SCHEDULE

Date of commencement

1. *Preliminary*
 - 1.1. These Rules may be cited as the Lotteries (Saturday X Lotto) Rules.
 - 1.2. These Rules will come into operation on the date specified in the Schedule to these Rules.
 - 1.3. These Rules are to be read in conjunction with and are subject to the Lotteries (General) Rules.
 - 1.4. These Rules apply only to the lottery known as "X Lotto" as played on a Saturday or such other day as determined by the Bloc members.
2. *Interpretation*
 - 2.1. In these Rules and in each part of these Rules unless the contrary intention appears:

"Bloc members" means the parties from time to time to the Bloc Agreement entered into by SALC with other lottery operators for the promotion, conduct and sale of tickets in *inter alia* the game drawn generally each Saturday night on a joint basis with a common winning number determination and a declaration of common dividends based on the equal participation of all players in the aggregated prize pool;

"claim period" means the period commencing at midnight on the day of determination of the draw results ("relevant day") and ending on the 14th day thereafter;

“drawing equipment” means equipment operated by the Bloc members for ascertaining the winning numbers;

“QuickPick entry” means a nomination made by a player indicating that the player wishes to make a QuickPick selection in accordance with Rule 6 of these Rules;

“Special Draw” means a Saturday X Lotto draw with a guaranteed Division 1 prize for a maximum number of winners conducted in accordance with Rule 15;

“X Lotto” means a lottery drawn on a Saturday or such other day or days as the Bloc members determine in which a player is required to forecast 6 numbers to be drawn from the range of numbers 1 to 45 inclusive.

3. *Ordinary Entry*

- 3.1. To create an ordinary entry, a player must forecast or cause to be forecast 6 numbers.
- 3.2. An ordinary entry will provide participation for the number of games selected and paid for in one (1) draw only.
- 3.3. The minimum number of games that must be completed will be four (4) or such number as otherwise determined by the Master Agent.
- 3.4. There will be a limit to the maximum number of games that can be played, including that in any one draw:
 - 3.4.1. the Master Agent may decline to issue more than 1,000 entries to a player; and
 - 3.4.2. a player can be issued with no more than 201,000 equivalent games.
- 3.5. A player may request that an entry be issued in advance of a current draw. The maximum number of advance draws in which an entry can be issued will be notified to players by the Master Agent, following determination by SALC.
- 3.6. Subject to Rule 6, a player may enter a draw by:
 - 3.6.1. submitting a coupon provided for that purpose from time to time by the Master Agent, together with an Easiplay Club membership card if applicable; or
 - 3.6.2. making a verbal or electronic request at the selling point, together with providing an Easiplay Club membership card if applicable.
- 3.7. In the case of a coupon:
 - 3.7.1. a player’s forecast must be marked with a cross mark in the centre of the square, a vertical mark in the centre of the square or such other mark as the Master Agent determines. No other mark will be accepted. All marks on a coupon must be legible and if a coupon cannot be read by a selling point terminal, it will be rejected. A coupon must not be marked in red.
 - 3.7.2. the relevant “system/pick” box must be left blank.
 - 3.7.3. a player who marks a “top up games” box will be taken to have authorised the selling point terminal operator to generate a random forecast of a sufficient quantity of numbers to complete the game, the coupon or the nominated number of games, as the case may be.
 - 3.7.4. if a player marks more than the specified number of squares in any game, a ticket will not issue until the player has either nominated the number(s) to be deleted or nominated a system/pick entry. The player may be required to complete another coupon.
 - 3.7.5. if a player marks fewer than the specified number of squares in any game and does not mark the relevant “top up games” box, a ticket will not issue until the player has either nominated the number(s) to be added or nominated a top up games entry or a system/pick entry.

4. *Multi-Week Entry*

- 4.1. A player may enter their number forecasts for a series of consecutive draws by marking the appropriate square in the “multi-week” box on a coupon or by verbally or electronically requesting such an entry at the selling point. The maximum number of consecutive draws that may be entered in this way will be notified to players by the Master Agent following determination by SALC.
- 4.2. The Rules governing ordinary entries will apply to every multi-week entry.

5. *System/Pick Entry*

- 5.1. A player may create a system/pick entry by forecasting or causing to be forecast 4, 5 or from 7 to 20 numbers, rather than the 6 to be forecast in the case of an ordinary entry.
- 5.2. In the case of a coupon, a system/pick entry must be completed by marking the relevant “system/pick” box and forecasting or causing to be forecast the quantity of numbers corresponding to the system/pick to be entered by the player. (Thus, to play system 7, 7 numbers are forecast; to play system 8, 8 numbers are forecast and so on to a maximum of 20 numbers forecast to play a system 20 entry.) In all other instances, a system/pick entry is created by verbally or electronically requesting such an entry at the selling point. Ordinary and system/pick entry participation will be accepted if completed on the same coupon and more than one system/pick entry type can be played on the one coupon.
- 5.3. In the case of a coupon, if more numbers are marked in any game than the requested system/pick requires, a ticket will not issue until the player has nominated the number(s) to be deleted. If fewer numbers are marked in any game than the requested system/pick requires and the relevant “top up games” box is not marked, a ticket will not issue until the player has either nominated the number(s) to be added or selected a top up games entry.
- 5.4. Picks 4 and 5 are entries in which the quantity of numbers forecast is less than 6 numbers.
- 5.5. A pick 4 or 5 entry will be equivalent to playing a certain number of separate games of 6 numbers as determined by the following formula:

$$\frac{(45 - P)!}{39! \times (6 - P)!} \quad (\text{where } P = \text{pick number})$$
- 5.6. A player who seeks to participate in a pick 4 entry must forecast or cause to be forecast any 4 numbers. These 4 numbers will be combined with all combinations of 2 numbers from the remaining unforecast numbers. This pick entry will be equivalent to playing 820 games of 6 numbers.

- 5.7. A player who seeks to participate in a pick 5 entry must forecast or cause to be forecast any 5 numbers. These 5 numbers will be combined with each of the remaining unforecast numbers in turn. This pick entry will be equivalent to playing 40 games of 6 numbers.
- 5.8. A player who seeks to participate in a system 7 to 20 entry inclusive must forecast or cause to be forecast the quantity of numbers according to the system number to be played. These numbers will be combined with one another in all possible combinations of 6 numbers. This system entry will be equivalent to playing a certain number of separate games of 6 numbers as determined by the following formula:
- $$\frac{S!}{6! \times (S-6)!} \quad (\text{where } S = \text{system number})$$
- 5.9. Subject to Rule 3.4, a player may enter up to 18 games of any type of system/pick entry on the one coupon or such other number as the Master Agent determines.
- 5.10. A system/pick entry may be entered for multi-week participation, in which case the Rules relating to multi-week and QuickPick entries will also apply.
- 5.11. The price of a system/pick entry will be as determined by the Master Agent from time to time.
6. *QuickPick Entry*
- 6.1. A player can play by means of a QuickPick nomination at the selling point whereby the selling point terminal will process the information nominated by the player to generate a forecast of the type nominated by the player. Such entries will be limited to such number of games for an ordinary entry, and subject to Rule 3.4, such number of any type of system or pick entry, as the Master Agent determines.
- 6.2. When using a coupon, QuickPick entries can be played by marking the appropriate 'top up games' box or the 'top up selection' box (if this option is available) and will be limited to such number of games for an ordinary entry, and subject to Rule 3.4, such number of any type of system/pick entry as the Master Agent determines.
- 6.3. The QuickPick forecast will be generated by the selling point terminal, and the generated selections will be deemed to be those selections nominated by the player as if they were marked on a coupon by the player in accordance with these Rules.
7. *Supervision of Draw*
- 7.1. The selection of winning numbers and supplementary numbers will be conducted in such manner as agreed by the Bloc members and:
- 7.1.1. should be conducted and supervised in accordance with the requirements of the relevant regulatory body for the State in which the draw is conducted; and
- 7.1.2. will be final for the purpose of determining the prize winners in that draw.
- 7.2. The total amount of the prize pool will be announced at each draw.
8. *Determination of Winning Numbers*
- 8.1. Each draw will be identified by a number.
- 8.2. Each draw will be conducted using drawing equipment agreed by the Bloc members.
- 8.3. For each draw, the Bloc members will cause 8 numbered balls to be drawn from the drawing equipment.
- 8.4. The first 6 balls drawn will be the winning numbers and the final 2 balls will be the supplementary numbers.
- 8.5. There will be 6 prize winning divisions in each draw:
- Division 1—player(s) who correctly forecast the 6 winning numbers in any one game.
- Division 2—player(s) who correctly forecast any 5 of the 6 winning numbers and either one of the supplementary numbers in any one game.
- Division 3—player(s) who correctly forecast any 5 of the 6 winning numbers in any one game.
- Division 4—player(s) who correctly forecast any 4 of the 6 winning numbers in any one game.
- Division 5—player(s) who correctly forecast any 3 of the 6 winning numbers and either or both of the supplementary numbers in any one game.
- Division 6—player(s) who correctly forecast any 3 of the 6 winning numbers in any one game.
9. *Publication of Results*
- 9.1. The Master Agent will publish the results of each draw as soon as practicable after each draw.
- 9.2. The information published may include:
- 9.2.1. the winning numbers;
- 9.2.2. the amount of the prize pool allocated to each division;
- 9.2.3. the number of prize winners or provisional prize winners in each division;
- 9.2.4. the value or provisional value of each prize in each division;
- 9.2.5. the dates when prizes will be paid;
- 9.2.6. the date the claim period expires; and
- 9.2.7. the guaranteed or estimated Division 1 prize pool in the next draw.
10. *Prize Pool Structure*
- 10.1. Only one prize can be won by any one ordinary entry in a game.
- 10.2. 60% of the total entry fees received for each draw (or such greater amount as SALC determines in consultation with Bloc members) will be allocated as the prize pool.
- 10.3. Each of the Bloc members must contribute the same percentage of the total entry fees received by them into the prize pool.

