ENVIRONMENT PROTECTION ACT

SECTION 68

Approval of Category B Containers

I, Nicholas Stewart, Principal Adviser, Product Stewardship and Delegate of the Environment Protection Authority (the Authority), pursuant to Section 68 of the *Environment Protection Act, 1993* (SA) ('the Act') hereby:

Approve as Category B Containers, subject to the conditions in subclauses 1, 2, 3 and 4 below, each of the classes of containers identified by reference to the following matters described in the first 4 columns of Schedule 1 of this Notice which are sold in South Australia:

- (a) the product which each class of containers shall contain;
 - (b) the size of the containers;
 - (c) the type of containers;
 - (d) the name of the holders of these approvals.
1. That containers of the class to which the approval relates must bear the refund marking specified by the Authority for containers of that class. The Authority specifies the following refund markings for Category B containers:
 - (1) "10c refund at collection depots when sold in SA"; or
 - (2) "10c refund at SA/NT collection depots in State/Territory of purchase"; or
 - (3) "10c refund at collection depots/points in participating state/territory of purchase".
 2. The holder of the approval must have in place an effective and appropriate waste management arrangement in relation to containers of that class. For the purpose of this approval notice the company named in Column 5 of Schedule 1 of this Notice is the nominated super collector.

3. In the case of an approval in relation to Category B containers that the waste management arrangement must require the holder of the approval to provide specified super collectors with a declaration in the form determined by the Authority in relation to each sale of such containers by the holder of the approval as soon as practicable after the sale.
4. The holder of these approvals must ensure that if a sticker bearing the refund marking has been approved, and is applied to the container, then the sticker must not be placed on any portion of the opening mechanism or in any other place that would require complete or partial removal of the sticker before the contents may be consumed.

LANDSCAPE SOUTH AUSTRALIA ACT 2019

Revocation of Notice of Authorisation to Take Water for Road Making

Pursuant to Section 105(5) of the *Landscape South Australia Act 2019*, I, Emily Bourke, Minister for Climate, Environment and Water, and the Minister to whom the Act is committed, hereby revoke the *Notice of Authorisation to Take Water for Road Making*, published pursuant to Section 11 of the repealed *Water Resources Act 1997* in the *Government Gazette* on 27 November 2003.

Dated: 3 September 2026

HON. EMILY BOURKE MLC
Minister for Climate, Environment and Water

LANDSCAPE SOUTH AUSTRALIA ACT 2019

Notice of Authorisation to Take Water for Road and Railway Making

Pursuant to Section 105(1) of the *Landscape South Australia Act 2019* (the Act), I, Emily Bourke, Minister for Climate, Environment and Water (the Minister) to whom the Act is committed, hereby authorise the taking of water from all prescribed water resources declared in accordance with Section 101 of the Act, for the purpose set out in Schedule A and subject to the conditions specified in Schedule B.

SCHEDULE A

Construction, maintenance, repair and/or alterations to a road or railway.

For the purposes of this notice:

- (a) 'road' means any street, road, thoroughfare, terrace, court, lane, alley, cul-de-sac, or place commonly used by the public, or to which the public is permitted to have access, and includes a part of a road.
- (b) 'railway' includes—
 - (a) a tramway; and
 - (b) track structures.
- (c) 'taking of water' includes the methods of take defined by 'to take' in the Act.
- (d) Words used in this notice that are defined in the Act shall have the meanings set out in the Act.

Note: Due to the potential for significant volumes of water to be taken, this authorisation does not authorise the taking of intercepted groundwater associated with the construction of road/railway tunnels or underpasses.

To confirm whether the proposed take of water is permitted in accordance with this notice, the Department for Environment and Water may be contacted on dewaterlicensing@sa.gov.au.

SCHEDULE B

- (1) A person taking water pursuant to this authorisation, if the water is taken through a meter (or if requested to be taken through a meter by the Minister), must make a written record of the reading of the meter both immediately before and immediately after each taking and provide a copy of the record to the Minister by email to dewaterlicensing@sa.gov.au within 14 days of the record.

HON. EMILY BOURKE MLC
Minister for Climate, Environment and Water

LANDSCAPE SOUTH AUSTRALIA ACT 2019

*Notice of Authorisation to Take Water for the Purpose
of Temporary Dewatering Associated with Construction Activities*

Pursuant to Section 105(1) of the *Landscape South Australia Act 2019* (the Act), I, Emily Bourke, Minister for Climate, Environment and Water (the Minister) to whom the Act is committed, hereby authorise the taking of water from all prescribed water resources declared in accordance with Section 101 of the Act, for the purpose set out in Schedule A and subject to the conditions specified in Schedule B.

SCHEDULE A

Temporary dewatering of prescribed water resources that are intercepted during civil or building construction, and associated works.

