incidentals), with the exception of Hobart which had an 11.26% increase to the daily total
12. The Tribunal continues to adopt a cautionary approach to inflationary movements.
13. Having regard to these factors, the Tribunal has decided that these allowances should be increased by 1.5%, with effect from 1 January 2024.

THE REMUNERATION TRIBUNAL

REPORT—NO. 14 OF 2023

*2023 Review of Conveyance Allowances –
Judges, Court Officers and Statutory Officers*

INTRODUCTION

1. The Remuneration Tribunal (**Tribunal**) has conducted a review of Determination 9 of 2022 which sets conveyance allowances and related entitlements for members of the judiciary and office holders listed in section 13 of the *Remuneration Act 1990* (SA) (**Act**), and certain other office holders as conferred under section 14 of the Act.
2. As explained in this report, the Tribunal has decided to increase the allowances by 2.5%. The Tribunal has issued an accompanying determination, which applies from 1 January 2024.

THE REVIEW PROCESS

3. On 31 August 2023, in accordance with sections 10(2) and 10(4) of the Act, the Tribunal wrote to and invited submissions by 15 September 2023 in respect of this review from:
 - a. the Honourable Premier of South Australia – as the Minister responsible for the Act who may make submissions or introduce evidence in the public interest
 - b. the Judicial Remuneration Coordinating Committee (**JRCC**)
 - c. members of the judiciary and relevant office holders
4. The Tribunal also placed a notice on its website from 31 August 2023 inviting submissions from affected persons by 15 September 2023.
5. On 5 September 2023, the Electoral Commissioner confirmed that he would not be making a submission on this occasion.
6. On 6 September 2023, the Deputy Auditor-General confirmed that the Auditor-General would not be making a submission in relation to this review.
7. The JRCC provided a written submission on 14 September 2023, on behalf of:
 - a. the Chief Justice, Judges and Masters of the Supreme Court;
 - b. the Chief Judge, Judges and Masters of the District Court;
 - c. the Judges and Magistrates of the South Australian Employment Tribunal;
 - d. the Chief Magistrate and the Magistrates of the Magistrates Court;
 - e. the State Coroner and Deputy Coroner;
 - f. the Commissioners of the Environment, Resources and Development Court; and
 - g. the President and Deputy Presidents of the South Australian Employment Tribunal.
8. The JRCC submitted that the Tribunal should review the amount of the conveyance allowance in the usual way and otherwise make a determination that reflects the terms of Determination 9 of 2022.
9. On 25 September 2023, after an extension was granted, the Premier's representative confirmed that the Premier did not intend to make a submission.
10. The South Australian Government Financing Authority also considered the determination and suggested some updates, which the Tribunal has adopted.
11. No other submissions were received.

CONSIDERATION AND CONCLUSION

12. The determination under review sets conveyance allowances which are payable on a fortnightly basis, based on an annual amount of \$18,418, \$17,379, or \$16,063 (depending on the office holder).
13. The determination also sets related entitlements, including the ability for Judges and other office holders to elect to have a motor vehicle allocated to them from the Judicial Vehicle Schedule compiled by the South Australian Government Financing Authority. Where such an election is made, the relevant office holder is charged an annual rate set by the South Australian Government Financing Authority from time to time. The conveyance allowance is then accordingly reduced, and if it is not adequate to cover the cost of the allocated vehicle the office holder will be charged the excess amount over the allowance.
14. The three allowance amounts remained the same from 2016-2022. Last year the Tribunal determined to increase the allowances by 5%, having regard to the previous fluctuations in prices set by the South Australian Government Financing Authority, price changes at the time, and the range of vehicles available without excess charges depending on the level of the allowance.

15. The Tribunal has considered the same factors this year and as a result has determined to increase the allowances by 2.5%.

- (b) it has been certified by the State Courts Administrator that the vehicle available for the Judge or Court Officer's official and private use cannot travel safely to a designated location; or

For the presidential members of the South Australian Employment Tribunal, the Registrar is the relevant approval authority.

An example of circumstances where such certification or general directions may be given is for journeys to and from the airport, where it may be more efficient or cost effective to use a taxi.

2.4.2. **Statutory Officers**

A Statutory Officer must not engage a taxi or hire car, and is not entitled to the payment of any additional allowance for the use of a private vehicle, whether for official or unofficial purposes, unless it is inefficient or not cost effective to use the vehicle available for the Statutory Officer's official and private use.

2.4.3. **Amount of Reimbursement**

Where any person subject to this Determination is seeking payment of an additional allowance to cover the use of a private motor vehicle for official purposes, reimbursement of the cost will be made, calculated at the rate per kilometre at a rate equating to that pursuant to the *SA Public Sector Salaried Employees Interim Award*.