- 10.4. The total prize pool will be distributed between the prize divisions in accordance with the determination of SALC, after consultation with the Bloc members.
- 10.5. The prize money allocated to each division will be apportioned in equal shares between the winners in that division.
- 10.6. Any variation to the prize divisions or the prize pool distributions between the prize divisions, as determined by SALC, will be advised to players by way of the Master Agent's website and at all selling points, at least fourteen (14) days prior to their operational date.
- 10.7. If there is no winner in any of Divisions 2, 3, 4 or 5 of any draw, the prize money allocated to that division will be added to the prize money allocated to the next lower division in which there is a winner.
- 10.8. If there is no winner in Division 6 of any draw, the prize money allocated to that division will be added to the Prize Reserve Fund.
- 10.9. Notwithstanding any other Rule, the Master Agent may, at its discretion round out the amount of any prize other than a Division 1 prize to the nearest five cents above or below the actual prize otherwise payable. The resulting surplus or deficit will be added to or deducted from the Division 1 prize pool.

11. *Prize Reserve Fund*

- 11.1. From time to time, SALC may set aside a proportion of the total amount received from entry fees to any draw and, in respect of that draw, the distribution of prizes will be reduced *pro rata* in all prize winning divisions. The amount set aside will be accumulated by SALC to constitute a pool called the Prize Reserve Fund.
- 11.2. The Prize Reserve Fund will be applied from time to time for or towards the payment of any of the following:
 - 11.2.1. prizes in respect of missed prize entries for lotteries conducted by SALC through its Master Agent;
 - 11.2.2. additional or increased prizes in subsequent lotteries conducted by SALC through its Master Agent; in such amount(s) and to such player(s) as SALC in its absolute discretion determines.
- 11.3. The amounts to be set aside and the amounts to be distributed must be agreed with the Bloc members.
- 11.4. In the event that the game of X Lotto as played on a Saturday is replaced, enhanced, renamed or otherwise varied, the Prize Reserve Fund as constituted by this Rule 11 shall be assigned to the game replacing, enhancing, renaming or otherwise varying the game of X Lotto as played on a Saturday.

12. *Jackpots*

- 12.1. If there is no Division 1 prize winner, that portion of the prize pool that would have been payable to a single Division 1 winner in that draw will be added to or jackpotted with the Division 1 prize money in the next draw, except in the case of a Special Draw in which case Rule 15.1.3 will apply. This jackpotting will continue for no more than 4 consecutive draws. If there is no Division 1 prize winner in the next (or 5th) consecutive draw, the total amount of the jackpot and the Division 1 prize that would have been payable to a single winner in that 5th draw will be added to the prize money allocated to the next lower division in which there is a winner.
- 12.2. If the Master Agent guarantees a minimum prize payout in Division 1 of any draw, the amount by which the Master Agent has augmented the portion of the prize pool allocated to Division 1 in that draw will not be taken into account in determining the amount of any jackpot subsequently paid in respect of that division.

13. *Prize Claims*

- 13.1. In the case of a Division 1 prize:
 - 13.1.1. prize money will be distributed after the claim period has elapsed;
 - 13.1.2. claims lodged with the Master Agent within the claim period and determined by the central computer system to be prize winning tickets and any tickets subsequently identified as prize winning tickets will share equally in the prize pool available to winners in their respective division;
 - 13.1.3. any player who claims to be entitled to a prize won on a printed ticket must lodge a claim at Head Office; and
 - 13.1.4. prizes payable on an electronic ticket will be paid electronically in accordance with the terms upon which the electronic ticket was issued, following the elapsing of the claim period.
- 13.2. In the case of prizes other than a Division 1 prize:
 - 13.2.1. prizes payable on a printed ticket will be paid as soon as practicable after the draw either at Head Office or an Agent's place of business upon presentation of the printed ticket, or as otherwise determined by the Master Agent, subject to these Rules;
 - 13.2.2. prizes payable on an electronic ticket will be paid electronically in accordance with the terms upon which the electronic ticket was issued, as soon as practicable after the draw; and
 - 13.2.3. if a printed or electronic ticket includes a game that has won a prize in Division 2 or a lower division in addition to a Division 1 prize then the lower division prize will not be paid until the Division 1 prize is payable.
- 13.3. Any player who claims to be entitled to a prize but:
 - 13.3.1. whose ticket has not been identified by the central computer system as a prize winning ticket;
 - 13.3.2. considers that their ticket has been incorrectly evaluated; or
 - 13.3.3. has not obtained confirmation that their ticket has won a prize after its evaluation by the central computer system, must lodge a claim with the Master Agent in the case of a printed ticket and with the provider of the electronic ticket in the case of an electronic ticket.

13.5. SALC:

- 13.5.1. will not be obliged to recognise any claim not identified as a prize winning ticket by the central computer system and not lodged within 12 months of the relevant day; and
- 13.5.2. may in its absolute discretion accept or refuse to accept any claim in whole or in part.

14. *Ticket Checkers*

- 14.1. Ticket checkers are located at all selling points except an internet site and are linked to the central computer system via the selling point terminal.
- 14.2. A player can obtain the prize status of a printed ticket by inserting the bar code of each printed ticket into the scanning device.
- 14.3. A prize winning ticket must be identified by the central computer system as a prize winning ticket before payment of the prize is made.

15. *Special Draw*

- 15.1. The Master Agent may, from time to time declare a Saturday X Lotto draw to be a Special Draw with a guaranteed Division 1 prize for a maximum number of winners as determined by the Master Agent prior to the conduct of the declared draw. The following provisions will apply:
 - 15.1.1. If the total number of Division 1 prize winners is less than or equal to the maximum number of winners as determined by the Master Agent, then each prize winner will receive a guaranteed Division 1 prize.
 - 15.1.2. If the total number of Division 1 prize winners is greater than the maximum number of winners as determined by the Master Agent, then the total of all guaranteed Division 1 prizes will be apportioned in equal shares between the winners in accordance with Rule 10.5.

PUBLIC CORPORATIONS ACT 1993

SECTION 6

Direction to the South Australian Water Corporation

Background:

1. Pursuant to Section 6 of the *Public Corporations Act 1993*, and Sections 6 and 7(2)(f) of the *South Australian Water Corporation Act 1994*, the South Australian Water Corporation (SA Water) is subject to control and direction by its Minister, and has the functions conferred on it by its Minister.
2. The *South Australian Water Corporation Act 1994* is committed to the Minister for Housing Infrastructure (the Minister) as per Gazettal notice dated 15 April 2024, p.683.
3. Pursuant to Section 32 of the *Water Industry Act 2012* (SA), Cape Jaffa Anchorage Essential Services (CJAES) wrote to the Essential Services Commission of South Australia to surrender its retail licence for the provision of sewerage and non-drinking water services to residential and non-residential customers, with an effective surrender date of 31 October 2022.
4. The Minister previously considered it appropriate to direct SA Water to temporarily take over the existing operations of CJAES.
5. The Minister now considers a new direction is appropriate to extend the timeframe for SA Water’s temporary takeover of existing operations at Cape Jaffa to allow more time to confirm and transition to long term arrangements for water and sewerage services.