SCHEDULE B

- 1. A water user must make a request in a form approved by the Minister and receive written approval from the Department for Environment and Water (the Department) before taking water. The decision of whether to approve the take of water pursuant to this authorisation, and communication of the decision, will be made in accordance with the Department's *Policy for authorising temporary dewatering associated with civil and building construction*.
- 2. A water user must only take water in accordance with the details specified in the written approval granted pursuant to condition 1 of this authorisation. The written approval will contain the following details of take:
 - (a) the specified purpose;
 - (b) the specified location or water resource;
 - (c) the specified volumetric limit—the volumetric limit is used to determine the penalty for unauthorised take of water, as declared under Section 88 of the Act; and
 - (d) the specified duration or period (which must not exceed 12 months); and
 - (e) any other conditions.
- 3. Unless exempted by the Minister, meter readings must be used to quantify the volume of water taken. Water must only be taken through a meter that is installed and maintained in accordance with the *South Australian Licensed Water Use Meter Specification* approved by the Minister as may be amended from time to time, and the water user must comply with the provisions applying to meters set out in Regulation 12 of the *Landscape South Australia (Water Management) Regulations 2020*.
- 4. Unless exempted by the Minister, the water user must submit a report to the Minister by email to dewaterlicensing@sa.gov.au (and cc to dewgroundwater@sa.gov.au and EPALicensing@sa.gov.au) within 30 days of completing dewatering activities (or at the Minister's request). The report will contain:
 - (a) monthly water extraction and discharge volumes and meter reads (in accordance with condition 3);
 - (b) dates and timing of dewatering and discharge activities;
 - (c) other data or information as requested by the Minister.
- 5. The water user must operate, monitor and report in accordance with the provisions of any other Act, which means the water user must comply with all other legislative requirements, including but not limited to requirements of Environmental Authorisations under Part 6 of the *Environment Protection Act 1993*, and programs for environment protection and rehabilitation (PEPR) and mine operation plans (MOP) under the *Mining Act 1971*.
- 6. The water user must notify the Minister immediately by email to dewaterlicensing@sa.gov.au and dewgroundwater@sa.gov.au if:
 - (a) data shows that water take exceeds the volumetric limit; or
 - (b) any device used to measure and collect data relevant to this authorisation stops working or is inaccurate (or suspected to be inaccurate) or has been replaced.

7. The words used in this authorisation have the meanings defined below and words defined in the Act shall have the meanings as set out in the Act:

- (a) ‘Water user’ means a person who takes water pursuant to this notice;
- (b) ‘Volumetric limit’ means the volume stated on the approval and in relation to condition 2 of this authorisation; and
- (c) ‘Civil or building construction’ includes underground excavations for the purpose of constructing, installing or repairing infrastructure (and associated works) that intercepts groundwater, including but not limited to basements, carparks, underground water pipes and power lines, sumps, tanks and tunnels.

8. This authorisation will commence on the date below and will remain in effect unless varied or revoked.

LANDSCAPE SOUTH AUSTRALIA ACT 2019

SECTION 105

Notice of Authorisation to Take Water from the Central Adelaide Plains Prescribed Wells Area for Particular Purpose

Notice is hereby given pursuant to Section 105 of the *Landscape South Australia Act 2019* (the Act) that I, Emily Bourke, Minister for Climate, Environment and Water to whom the Act is committed, hereby authorise the taking of groundwater from the Central Adelaide Plains Prescribed Wells Area, for the purpose set out in Schedule A and subject to the conditions specified in Schedule B.

SCHEDULE A

Temporary dewatering of groundwater associated with construction works as part of Australian Naval Infrastructure civil works in the Central Adelaide Plains Prescribed Wells Area on land parcels CT6312/129 and CT6312/111 at Mersey Road North, Osborne, South Australia.

SCHEDULE B

1. The water user must not take in excess of 4,000 kilolitres of water, which is the volumetric limit for this authorisation.
2. The water user must only take from the location and for the purpose specified in schedule A. This authorisation does not constitute approval for the take of water from any other location or for any other purpose.
3. Within 14 days of completion of the construction to which this authorisation relates, the water user will inform the Minister by email to dewwaterlicensing@sa.gov.au (and cc to dewgroundwater@sa.gov.au).
4. The water user must operate, monitor and report in accordance with the provisions of any other Act, which means the water user must comply with all other legislative requirements, including, but not limited to requirements of Environmental Authorisations under Part 6 of the *Environment Protection Act 1993*.

The words used in this authorisation that are defined in the Act shall have the meanings as set out in the Act, unless defined below:

- (a) ‘Water user’ means a person who takes water pursuant to this notice.
- (b) ‘Volumetric limit’ means the volume stated in condition 1 of this authorisation unless a revised limit is approved by the Minister prior to the end of the relevant financial year. The volumetric limit is used for the purpose of determining the penalty for unauthorised take of water, as declared under Section 88 of the Act.
- (c) ‘Minister’ refers to the Minister for Climate, Environment and Water and their delegate(s).

This authorisation will commence on the date below and will remain in effect until 30 June 2027 (or upon completion of the scheduled construction work if completed earlier).