3. **VEHICLES AVAILABLE THROUGH THE SOUTH AUSTRALIAN GOVERNMENT FINANCING AUTHORITY FOR OFFICIAL AND PRIVATE USE**3.1. **Selection of Vehicle**

Persons who are subject to this Determination are entitled, in accordance with the conditions specified herein, to elect to have allocated to them a motor vehicle of any model and type from the Judicial Vehicle Schedule compiled by the South Australian Government Financing Authority, as varied from time to time. Notice of the selected motor vehicle should be made in writing as follows:

- by Judges and Court Officers to the State Courts Administrator;
- by members of the South Australian Employment Tribunal to the Registrar, including members who are Statutory Officers; and
- by other Statutory Officers to the Manager Fleet, South Australian Government Financing Authority.

The annual charge payable for each vehicle, determined by the South Australian Government Financing Authority is set out in the Judicial Vehicle Schedule compiled by the South Australian Government Financing Authority.

3.2. Temporary Appointees

Persons appointed on a temporary basis to act as a Judge, Court Officer or Statutory Officer are not entitled to make an election under clause 3.1.

3.3. Charges for Use of Vehicles

The annual amount payable by a Judge, Court Officer or Statutory Officer for the use of a selected vehicle is the amount set out in the South Australian Government Financing Authority Judicial Vehicle Schedule adjacent to the description of the type of vehicle.

Where a person to whom this Determination applies is appointed on a part time basis, and elects pursuant to clause 3.1 to have a motor vehicle, the charge payable by that person pursuant to clause 3.4 shall be an amount determined by the South Australian Government Financing Authority, which may be greater than the standard charge to a full time officer to appropriately reflect the proportionately greater private use of such a motor vehicle.

3.4. Payment of Vehicle Charges

If a Judge, Court Officer or Statutory Officer makes an election under clause 3.1 and a vehicle is supplied in accordance with that election, then the salary and allowances otherwise payable to the Judge, Court Officer or Statutory Officer must be abated and reduced so as to offset the charges for the use of the vehicle for the period during which the Judge, Court Officer or Statutory Officer has the use of the vehicle.

3.5. New Models or Types

3.5.1. If a new type of vehicle, or a new model of a type specified in the Schedules becomes available for selection in terms of 3.1 after the date of election but before the placement of a binding order, the Judge, Court Officer, or Statutory Officer is entitled to withdraw the original election and elect to take the new model or type of vehicle.

3.5.2. The annual charge payable for a new model or new type of vehicle is that amount determined by the South Australian Government Financing Authority as the annual charge for private use of the vehicle. The annual charge takes into account the following:

- purchase price and depreciation;
- fuel, maintenance, insurance roadside assistance, registration costs and interest rates; (operating costs are calculated on the basis of an average of 70% private usage and 30% business usage);
- Goods and Services Tax (GST);
- Fringe Benefits Tax (FBT) based on an attributed business rate of 20,000 kilometres per year; and
- the vehicle being retained for 3 years or 60,000 kilometres travelled, whichever first occurs.

3.5.3. If a model or type of vehicle selected by a Judge, Court Officer or Statutory Officer becomes unavailable before the placement of a binding order, the Judge, Court Officer or Statutory Officer must be advised accordingly and allowed to make a further election under clause 3.1.

3.5.4. If a model becomes unavailable after the date of placement of a binding order and a later or better model vehicle is supplied, any Judge, Court Officer or Statutory Officer who has selected the unavailable vehicle is liable only to pay the annual charge for the vehicle as selected, and not the charge payable for the vehicle as supplied.

3.6. Accessories

The Judge, Court Officer or Statutory Officer may choose to have manufacturer approved accessories fitted to the vehicle. The full cost of the accessories and the expense of having them fitted (including any tax incurred) is payable by the Judge, Court Officer or Statutory Officer. When the vehicle is due for return the Judge, Court Officer or Statutory Officer may have personally-installed accessories removed from the vehicle, providing the Judge, Court Officer or Statutory Officer meets the full cost of restoring the vehicle to the same condition as if the accessories had not been fitted. No compensation will be paid if options are left on the vehicle unless agreed by the relevant authority.

Standard options such as mud flaps, floor mats, cargo barriers (where fitted) may not be removed from the vehicle. Tow bars must not be reinstalled on another vehicle.

The non-fitment of standard features requires that the Judge, Court Officer or Statutory Officer undertakes a comprehensive risk assessment prior to requesting approval from the relevant authority under clause 3.1.

The fitment of non-standard vehicle options fitted requires that the Judge, Court Officer or Statutory Officer seeks documented advice or engineering certificates (as required) to support the decision and to cover any additional costs incurred for registering or re-registering the vehicle in relation to the new specifications. The Judge, Court Officer or Statutory Officer is required to undertake a comprehensive risk assessment prior to requesting approval to fit non-standard vehicle options from the relevant authority under clause 3.1.