Direction:

6. I, Nick Champion, Minister for Housing Infrastructure, direct SA Water under section 6 of the *Public Corporations Act 1993* to use best endeavours to:
 - (i) secure all access rights and approvals necessary to continue SA Water’s temporary operation of non-drinking water and sewerage services at Cape Jaffa, to ensure continued operation to customers (as defined by the *Water Industry Act 2012*) at Cape Jaffa Marina until 30 June 2026;
 - (ii) work with the Department for Environment and Water to confirm all land and other assets that would be required for SA Water to continue the temporary operation of non-drinking water and sewerage services at Cape Jaffa until 30 June 2026;
 - (iii) take ownership of all land and other assets required to continue SA Water’s temporary operation of non-drinking water and sewerage services at Cape Jaffa, for nil consideration, by no later than 30 June 2025;
 - (iv) provide a retail service to customers at Cape Jaffa Marina, with all charges to be based on the charges of CJAES as at 1 July 2024 (see Attachment 1), to be indexed and published in the *South Australian Government Gazette*.
7. For the avoidance of doubt and to the extent of any inconsistency, this direction overrides any other previous direction to SA Water under Section 6 of the *Public Corporations Act 1993*—with respect to Cape Jaffa customers.
8. This direction may be revoked at any time.

THE REMUNERATION TRIBUNAL

REPORT NO. 12 OF 2024

2024 Review of Salary of the Governor of South Australia

INTRODUCTION

1. The Remuneration Tribunal (**Tribunal**) has jurisdiction under Section 14 of the *Remuneration Act 1990* (SA) (**Act**) and Section 73 of the *Constitution Act 1934* (SA) (**Constitution Act**), to determine the rate of salary payable to Her Excellency the Governor of South Australia (**the Governor**).
2. As explained in this report, the Tribunal has decided to increase the Governor’s remuneration consistent with the median salary for State Governors. The Tribunal has issued an accompanying Determination, which applies from 1 February 2025.

BACKGROUND

- 3. In late 2021, the Tribunal undertook a review of the salary of the Governor. As part of that review, it considered it necessary to establish a sustainable basis for the remuneration of the Governor.
- 4. It noted that it did not consider it appropriate or necessary to undertake a traditional work value assessment of the duties of the Governor, given those functions are enshrined in our constitution and democratic system.
- 5. Having undertaken an interjurisdictional comparison, the Tribunal observed that the salary at that time was materially lower than the median salary of Governor’s in other Australian jurisdictions. It noted that if the anomaly was not addressed, there was the potential to indicate a lesser role for the Governor of South Australia.
- 6. In Report 15 of 2023 the Tribunal adopted a consistent approach and confirmed its view that the Governor of South Australia should be remunerated at a level comparable to that of Governors in other States.

THE REVIEW PROCESS

- 7. On 14 November 2024, in accordance with Section 10(2) and 10(4) of the Act, the Tribunal wrote to and invited submissions by 29 November 2024 in respect of this review from:
 - (a) Her Excellency the Governor of South Australia
 - (b) The Honourable Premier of South Australia—as the Minister responsible for the Act who may make submissions or introduce evidence in the public interest
- 8. The Tribunal also placed a notice on its website from 14 November 2024 inviting submissions from affected persons by 29 November 2024.
- 9. On 18 November 2024, the Official Secretary to the Governor wrote to the Tribunal advising that the Governor did not intend to make a submission in relation to the Tribunal’s review of the Governor’s salary, leaving the matter to the discretion of the Tribunal.
- 10. On 21 November 2024, the Premier’s representative confirmed that the Premier did not intend to make a submission.
- 11. No other submissions were received by the Tribunal in relation to this review.

CONSIDERATION AND CONCLUSION

- 12. Consistent with the remarks made in 2021, the Tribunal continues to be of the view that the role of the Governor of South Australia should be regarded as comparable to that of Governors in other States. This approach recognises the significant importance of this unique role within the State.
- 13. A departure from this approach would once again establish a significant difference in the remuneration payable to this and future Governors, and most likely lead to future very substantial remuneration adjustments.
- 14. As such, the Tribunal has considered the below data in relation to the salaries of Governors in other jurisdictions.

Salaries of Governors in Other Jurisdictions		
Jurisdiction*	Governor Salary Per Annum	Relevant Authority
QLD	\$522,225	Act of Parliament
WA	\$504,475	Independent Tribunal
CTH**	\$709,017	Act of Parliament
TAS	\$583,645	Act of Parliament
VIC	\$517,650	Act of Parliament
NSW***	\$521,720	Independent Tribunal
Median Salary ex SA	\$521,720	
Average Salary ex SA	\$529,943	
SA	\$495,754	Independent Tribunal

* NT and ACT have not been included as there is no office of Governor in those jurisdictions.

** The Australian Constitution prevents the salary of the Governor-General from being altered during an incumbent’s time in office. For the purpose of this review, the Governor-General of the Commonwealth of Australia’s salary has been excluded from the median calculation.

*** Clause 5A of the Statutory and Other Offices Remuneration (Judicial and Other Office Holders) Regulation 2013 states that the NSW Remuneration Tribunal is not to make a determination that has the effect of awarding an increase in remuneration that takes effect before 1 July 2025.

- 15. Accordingly, the Tribunal has decided to increase the salary of the Governor to \$521,720 per annum, which is the median amount, excluding South Australia for State Governors.
 - 16. An accompanying Determination has been issued and will take effect from 1 February 2025.

THE REMUNERATION TRIBUNAL
REPORT NO. 13 OF 2024
*Overseas Accommodation and Daily Allowance
Pacific Judicial Conference—Chief Justice Kourakis*

INTRODUCTION

1. On 15 November 2024, the Remuneration Tribunal (**Tribunal**) received an application and submission from the Honourable Chris Kourakis, Chief Justice of the Supreme Court of South Australia. The Chief Justice requested the Tribunal make a Determination setting an overseas accommodation and daily allowance for his attendance at the Pacific Judicial Conference being held in Auckland between 9 and 12 February 2025. The Chief Justice advised he would be arriving in Auckland on 8 February and departing 13 February 2025.
2. This specific Determination has been sought, as the Tribunal's existing Determination for the payment of accommodation and meal allowances does not cover international travel. In recent years, the Tribunal's practice has been to instead make specific Determinations for international travel.

THE REVIEW PROCESS

3. Section 10(2) of the *Remuneration Act 1990* (SA) (**Act**) provides that prior to the Tribunal making a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or the persons of that class, a reasonable opportunity to make submissions orally or in writing to the Tribunal.
4. Section 10(4) of the Act provides that the Honourable Premier of South Australia, as the Minister responsible for the Act, may intervene, personally or by counsel or other representative, in proceedings before the Tribunal for the purpose of introducing evidence, or making submissions, on any question relevant to the public interest.
5. On 21 November 2024, the Tribunal wrote to the Premier and the Judicial Remuneration Coordinating Committee (**JRCC**), to invite submissions by 5 December 2024 on this application.
6. The Tribunal also advertised its intention to consider this application on its website from 21 November 2024.
7. On 21 November 2024, the JRCC confirmed that it supports the application.
8. On 5 December 2024, the Premier's representative confirmed that the Premier did not intend to provide any submissions in respect of this application.
9. No other submissions were received.

CONSIDERATION AND CONCLUSION

10. Chief Justice Kourakis' application can be summarised as follows:
 - On 18 October 2024, the Chief Justice was invited by the Chief Justice of New Zealand to attend the Pacific Judicial Conference in Auckland, New Zealand. The theme of the conference is Strengthening the Institution of the Judiciary.
 - He wishes to claim an appropriate daily allowance and reimbursement for accommodation between 8 and 13 February 2025.
 - The conference is held from 9 to 12 February 2025.
 - Consistent with the *Commonwealth Remuneration Tribunal (Official Travel) Determination 2024*, he seeks a daily allowance set by reference to the most recent Australian Taxation Office determination (TD2024/3) concerning reasonable meals and incidentals, and reimbursement for accommodation which is of a standard reasonably equivalent to that provided to him in Australia for official duties.
 - Tables 8 and 9 of TD2024/3 are relevant, with the daily allowance being A\$340 per day.
 - Reimbursement will be sought for accommodation at a reasonable cost at a hotel near the conference.
11. Attached to the submission, the Chief Justice provided a copy of the invitation from the Chief Justice of New Zealand and the conference program.
12. The Tribunal recognises the necessity for judicial officers to travel internationally in the course of their official duties, noting that such travel has been, however, infrequent. Consistent with past practice, the Tribunal remains of the view that individual applications may be made for the determination of overseas travel entitlements according to the unique circumstances of each instance of travel.
13. In circumstances where a judicial officer is travelling and has access to airport lounges or is provided with meals as part of a long-haul flight, the Tribunal is of the view that a daily allowance should not be sought and is not payable.

