## FISHERIES MANAGEMENT ACT 2007

### SECTION 79

#### *Temporary Commercial Fishing Prohibitions in Waters of Gulf St Vincent—Bloodworms, Beachworms and Tubeworms*

Pursuant to Section 79 of the *Fisheries Management Act 2007*, I, Hon Clare Scriven MLC, the Minister for Primary Industries and Regional Development, hereby declare that it shall be unlawful for the holder of a Miscellaneous Fishery licence or their registered master to engage in the act of, or an act preparatory to or otherwise involved in, the fishing activities specified in Schedule 1, or to have possession or control of specified aquatic resources within the area described in Schedule 2 during the period specified in Schedule 3.

#### SCHEDULE 1

1. The taking of Bloodworms, Beachworms or Tubeworms (Class *Polychaeta*) within the waters of the Gulf St. Vincent and Kangaroo Island Fishing Zone and the Port Adelaide River estuary.

#### SCHEDULE 2

1. The possession of Bloodworms, Beachworms or Tubeworms (Class *Polychaeta*) within the waters of the Gulf St. Vincent and Kangaroo Island Fishing Zone and the Port Adelaide River estuary; unless transiting through the relevant zone or area with the abovementioned aquatic resources lawfully taken in the waters of other fishing zones in the following circumstances:
  - where prior to entering the zone, the licence holder or register master has made a report to the Department, by using the Commercial Fishing SA app or by calling Fishwatch 1800 065 522 and has provided the following information:
    - the name of the person submitting the report;
    - the contact number of the person submitting the report;
    - the licence number and name of the holder of the licence, or the registered master operating the vessel;
    - the species on board and estimated weight;
    - the zone fish were taken from; and
    - the estimated date, time and place of landing.

#### SCHEDULE 3