3.7. Retention of Vehicle

Having made an election and receiving the vehicle, the Judge, Court Officer or Statutory Officer must keep the vehicle for a period equivalent to the period determined from time to time by the South Australian Government Financing Authority as the period for the replacement of vehicles provided.

At the conclusion of that period the Judge, Court Officer or Statutory Officer will be entitled to make a new election, or, if they do not make an election, to be paid the allowance.

3.8. Conditions of Use

The vehicle will be fully maintained, serviced and insured by the relevant authority under clause 3.1.

The vehicle will be made available at or near the place of duty of the Judge, Court Officer, or Statutory Officer and the vehicle will be available for private and official use, subject to the following:

3.8.2. The Judge, Court Officer, or Statutory Officer will be authorised by the relevant authority to refuel the vehicle provided the vehicle is fuelled or recharged in accordance with any requirements specified by the South Australian Government Financing Authority, which may include requirements that the vehicle be fuelled using a particular

brand of motor fuel and that it be only fuelled in South Australia. (If fuelled otherwise than in accordance with those requirements, it will be at the cost of the Judge, Court Officer, or Statutory Officer).

- 3.8.3. The Judge, Court Officer, or Statutory Officer must make the vehicle available as required by the relevant authority for the purposes of the maintenance and repair of the vehicle and must deliver the vehicle to such place as the relevant authority may specify for that purpose.
- 3.8.4. The relevant authority will ensure that Judges, Court Officers and Statutory Officers are insured (which may be pursuant to Government "self-insurance") in respect of compulsory third party liability, third party property damage and any property damage to the vehicle and will hold the Judge, Court Officer, or Statutory Officer harmless in respect of any such property damage.
- 3.8.5. The Judge, Court Officer, or Statutory Officer is responsible for making their own arrangements for insurance in respect of personal items within the vehicle and any towed items (e.g. trailers and caravans). The Judge, Court Officer, or Statutory Officer must comply with any requirements of the insurance policy of which the member is aware or should have been made aware of.
- 3.8.6. The Judge, Court Officer or Statutory Officer will be responsible for any driving or parking fines for offences incurred.
- 3.8.7. The vehicle is available to the Judge, Court Officer or Statutory Officer while on leave. Where the Judge, Court Officer or Statutory Officer is absent from duty for a period greater than 7 days then the Judge, Court Officer, or Statutory Officer will be responsible for fuelling the vehicle until returning to duty.
- 3.8.8. Vehicles may be driven interstate during periods of leave and there is no limit to privately travelled kilometres. Fuel and recharging charges for private interstate trips are entirely the personal responsibility of the Judge, Court Officer, or Statutory Officer.

3.9. Special Conditions of Use

Notwithstanding anything else in this Determination:

- 3.9.1. where any damage is the result of a wilful or deliberate act of any person, the relevant authority may take such action as they think is fit to recover the cost of such damage;
- 3.9.2. the insurance and discharges are not applicable if the driver is under the influence of drugs and/or alcohol;
- 3.9.3. the insurance and discharges are not applicable if the insurance has been brought to the attention of the Judge, Court Officer or Statutory Officer and is avoided by an action of the driver of the vehicle; and
- 3.9.4. where the insurance policy contains an excess clause, then the Judge, Court Officer or Statutory Officer will be liable to repay the relevant authority the amount of that excess (or any part thereof) in the event that it becomes payable by reason of the driver of the vehicle being blameworthy for any of the damage giving rise to a claim on the policy when the vehicle is being used other than for official use.

3.10. Care of Vehicle

The Judge, Court Officer or Statutory Officer is responsible for ensuring that reasonable care is taken of the vehicle. Off street parking at the home of the person concerned is to be used if available and reasonable steps are to be taken to ensure its security. Where any damage to a vehicle supplied to a:

- 3.10.1. - 3.10.2. 3.12. Right to Purchase

3.13. No Changeover

A Judge, Court Officer or Statutory Officer who makes an election under clause 3.12 shall not be permitted or required to hand a vehicle in for normally scheduled changeover where that changeover would occur between the date of election and the date of retirement/resignation/end of lease period.

4. **DATE OF OPERATION**

- 4.2. If a Judge, Court Officer or Statutory Officer currently has the use of a vehicle pursuant to a previous Determination of the Remuneration Tribunal, the conveyance allowance and annual charge payable under the previous Determination will continue to apply. Clause 2 of this Determination will have no effect until that Judge, Court Officer or Statutory Officer takes delivery of a vehicle pursuant to this Determination, or elects not to receive a vehicle.