14. The Tribunal is also satisfied that the *Commonwealth Remuneration Tribunal (Official Travel) Determination 2024* continues to set a reasonable basis for determining an appropriate overseas daily allowance for meals and incidentals and entitlement to accommodation for this trip.
15. The Tribunal considers that accommodation and daily allowance provisions are appropriately payable to Chief Justice Kourakis between 8 and 12 February 2025. An accompanying Determination reflects the Tribunal's decision.

OPERATIVE DATE

16. The accompanying Determination will operate from 15 November 2024, being the date, the application was received.

THE REMUNERATION TRIBUNAL

REPORT NO. 14 OF 2024

2024 Review of Salary Sacrifice Arrangements for Judges, Court Officers and Statutory Officers

INTRODUCTION

1. The Remuneration Tribunal (**Tribunal**) has conducted a review of Determination 10 of 2022 which provides for salary sacrifice arrangements for Judges, Court Officers and Statutory Officers covered by the determination.
2. As explained in this report, the Tribunal has issued a new determination, superseding Determination 10 of 2022, as the Tribunal has been advised that the normal public sector arrangements apply equally to Judges, Court Officers and Statutory Officers.
3. Nevertheless, the Tribunal has determined the operative date of the new determination will be 1 February 2025, to enable any affected person to make submissions to it in the event that there are differences between Determination 10 of 2022 and the South Australian Government Salary Sacrifice Arrangement (SAGSSA) Principal Agreement, which have not been brought to the Tribunal's attention.

THE REVIEW PROCESS

4. On 19 September 2024, in accordance with Sections 10(2) and 10(4) of the *Remuneration Act 1990* (SA) (**Act**), the Tribunal wrote to and invited submissions by 3 October 2024 in respect of this review from:
 - (a) the Honourable Premier of South Australia—as the Minister responsible for the Act who may make submissions or introduce evidence in the public interest
 - (b) the Judicial Remuneration Coordinating Committee (**JRCC**)
 - (c) members of the judiciary and relevant office holders covered by Determination 10 of 2022
 - (d) the Office of the Commissioner for Public Sector Employment
5. The Tribunal also placed a notice on its website from 19 September 2024 inviting submissions from affected persons by 3 October 2024.
6. On 19 September 2024, the Auditor-General confirmed that he would not be making a submission on this occasion.
7. On 23 September 2024, the Electoral Commissioner confirmed that he would not be making a submission on this occasion.

8. On 3 October 2024, the Premier's representative confirmed that the Premier did not intend to make a submission
9. The JRCC provided a written submission on 3 October 2024, on behalf of:
 - (a) the Chief Justice, Judges and Associate Judges of the Supreme Court;
 - (b) the Chief Judge, Judges and Associate Judges of the District Court;
 - (c) the Judges and Magistrates of the South Australian Employment Tribunal;
 - (d) the Chief Magistrate and the Magistrates of the Magistrates Court;
 - (e) the State Coroner and Deputy State Coroners;
 - (f) the Commissioners of the Environment, Resources and Development Court; and
 - (g) the President and Deputy Presidents of the South Australian Employment Tribunal.
10. The JRCC submitted that the Tribunal should review the determination of the salary sacrifice arrangements in the usual way and otherwise make a determination that reflects the terms of Determination 10 of 2022.
11. The Office of the Commissioner for Public Sector Employment (OCPSE) provided a written submission on 3 October 2024.
12. In summary, the OCPSE submitted that:
 - The Tribunal should remove Schedules 1, 2 and 3 of Determination 10 of 2022 and include relevant officer holders under the South Australian Government Salary Sacrifice Arrangement (SAGSSA) Principal Agreement, noting that the SAGSSA Principal Agreement covers whole of government participation.
 - The Tribunal should remove all references to the salary sacrifice of Superannuation to a private fund or Triple S Scheme.
 - The Tribunal should remove all references to the Administration fee.
 - The Tribunal should support the renumbering of the Benefit Items to align with that in the SAGSSA Principal Agreement.
13. The JRCC did not oppose the submission made by the OCPSE.

CONSIDERATION AND CONCLUSION

14. On 18 and 25 November 2024, the Tribunal met with the SAGSSA Project Manager of OCPSE together with representatives from Crown and the Premier's office. The SAGSSA Project Manager advised the Tribunal that the SAGSSA Principal Agreement for the public sector contains the same benefits as provided for in the Tribunal's Determination 10 of 2022.
15. The Tribunal was provided with advice that a side-by-side comparison of the benefit items available in Determination 10 of 2022 and the SAGSSA Principal Agreement showed that with the exception of one change that was effective at the commencement of the SAGSSA Principal Agreement, there are no differences. The exception being that salary sacrifice of superannuation is no longer administered by the salary sacrifice provider (Smartsalary) and is now managed by the relevant employer's payroll team or provider.
16. The Premier's representative also advised that in view of the amendments to the determination being administrative only, there is no objection to the Tribunal issuing a new determination in the terms being proposed.
17. Accordingly, the Tribunal is of the view that duplicating the arrangement by way of a Tribunal determination is unnecessary, provided that there is indeed no difference.
18. As such, the Tribunal has determined to issue a new determination with an operative date of 1 February 2025.
19. The operative date is intended to provide affected persons with the opportunity to raise any issues or concerns with the Tribunal by way of submission prior to 1 February 2025.

THE REMUNERATION TRIBUNAL

REPORT NO. 15 OF 2024

2024 Review of Conveyance Allowances—Judges, Court Officers and Statutory Officers

INTRODUCTION

1. The Remuneration Tribunal (**Tribunal**) has conducted a review of Determination 14 of 2023 which sets conveyance allowances and related entitlements for members of the judiciary and office holders listed in Section 13 of the *Remuneration Act 1990* (SA) (**Act**), and certain other office holders as conferred under Section 14 of the Act.
2. As explained in this report, in previous years the Tribunal has had regard to fluctuations in prices set by the South Australian Government Financing Authority and the range of vehicles available without excess charges depending on the level of allowance. The Tribunal has continued to have regard to such factors and as a result has determined to increase the allowances by 4.75%.
3. The Tribunal has issued an accompanying Determination, which applies from 1 January 2025.

THE REVIEW PROCESS

4. On 19 September 2024, in accordance with Sections 10(2) and 10(4) of the Act, the Tribunal wrote to and invited submissions by 3 October 2024 in respect of this review from:
 - (a) the Honourable Premier of South Australia—as the Minister responsible for the Act who may make submissions or introduce evidence in the public interest
 - (b) the Judicial Remuneration Coordinating Committee (**JRCC**)
 - (c) members of the judiciary and relevant office holders
5. The Tribunal also placed a notice on its website from 19 August 2024 inviting submissions from affected persons by 3 October 2024.
6. The Tribunal raised with affected parties the apparent difference in the conveyance allowance arrangements between the Federal and State systems particularly where, under the State system, if an office holder elects to have a vehicle that requires a contribution that is a lesser amount than the allowance they then receive the remainder of that allowance.
7. On 19 September 2024, the Auditor-General confirmed that he would not be making a submission on this occasion.
8. On 23 September 2024, the Electoral Commissioner confirmed that he would not be making a submission on this occasion.
9. On 3 October 2024, the Premier's representative confirmed that the Premier did not intend to make a submission.
10. The JRCC provided a written submission on 3 October 2024, on behalf of:
 - (a) the Chief Justice, Judges and Associate Judges of the Supreme Court;
 - (b) the Chief Judge, Judges and Associate Judges of the District Court;

- (c) the Judges and Magistrates of the South Australian Employment Tribunal;
 - (d) the Chief Magistrate and the Magistrates of the Magistrates Court;
 - (e) the State Coroner and Deputy Coroner;
 - (f) the Commissioners of the Environment, Resources and Development Court; and
 - (g) the President and Deputy Presidents of the South Australian Employment Tribunal.
11. The JRCC's submission detailed observations of the Federal system, noting similarities and differences and concluded this was a matter for the Tribunal to consider.
12. No other submissions were received.

