EDUCATION AND CHILDREN'S SERVICES ACT 2019

Amending the Constitution of a Governing Council for a Government Preschool

I, Lynne Rutherford, Director, Quality Preschools, consider it necessary to amend the constitution of Ocean View College (Preschool) Inc to ensure that it takes the form of the proposed model constitution for children's services centres, and to reflect the change of name to the Ocean View College Children's Centre for Early Childhood Development and Parenting Preschool Incorporated. Therefore, in accordance with Section 22(1) and (2) of the *Education and Children's Services Act 2019*, I amend the governing councils' constitution such that it now reads as follows:

OCEAN VIEW COLLEGE CHILDREN'S CENTRE FOR EARLY CHILDHOOD DEVELOPMENT
AND PARENTING PRESCHOOL INCORPORATED

Constitution

Table of Contents

CHILDREN'S SERVICES CENTRE CONSTITUTION

(under Education and Children's Services Act 2019)

1. Name

The name of the Children's Services Centre is the Ocean View College Children's Centre for Early Childhood Development and Parenting Preschool Incorporated (hereinafter called 'the Centre').

2. Interpretation

In this constitution, unless the contrary intention appears:

'the Act' means the *Education and Children's Services Act 2019*

'administrative instruction' means an administrative instruction issued by the Chief Executive (or delegate) pursuant to Section 9 of the Act

'Centre Staff' means persons employed to work at the Centre who are employed by the Chief Executive or who are employed by the Centre on terms and conditions approved by the Chief Executive

'Children's Services Centre' means a stand-alone children's services centre continuing in existence under Section 26 of the Act at which one or more children's services are provided

'children's service provided by the Centre' means a children's service run by the Centre and funded by the department. To avoid doubt, this does not include children's services offered by external agencies co-hosted at the Centre

'Council' means the Governing Council of the Centre

'Council member' means member of the Council

'department' means the Department for Education

'Director' means the person for the time being designated by the Chief Executive as the Director of the Centre

'Minister' means the person to whom the administration of the Act is committed pursuant to the *Administrative Arrangements Act 1994*

'parent'—the Act uses the term "person responsible for a child or student". In this constitution, the term "parent" will be used instead. This term includes parents, guardians, and persons standing in *loco parentis* to a child, but excludes any person whose custody or guardianship of a child, or whose responsibility for a child, has been excluded under any Act or law (for example, the *Family Law Act 1975* (Cth)).

'preschool' means a place at which education services are provided to children who have not yet attained the compulsory school age (and preschool education will be taken to have a corresponding meaning) but a reference to a preschool, or to preschool education, will be taken not to include a reference to the provision of primary education to such children at a school.

'Quality Improvement Plan' means a document created by the Centre for the purposes of assessing its performance in delivering quality education and care and to plan future improvements

'Regulations' means the *Education and Children's Services Regulations 2020*

'special resolution' of the Council means a resolution for the purposes of removing an office holder from office, passed by a duly convened meeting of the Council if—

(1) at least 14 days written notice has been given to all Council members specifying the intention to propose the resolution as a special resolution; and

7.11.2 An office holder of the Council may be removed from office, but not from membership of the Council, by special resolution of the Council provided that:

(i) at least 14 days written notice is given to all Council members and to the office holder concerned, of any proposed resolution, giving reasons for the proposed removal

(ii) the office holder is given the right to be heard at the Council meeting

(iii) voting on the special resolution is by secret ballot.

Notice of meetings must be posted in a prominent place on a noticeboard at the premises of the Centre.

7.12.4 Where there are one or more vacancies in the membership of the Council, the Council is not prevented from acting.

7.12.5 The Council may from time to time determine procedures to facilitate and expedite its business.

7.12.6 All acts done or performed by the Council or a sub-committee or an officer or employee of the Centre will, notwithstanding that it is afterwards discovered that there was some defect in the appointment, be as valid as if the Council, sub-committee, officer or employee has been duly appointed and was properly qualified.

7.12.7 At Council meetings:

(i) a quorum will be the majority of the filled positions. If at the expiration of thirty (30) minutes after the appointed time for the meeting there is not a quorum present, the meeting will stand adjourned to a time and place determined by those members present

(i) the contract is not liable to be avoided by the Council on any ground arising from the fiduciary relationship between the Council member and the Council

(ii) the Council member is not liable to account for the profits derived from the contract.

7.14.5 This clause does not apply in relation to a contract in which a Council member has an interest while the Council member remains unaware that they have an interest in the contract, but in any proceedings against the Council member the burden will lie on the Council member to prove that they were not, at the material time, aware of the interest.

7.15 *Sub-committees*

APPENDIX 1

Scheme for the Resolution of Disputes Between the Council and the Director

Where the governing council considers it is in dispute with the Director, the chairperson will ensure the dispute is recorded appropriately in the minutes at a formal meeting of the council.

The governing council must be operating within the scope of its designated role and function, that is, the dispute must be in relation to the powers and functions of council.

At its next meeting, the governing council must move and pass a formal resolution by a majority of the council members present and eligible to vote that independent mediation is required.

The chairperson must then write to the Education Director with line management of the relevant Director detailing the nature of the and issues in dispute. The chairperson and Education Director will then jointly agree on the appointment of an independent mediator.

Once appointed, the independent mediator, in accordance with their professional conduct rules, will convene a meeting of representatives of both the governing council and the department to help them identify the issues, explore options, and, if possible, agree to a quick resolution of the dispute.

These amendments take effect from the date of the Gazette notice.