OTHER JURISDICTIONS

13. Consideration has been given to the entitlements provided to judicial officers in other jurisdictions.
14. The Commonwealth Remuneration Tribunal determination provides for the reimbursement of private vehicle running costs up to a prescribed limit, or the provision of a private plated vehicle that is not a luxury car leased in accordance with the FVS Policy. The value of the entitlement may not be taken as cash, except to the extent that reimbursement is claimed. Furthermore, while the Chief Justice of the High Court has an entitlement to these arrangements in addition to Commonwealth car with driver services, other judges with an entitlement to Commonwealth car with driver services can only receive a private plated vehicle or the reimbursement of private vehicle running costs if they forgo their entitlement to those services.
15. The Northern Territory Remuneration Tribunal determination provides an entitlement for a Local Court Judge to be provided with a 4-cylinder motor vehicle with private number plates to use for official duties, so long as the model is one provided within a specified list.
16. The New South Wales Remuneration Tribunal 2024 determination provides for a conveyance allowance. The history of the conveyance allowance is provided for in their 2003 special determination and 2005 special determination. In particular, the purpose of the conveyance allowance is to replace a former scheme that provided an amount to Supreme Court Judges to compensate for motor vehicles provided to Federal Court Judges. Judicial Officers may, but are not obliged, to use the conveyance allowance towards the cost of leasing a motor vehicle through the State Government's leasing scheme.
17. In Victoria, Judges of the Supreme Court, Country Court and Chief Magistrate are to be provided with a motor vehicle in accordance with the Judicial Car Scheme set out in the *Department of Justice Fleet Management Policies and Guidelines 2001*, or any other Departmental policy that is adopted from time to time and are required to contribute \$837 per annum towards the running costs of the vehicle. These judicial officers are also provided with a driver. By way of certificate issued 14 February 2008, Magistrates are entitled to a car allowance of \$9,060 per annum, adjusted annually in accordance with CPI, with the allowance included in the salary for magistrates for superannuation purposes. Magistrates can also access the *Department of Justice Fleet Management Policies and Guidelines 2001*, or any other Departmental policy that is adopted from time to time and are able to offset the cost of a car provided through such policy.
18. In Western Australia Judges and Magistrates are provided with a Government owned vehicle with an annual whole of life cost for the vehicle up to a prescribed limit. It appears that judicial officers cannot take the cash value of the allowance if the vehicle selected is less than the allowance.

CONSIDERATION AND CONCLUSION

19. Having considered the submission of the JRCC and schemes within other jurisdictions, the Tribunal is concerned that if Judges, Court Officers, and Statutory Officers elect to access a vehicle which has a substantially lower cost than the allocated allowance, this may amount to the substantial remainder of the allowance being paid to the office holder.
20. The Tribunal has adopted the position that the intention of the conveyance allowance was to provide Judges, Court Officers, and Statutory Officers with access to vehicles appropriate to their position, through the Judicial Vehicle Scheme. As far as the Tribunal can ascertain, the conveyance allowance is not intended to be provided to office holders covered by the determination in the event that they do not elect to be provided with a vehicle or elect for a vehicle that is at a lesser amount than the applicable conveyance allowance.
21. Furthermore, the Tribunal is concerned that while some Judges, Court Officers and Statutory Officers may be able to access electric vehicles, which involves significantly less contribution costs, others who are required to undertake substantial country travel, cannot practically access these vehicles.
22. Accordingly, the Tribunal proposes to progressively implement a restriction to the effect that if a Judge, Court Officer, or Statutory Officer covered by the determination selects a vehicle which attracts a lower cost, the remnant component of the allowance remains unspent and is not payable to them. The Tribunal proposes that this change will progressively take effect as Judges, Court Officers and Statutory Officers replace their current vehicles. The Tribunal invites comment on this proposal by no later than 28 February 2025. Confirmation of the Tribunal's position will then be issued.
23. Given reviews occur on an annual basis, the Tribunal has determined that consideration of any increase to the current conveyance allowances is still necessary. In this regard, the Tribunal has considered the approach adopted in previous years where regard has been given to fluctuations in prices set by the South Australian Government Financing Authority and the range of vehicles available without excess charges depending on the level of allowance. The Tribunal has continued to have regard to such factors and as a result has determined to increase the allowances by 4.75 %.
24. An accompanying Determination has been issued and will operate from 1 January 2025.

2.3. **Temporary Appointees**

A Judge or Court Officer is not entitled to use a government fleet vehicle allocated to the Courts Administration Authority, or to engage taxis or hire car at the expense of the State Courts Administrator, or to seek the payment of any additional allowance for the use of a private vehicle, whether for official or unofficial purposes unless:

- (a) it has been certified by the State Courts Administrator that it was inefficient or not cost effective for the Judge or Court Officer to use the vehicle available for their official and private use; or
- (b) it has been certified by the State Courts Administrator that the vehicle available for the Judge or Court Officer's official and private use cannot travel safely to a designated location; or
- (c) such use or engagement is consistent with a general direction given by the Chief Judicial Officer of the relevant Court, or in the case of Court Officers, the presiding officer of the relevant Tribunal, as to the circumstances where the vehicle available for official and private use, need not be used by reason of efficiency and cost effectiveness.

For the presidential members of the South Australian Employment Tribunal, the Registrar is the relevant approval authority.

An example of circumstances where such certification or general directions may be given is for journeys to and from the airport, where it may be more efficient or cost effective to use a taxi.

2.4.2. **Statutory Officers**

A Statutory Officer must not engage a taxi or hire car, and is not entitled to the payment of any additional allowance for the use of a private vehicle, whether for official or unofficial purposes, unless it is inefficient or not cost effective to use the vehicle available for the Statutory Officer's official and private use.

2.4.3. **Amount of Reimbursement**

Where any person subject to this Determination is seeking payment of an additional allowance to cover the use of a private motor vehicle for official purposes, reimbursement of the cost will be made, calculated at the rate per kilometre at a rate equating to that pursuant to the SA Public Sector Salaried Employees Interim Award.

3. Vehicles Available Through the South Australian Government Financing Authority for Official and Private Use3.1. **Selection of Vehicle**

Persons who are subject to this Determination are entitled, in accordance with the conditions specified herein, to elect to have allocated to them a motor vehicle of any model and type from the Judicial Vehicle Schedule compiled by the South Australian Government Financing Authority, as varied from time to time. Notice of the selected motor vehicle should be made in writing as follows:

- by Judges and Court Officers to the State Courts Administrator;
- by members of the South Australian Employment Tribunal to the Registrar, including members who are Statutory Officers; and
- by other Statutory Officers to the Manager Fleet, South Australian Government Financing Authority.

The annual charge payable for each vehicle, determined by the South Australian Government Financing Authority is set out in the Judicial Vehicle Schedule compiled by the South Australian Government Financing Authority.

3.2. Temporary Appointees

Persons appointed on a temporary basis to act as a Judge, Court Officer or Statutory Officer are not entitled to make an election under clause 3.1.

3.3. Charges for Use of Vehicles

The annual amount payable by a Judge, Court Officer or Statutory Officer for the use of a selected vehicle is the amount set out in the South Australian Government Financing Authority Judicial Vehicle Schedule adjacent to the description of the type of vehicle.

Where a person to whom this Determination applies is appointed on a part time basis, and elects pursuant to clause 3.1 to have a motor vehicle, the charge payable by that person pursuant to clause 3.4 shall be an amount determined by the South Australian Government Financing Authority, which may be greater than the standard charge to a full time officer to appropriately reflect the proportionately greater private use of such a motor vehicle.

3.4. Payment of Vehicle Charges

If a Judge, Court Officer or Statutory Officer makes an election under clause 3.1 and a vehicle is supplied in accordance with that election, then the salary and allowances otherwise payable to the Judge, Court Officer or Statutory Officer must be abated and reduced so as to offset the charges for the use of the vehicle for the period during which the Judge, Court Officer or Statutory Officer has the use of the vehicle.

3.5. New Models or Types

3.5.1. If a new type of vehicle, or a new model of a type specified in the Schedules becomes available for selection in terms of 3.1 after the date of election but before the placement of a binding order, the Judge, Court Officer, or Statutory Officer is entitled to withdraw the original election and elect to take the new model or type of vehicle.

3.5.2. The annual charge payable for a new model or new type of vehicle is that amount determined by the South Australian Government Financing Authority as the annual charge for private use of the vehicle. The annual charge takes into account the following:

- purchase price and depreciation;
- fuel, maintenance, insurance roadside assistance, registration costs and interest rates; (operating costs are calculated on the basis of an average of 70% private usage and 30% business usage);
- Goods and Services Tax (GST);
- Fringe Benefits Tax (FBT) based on an attributed business rate of 20,000 kilometres per year; and
- the vehicle being retained for 3 years or 60,000 kilometres travelled, whichever first occurs.

3.5.3. If a model or type of vehicle selected by a Judge, Court Officer or Statutory Officer becomes unavailable before the placement of a binding order, the Judge, Court Officer or Statutory Officer must be advised accordingly and allowed to make a further election under clause 3.1.

3.5.4. If a model becomes unavailable after the date of placement of a binding order and a later or better model vehicle is supplied, any Judge, Court Officer or Statutory Officer who has selected the unavailable vehicle is liable only to pay the annual charge for the vehicle as selected, and not the charge payable for the vehicle as supplied.

3.6. Accessories

The Judge, Court Officer or Statutory Officer may choose to have manufacturer approved accessories fitted to the vehicle. The full cost of the accessories and the expense of having them fitted (including any tax incurred) is payable by the Judge, Court Officer or Statutory Officer. When the vehicle is due for return the Judge, Court Officer or Statutory Officer may have personally-installed accessories removed from the vehicle, providing the Judge, Court Officer or Statutory Officer meets the full cost of restoring the vehicle to the same condition as if the accessories had not been fitted. No compensation will be paid if options are left on the vehicle unless agreed by the relevant authority.

Standard options such as mud flaps, floor mats, cargo barriers (where fitted) may not be removed from the vehicle. Tow bars must not be reinstalled on another vehicle.

The non-fitment of standard features requires that the Judge, Court Officer or Statutory Officer undertakes a comprehensive risk assessment prior to requesting approval from the relevant authority under clause 3.1.

The fitment of non-standard vehicle options fitted requires that the Judge, Court Officer or Statutory Officer seeks documented advice or engineering certificates (as required) to support the decision and to cover any additional costs incurred for registering or re-registering the vehicle in relation to the new specifications. The Judge, Court Officer or Statutory Officer is required to undertake a comprehensive risk assessment prior to requesting approval to fit non-standard vehicle options from the relevant authority under clause 3.1.

3.7. Retention of Vehicle

Having made an election and receiving the vehicle, the Judge, Court Officer or Statutory Officer must keep the vehicle for a period equivalent to the period determined from time to time by the South Australian Government Financing Authority as the period for the replacement of vehicles provided.

At the conclusion of that period the Judge, Court Officer or Statutory Officer will be entitled to make a new election, or, if they do not make an election, to be paid the allowance.

3.8. Conditions of Use

The vehicle will be fully maintained, serviced and insured by the relevant authority under clause 3.1.

The vehicle will be made available at or near the place of duty of the Judge, Court Officer, or Statutory Officer and the vehicle will be available for private and official use, subject to the following:

3.8.1. The Judge, Court Officer, or Statutory Officer must make the vehicle available for official use (including for official use by the Judge, Court Officer, or Statutory Officer) at all times whilst the vehicle is parked at or near the usual place of work of the Judge, Court Officer, or Statutory Officer, and the Judge, Court Officer or Statutory Officer, does not require the vehicle for private use.

- 3.8.2 The Judge, Court Officer, or Statutory Officer will be authorised by the relevant authority to refuel the vehicle provided the vehicle is fuelled or recharged in accordance with any requirements specified by the South Australian Government Financing Authority, which may include requirements that the vehicle be fuelled using a particular brand of motor fuel and that it be only fuelled in South Australia. (If fuelled otherwise than in accordance with those requirements, it will be at the cost of the Judge, Court Officer, or Statutory Officer).
- 3.8.3 The Judge, Court Officer, or Statutory Officer must make the vehicle available as required by the relevant authority for the purposes of the maintenance and repair of the vehicle and must deliver the vehicle to such place as the relevant authority may specify for that purpose.
- 3.8.4 The relevant authority will ensure that Judges, Court Officers and Statutory Officers are insured (which may be pursuant to Government "self-insurance") in respect of compulsory third party liability, third party property damage and any property damage to the vehicle and will hold the Judge, Court Officer, or Statutory Officer harmless in respect of any such property damage.
- The Judge, Court Officer, or Statutory Officer is responsible for making their own arrangements for insurance in respect of personal items within the vehicle and any towed items (e.g. trailers and caravans). The Judge, Court Officer, or Statutory Officer must comply with any requirements of the insurance policy of which the member is aware or should have been made aware of.
- 3.8.5 The Judge, Court Officer or Statutory Officer will be responsible for any driving or parking fines for offences incurred.
- 3.8.6 The vehicle is available to the Judge, Court Officer or Statutory Officer while on leave. Where the Judge, Court Officer or Statutory Officer is absent from duty for a period greater than 7 days then the Judge, Court Officer, or Statutory Officer will be responsible for fuelling the vehicle until returning to duty.
- 3.8.7 Vehicles may be driven interstate during periods of leave and there is no limit to privately travelled kilometres. Fuel and recharging charges for private interstate trips are entirely the personal responsibility of the Judge, Court Officer, or Statutory Officer.
- 3.9. **Special Conditions of Use**
- Notwithstanding anything else in this Determination:
- 3.9.1 where any damage is the result of a wilful or deliberate act of any person, the relevant authority may take such action as they think is fit to recover the cost of such damage;
- 3.9.2 the insurance and discharges are not applicable if the driver is under the influence of drugs and/or alcohol;
- 3.9.3 the insurance and discharges are not applicable if the insurance has been brought to the attention of the Judge, Court Officer or Statutory Officer and is avoided by an action of the driver of the vehicle; and
- 3.9.4 where the insurance policy contains an excess clause, then the Judge, Court Officer or Statutory Officer will be liable to repay the relevant authority the amount of that excess (or any part thereof) in the event that it becomes payable by reason of the driver of the vehicle being blameworthy for any of the damage giving rise to a claim on the policy when the vehicle is being used other than for official use.
- 3.10. **Care of Vehicle**
- The Judge, Court Officer or Statutory Officer is responsible for ensuring that reasonable care is taken of the vehicle. Off street parking at the home of the person concerned is to be used if available and reasonable steps are to be taken to ensure its security. Where any damage to a vehicle supplied to a:
- 3.10.1 Judge or Court Officer is, in the opinion of the Courts Administration Council, the consequence of a serious breach of the obligations imposed by this clause, the Judge, or Court Officer must, on demand, pay the Courts Administration Authority the proper cost of rectification of such damage;
- 3.10.2 Statutory Officer is, in the opinion of the Manager Fleet, South Australian Government Financing Authority, the consequence of a serious breach of the obligations imposed by this clause, the Statutory Officer concerned must, on demand, pay to the South Australian Government Financing Authority the proper cost of rectification of such damage; and
- 3.10.3 Presidential member of the South Australian Employment Tribunal is, in the opinion of the Registrar, the consequence of a serious breach of the obligations imposed by this clause, the Member concerned must, on demand, pay to the Tribunal the proper cost of rectification of such damage.
- 3.11. **Additional Drivers**
- The vehicle may be driven by any other Government employee who requires the vehicle for official use.
- Judges, Court Officers, and Statutory Officers, must nominate to the relevant authority the names of any persons to use the vehicle at times when it is not required to be available for official use and, subject to the control and direction of the Judge, Court Officer or Statutory Officer, such persons will be authorised to use the vehicle upon such nomination.
- Approval is required from the relevant authority for the vehicle to be driven by holders of any form of provisional licence or learner's permit. Approval is also required if any other category of person not otherwise mentioned, is to drive the vehicle.
- 3.12. **Right to Purchase**
- At any time during the 12 months immediately preceding the date of his or her retirement or resignation, a Judge, Court Officer, or Statutory Officer may, by notice in writing to the relevant authority, elect to purchase the vehicle then allocated to him or her as at the date of his or her retirement or resignation or at the end of the lease period. After such notification has been given, the relevant authority must take such steps as are necessary to ensure that it can sell the vehicle to the member.
- 3.13. **No Changeover**
- A Judge, Court Officer or Statutory Officer who makes an election under clause 3.12 shall not be permitted or required to hand a vehicle in for normally scheduled changeover where that changeover would occur between the date of election and the date of retirement/resignation/end of lease period.

3.14 Conditions of Purchase

The conditions in relation to a purchase made following an election under clause 3.12 shall be:

- 3.14.1 The price will be the fair market value, as determined by the South Australian Government Financing Authority, for such a vehicle sold without any statutory warranty.
- 3.14.2 The price will be agreed between the Manager Fleet, South Australian Government Financing Authority, and the Judge, Court Officer or Statutory Officer, with due regard being had to prices generally recovered for such vehicles at the South Australian Government Financing Authority public motor vehicle auctions.
- 3.14.3 Failing such agreement, the price will be determined by an independent valuer agreed by the parties. Where the prospective retiree/resignee is a:
 - 3.14.3.1. Judge or Court Officer, any fee payable to such a valuer shall be borne in equal shares by the prospective retiree/resignee and the State Courts Administrator;
 - 3.14.3.2. Statutory Officer, any fee payable to such a valuer shall be borne in equal shares with half payable by the respective retiree/resignee and the other half being payable from funds appropriated to pay expenses associated with the statutory office held by the retiree/resignee; and
 - 3.14.3.3. Presidential member of the South Australian Employment Tribunal, any fee payable to such a valuer shall be borne in equal shares by the prospective retiree/resignee and the Registrar.
- 3.14.4 The purchase of the vehicle will be directly from SAFA's agent for Vehicle Disposal Management (VDM) services.
- 3.14.5 The price shall be payable to SAFA's VDM agent in full on, or prior to, the date of retirement/resignation of the Judge, Court Officer or Statutory Officer.
- 3.14.6 Vehicles are sold without motor vehicle registration, or registration plates. It is the responsibility of the purchaser to make their own arrangements for the registration of the vehicle, and to affix new registration plates to the vehicle.
- 3.14.7 From the sale date, all liabilities such as registration, insurance, fuel management and ongoing servicing requirements will become the responsibility of the new owner.

4. Date of Operation

- 4.1 This Determination operates from 1 January 2025. It supersedes Determination 14 of 2023.
- 4.2 If a Judge, Court Officer or Statutory Officer currently has the use of a vehicle pursuant to a previous Determination of the Remuneration Tribunal, the conveyance allowance and annual charge payable under the previous Determination will continue to apply. THE REMUNERATION TRIBUNAL**REPORT NO. 16 OF 2024***2024 Review of Accommodation Reimbursement and Allowances for Country Members of Parliament***INTRODUCTION**

- 1. The Remuneration Tribunal (**Tribunal**) has reviewed Determination 9 of 2023, which provides for eligible members of Parliament to claim allowances or reimbursements for accommodation costs from commercial accommodation, a second residence accommodation payment or non-commercial accommodation in Metropolitan Adelaide.
- 2. As explained in this report, the Tribunal has determined to increase the commercial accommodation reimbursement by 2.4%, the second residence accommodation payment by 3.2% and the non-commercial accommodation payment to \$92 per night. The Tribunal has issued an accompanying determination, which applies from 1 January 2025.

BACKGROUND

- 3. The country members accommodation determination exists to facilitate journeys of an official nature from a country member's principal place of residence to Adelaide. The determination operates such that country members are not disadvantaged for fully and properly carrying out their official parliamentary, electoral, community or ministerial duties in Adelaide.
- 4. The Tribunal's Report 9 of 2020 contains extensive information about the history of the country members accommodation reimbursement/allowance.
- 5. In its December 2023 Report, the Tribunal detailed amendments to the reimbursements and allowances to simplify and expedite the payment process. It changed the distance allowance calculation, introduced a streamlined reporting arrangement and introduced a new category of accommodation reimbursement relating to non-commercial accommodation. Other reimbursement rates were increased to recognise inflationary pressures.

THE REVIEW PROCESS

- 6. On 22 October 2024, in accordance with Sections 10(2) and 10(4) of the *Remuneration Act 1990* (SA) (Act), the Tribunal wrote to and invited submissions by 5 November 2024 in respect of this review from:
 - (a) The Honourable Premier of South Australia—as the Minister responsible for the Act who may make submissions or introduce evidence on any question relevant to the public interest;

- (b) Members of Parliament;
 - (c) The Treasurer;
 - (d) The independent Commissioner Against Corruption (ICAC);
7. The Tribunal also advertised its intention to review this, and other determinations applicable to Members of Parliament, on its website from 22 October 2024. Submissions were also invited by 5 November 2024.
 8. On 1 November 2024, the Premier advised that he did not intend to make a submission on this matter.
 9. On 4 November 2024, the Acting Independent Commissioner Against Corruption also advised that he did not intend to make a submission on this matter.

OPPOSITION MEMBERS SUBMISSION

10. On 12 November 2024, after an extension was granted, a written submission was received from Opposition Members.
11. Opposition Members reiterated their 2023 submission and sought the opportunity to make oral submissions. Joshua Teague MP and David Basham MP appeared on behalf of Opposition Members on 11 December 2024.
12. In summary, Opposition Members submitted the following:
 - the core nature of a Country Member of Parliament's representation, require that they attend Parliament. That is fundamental to the role of a Member of Parliament and is distinct from ad hoc travel;
 - the determination should be on the basis of a principle-based approach, rather than codifying criteria and, secondly, that the Tribunal should adopt the recommendations and observations of the ICAC set out in the Commissioner's letters dated 14 July 2021 and 29 June 2022 respectively;
 - the current regime ought to be replaced with an annual allowance. Such a model would eliminate uncertainty and would add transparency of remuneration of Members of Parliament;
 - the process to seek reimbursement is administratively burdensome. In some instances, the actual expense amount is not reimbursed to Members of Parliament in that expenditure components, such as bank credit card fees are not reimbursed;
 - if the Tribunal was minded to introduce an allowance, as a starting point, the Tribunal could consider the number of sitting days and determine an allowance amount to be set by a commercial benchmark. Whether the Member then decided to stay in commercial accommodation, purchase a house in Adelaide or arrange other accommodation should simply be a matter for the Member who is accountable to their electors;
 - in terms of the current system the uptake of non-commercial accommodation would be evident in the online reports published by Parliament, however, they were unaware of Members of Parliament using this option.

CONSIDERATION

13. The Tribunal remains committed to a system that has a significant level of accountability and does not consider changes to the 2022 approach are warranted at this time. The Tribunal notes that Opposition Members have suggested a principle-based approach together with an annual allowance but have not satisfied the Tribunal about how such an allowance should be appropriately founded.
14. The Tribunal has noted the submission of Opposition Members that in some instances the actual amount expended is not reimbursed. For the avoidance of doubt, the Tribunal clarifies that the determination requires the actual amount spent on accommodation, within the various categories, up to the prescribed amount to be reimbursed, which includes any charges applied as a result of the method of payment selected by the Member of Parliament and/or any other accommodation associated expenses.
15. The Tribunal has reviewed the determination amounts in the context of the following data on cost increases.
16. The Consumer Price Index (All groups Adelaide) shows the following percentage changes from the corresponding quarters of previous years:
 - (i) 4.8% for December 2023
 - (ii) 4.3% for March 2024
 - (iii) 4.5% for June 2024
 - (iv) 3.2% for September 2024
17. The Tribunal has also had regard to the Australian Taxation Office Taxation Determinations TD2023/3 and TD2024/3, which respectively set for taxation purposes reasonable accommodation, meal and incidental expenses for the 2023-24 and 2024-25 income years. The Tribunal has noted there was an overall increase of 2.2% to 2.63% for the daily total (which includes accommodation, meals, and incidentals). The Tribunal has also taken note of interest rate movements.

CONCLUSION

18. Having regard to these factors, the Tribunal has decided to increase the commercial accommodation reimbursement amount by 2.4%, the second residence accommodation payment by 3.2% and non-commercial accommodation to \$92.
19. The increases will apply from 1 January 2025.

THE REMUNERATION TRIBUNAL

REPORT NO. 17 OF 2024

Application for exemption to the financial year cap of fees for Deputy Board Member Mr Greg May for the year 2024-25

INTRODUCTION

1. On 14 November 2024, the Remuneration Tribunal (**Tribunal**) received an application and submission from the Presiding Member of the Parole Board of South Australia, Frances Nelson KC, for an exemption to the financial year cap for fees to Deputy Board Member, Mr Greg May, for the year 2024-2025.
2. Allowances for Members of the Parole Board of South Australia are currently contained in Determination 6 of 2024. Mr May as a Deputy Member of the Parole Board receives a sessional rate of \$1,661 per session, with a maximum amount of \$49,772 per financial year.
3. As explained in this report, the Tribunal has decided to exempt Mr May from the application of the cap for the remainder of the 2024-2025 financial year.

THE REVIEW PROCESS

4. Section 10(2) of the *Remuneration Act 1990* (SA) (**Act**) provides that prior to the Tribunal making a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or the persons of that class, a reasonable opportunity to make submissions orally or in writing to the Tribunal.
5. Section 10(4) of the Act provides that the Honourable Premier of South Australia, as the Minister responsible for the Act, may intervene, personally or by counsel or other representative, in proceedings before the Tribunal for the purpose of introducing evidence, or making submissions, on any question relevant to the public interest.
6. On 21 November 2024, the Tribunal wrote to the Premier, Minister for Police, Emergency Services and Correctional Services and Deputy Board Member, Mr Greg May, to invite submissions by 5 December 2024 on this application.
7. The Tribunal also advertised its intention to consider this application on its website from 21 November 2024.
8. On 21 November 2024, Deputy Board Member, Mr Greg May, confirmed that he supports the application and wishes to not make any further submissions.
9. On 4 December 2024, the Minister for Police, Emergency Services and Correctional Service's representative confirmed that the Minister did not intend to provide any submissions in respect of this application.
10. On 5 December 2024, the Premier's representative confirmed that the Premier did not intend to provide any submissions in respect of this application.
11. No other submissions were received.

CONSIDERATION AND CONCLUSION

12. The Presiding Member of the Parole Board's application can be summarised as follows:
 - An exemption is requested from the financial year cap of fees with respect to Deputy Board Member Mr Greg May for the year 2024-2025;
 - Due to circumstances beyond their control, the Parole Board is currently operating one full Board member down for an entire year. One member, Mr Kyprianou was not reappointed as of 2 June 2024;
 - The Board member appointed to replace Mr Kyprianou, Mr Tony Shillabeer, does not commence until 2 July 2025;
 - As a Deputy Board Member, Mr May is paid at a sessional rate as per Determination 14 of 2022¹. The determination, at the time the application was made, caps Mr May's yearly payable rate at \$46,238;
 - For the period 1 July 2024, to October 2024, Mr May attended 14 meetings and received \$22,456 in total payments;
 - Mr May is further scheduled between October and the end of December 2024 to another 8 meetings, \$12,832 in total payments.
 - By the end of December 2024 Mr May will have been paid \$35,288 for 22 meetings;
 - If Mr May's annual board fee cap remains at \$46,238, that leaves \$10,950—which, at \$1,604 per meeting, is just under 7 meetings for 6 months to the end of June 2025;
 - Given that one full member position is unoccupied and so not being paid for, the Parole Board anticipates no negative budgetary impact;

- If an exemption is unable to be provided, the Parole Board will be required to cancel several meetings resulting in delay of interviews and processing of parole applications and potentially leading to extended periods of incarceration, creating pressure on the prison system's capacity to accommodate prisoners.
13. Attached to the submission, the Presiding Member provided a copy of Government Gazette No. 37 and Minutes forming enclosure to Shared Services South Australia (SSA).
 14. The cap on fees for Deputy Board Members operates to recognise that these persons are generally utilised as substitutes when Parole Board Members are not available rather than as ongoing Members. The rate for Deputy Board Members has been set to recognise the normal casual nature of their involvement.
 15. The Tribunal recognises the necessity for the Parole Board to be able to access sufficient Members to attend its scheduled regular hearings, noting that a shortage of Members mean that the Parole Board will be required to cancel several meetings resulting in delay of interviews and processing of parole applications.
 16. Given the exceptional circumstances provided for in the application, the Tribunal considers it necessary to exempt Mr May from the financial year cap provided for in clause 5.2 of Determination 6 of 2024 to cover the vacancies in the schedule of meetings for 2025 up until the end of the financial year, noting that a new Parole Board Member will commence on 2 July 2025.

OPERATIVE DAY

17. The Determination will operate from 1 January 2025 and will cease to operate 30 June 2025.

¹ Note the application was made before the Tribunal issued Determination 6 of 2024 on 19 November 2024.

THE REMUNERATION TRIBUNAL**REPORT No. 18 OF 2024***2024 Review of Minimum and Maximum Remuneration for
the City of Holdfast Bay Council Local Government Chief Executive Officer***INTRODUCTION**

1. On 11 September 2024, the Remuneration Tribunal (**Tribunal**) received an application from the City of Holdfast Bay Council requesting the Tribunal move the City of Holdfast Bay from band 4 (\$319,280 - \$358,550) to band 3 (\$357,760 - \$388,253). The current bandings are provided for in Determination 4 of 2024, where the Tribunal recently, on 9 September 2024, provided a 2% increase to the maximum of each band set by the Tribunal.
2. Council's application was made on the basis that the Chief Executive Officer (**CEO**) of the City of Holdfast Bay had recently retired and therefore Council was about to undertake a recruitment process to attract, appoint and remunerate a new CEO.
3. For the reasons provided within this report, the Tribunal has determined to take into account the information provided by Council as part of its broader review being conducted for all Local Government CEOs.

LEGISLATIVE PROVISIONS

4. Section 14 of the *Remuneration Act 1990* (SA) (**Act**) provides that the Tribunal has jurisdiction to determine the remuneration, or a specified part of the remuneration, payable in respect of certain offices, if such jurisdiction is conferred upon the Tribunal by any other Act or by the Governor by proclamation.
5. Section 99A of the *Local Government Act 1999* (SA) (**LG Act**) confers jurisdiction upon the Tribunal to determine the minimum and maximum remuneration that may be paid or provided to CEOs of Councils constituted under the LG Act.

THE REVIEW PROCESS

6. The City of Holdfast Bay's application can be summarised as follows:
 - The CEO of Council has retired and therefore a recruitment process is required.
 - Council considers the current remuneration band may deter some candidates from applying, with the majority of metropolitan Councils at band 4 or above.
 - The City of Holdfast Bay has unique factors such as owning an aged care facility, for which the CEO has responsibility. The facility has seen significant growth over the past few years with an approximate 300% increase in budgeted revenue now exceeding \$49 million and increases in staffing levels to approximately 500 employees. This has resulted in a consolidated budgeted revenue position of the Council of more than \$106 million.
 - An independent expert remuneration specialist was engaged who, based on industry benchmarks, assessed the CEO role as being in the order of \$423,000.
 - Without responsibility for the aged care facility, the expert remuneration specialist advised that the remuneration would be within the current band, being band 4.
7. On 18 September 2024, the Tribunal requested further information from the Council. In particular, information relating to the organisational structure of the aged care facility and specific information concerning the responsibilities of the CEO in this regard. The Tribunal also sought information as to the recruitment timelines.
8. On 16 October 2024, the Council provided further information.
9. The Tribunal then invited the City of Holdfast Bay to meet. On 12 November 2024, the Tribunal met with Deputy Mayor, Susan Lonie and General Manager, Strategy and Corporate Sharon Wachtel. Council provided an update as to the recruitment process and undertook to provide further information in relation to the aged care facility.
10. That information was provided on 19 November 2024.
11. Section 10(2) of the Act provides that prior to the Tribunal making a Determination affecting the remuneration of a particular person, or persons of a particular class, the Tribunal must allow that person, or the persons of that class, a reasonable opportunity to make submissions orally or in writing to the Tribunal.
12. Section 10(4) of the Act provides that the Honourable Premier of South Australia, as the Minister responsible for the Act, may intervene, personally or by counsel or other representative, in proceedings before the Tribunal for the purpose of introducing evidence, or making submissions, on any question relevant to the public interest.
13. On 2 December 2024, the Tribunal wrote to the Premier, the Minister for Local Government as Minister responsible for the LG Act and the CEO of the Local Government Association, to invite submissions by 9 December 2024 on this application.
14. The Tribunal also advertised its intention to consider this application on its website from 2 December 2024.
15. On 10 December 2024, the Premier's representative confirmed that a submission would not be made.
16. The Tribunal notes the media advice that a CEO has been appointed.
17. No other submissions were received.

CONSIDERATION AND CONCLUSION

18. The Tribunal is in the process of completing an extensive review of the Local Government CEO minimum and maximum remuneration amounts and anticipates issuing a Report in this respect soon.
19. The Tribunal will consider the information provided by the City of Holdfast Bay as part of the extensive review and has therefore determined that no increase should be provided ahead of the general review.