PASSENGER TRANSPORT REGULATIONS 2024

Determination of Fares and Charges for Regular Passenger Services within Metropolitan Adelaide

Pursuant to Regulation 155(1)(a) and (b) of the *Passenger Transport Regulations 2024*, I have determined that the fares and charges to be paid by passengers on a regular passenger service are the fares and charges set out in Schedule 1 below.

This Determination replaces the *Determination of Fares and Charges for Regular Passenger Services Within Metropolitan Adelaide* made under the *Passenger Transport Regulations 2024* and published in the *Government Gazette* on 19 June 2025 (pp 2002-2004).

These fares and charges will be effective from 1 October 2026.

Dated: 4 September 2026

HON. JOSEPH KARL SZAKACS MP
Minister for Infrastructure and Transport

SCHEDULE 1

1. Interpretation

In this determination, unless the contrary intention appears:

concession fare (concession) means a fare for a passenger who holds a valid travel concession card or tertiary student identification card.

off-peak means:

- Monday to Friday between 9:01am to 3:00pm; and
- all day Sunday and public holidays.

peak means all times other than off-peak times.

regular fare (regular) means a fare for a passenger who is not eligible for a concession fare.

student fare (student) means a fare for:

- a passenger who holds a valid secondary student identification card; or
- a child from the age of 5 years and under 15 years.

2. Purchase of a Metrocard

Regular	Concession	Student

PLANNING, DEVELOPMENT AND INFRASTRUCTURE ACT 2016

SECTION 76

*Amendment to the Planning and Design Code**Preamble*

It is necessary to amend the Planning and Design Code (the Code) in operation at 27 August 2026 (Version 2026.16) in order to make changes of form relating to the Code's spatial layers and their relationship with land parcels. Note: There are no changes to the application of zone, subzone or overlay boundaries and their relationship with affected parcels or the intent of policy application as a result of this amendment.

1. Pursuant to Section 76 of the *Planning, Development and Infrastructure Act 2016* (the Act), I hereby amend the Code in order to make changes of form (without altering the effect of underlying policy), correct errors and make operational amendments as follows:
 - (a) Undertake minor alterations to the geometry of the spatial layers and data in the Code to maintain the current relationship between the parcel boundaries and Code data as a result of the following:
 - (i) New plans of division deposited in the Land Titles Office between 19 August 2026 and 1 September 2026 affecting the following spatial and data layers in the Code:
 - A. Zones and subzones
 - B. Technical and Numeric Variations
 - Building Heights (Levels)
 - Building Heights (Metres)
 - Minimum Primary Street Setback
 - Minimum Side Boundary Setback
 - Future Local Road Widening Setback
 - C. Overlays
 - Affordable Housing
 - Future Road Widening
 - Hazards (Bushfire—High Risk)
 - Hazards (Bushfire—Medium Risk)
 - Hazards (Bushfire—General Risk)
 - Hazards (Bushfire—Urban Interface)
 - Hazards (Bushfire—Regional)

- Hazards (Bushfire—Outback)
- Heritage Adjacency
- Local Heritage Place
- Significant Retirement Facility and Supported Accommodation Sites
- State Heritage Place
- Stormwater Management
- Urban Tree Canopy

(ii) Improved spatial data for existing land parcels in the following locations (as described in Column A) that affect data layers in the Code (as shown in Column B):

Location (Column A)	Layers (Column B)
Meadows 	Zones <i>Technical and Numeric Variations</i> - Concept Plan - Maximum Building Height (Levels) - Maximum Building height (Metres) - Minimum Frontage - Minimum Site Area Overlays - Affordable Housing - Environment Food Production Area - Hazards (Bushfire—High Risk) - Hazards (Bushfire—Medium Risk) - Heritage Adjacency - Historic Area - Limited Land Division - Local Heritage Place - Regulated Significant Tree - Significant Retirement Facility - Supported Accommodation Sites

(b) In Part 13 of the Code—Table of Amendments, update the publication date, Code version number, amendment type and summary of amendments within the ‘Table of Planning and Design Code Amendments’ to reflect the amendments to the Code as described in this Notice.

2. Pursuant to Section 76(5)(a) of the Act, I further specify that the amendments to the Code as described in this Notice will take effect upon the date those amendments are published on the SA planning portal.

PLANNING, DEVELOPMENT AND INFRASTRUCTURE ACT 2016

SECTION 76

Amendment to the Planning and Design Code

Preamble

It is necessary to amend the Planning and Design Code (the Code) in order to make the following minor or operational amendments:

- correct an error relating to property address details of a Local Heritage Place at Erindale.

1. Pursuant to Section 76 of the *Planning, Development and Infrastructure Act 2016* (the Act), I hereby amend the Code in order to make the following minor or operational amendments:

(a) In Part 11—Local Heritage Places, in the section applying to ‘Burnside’ amend the Table of Local Heritage Places in accordance with the following:

(i) replace the text ‘446 Glynburn Road (cnr Roslind Street) Erindale’ as it relates to Heritage No. 8111 with the text ‘446 Glynburn Road and 1A Rosalind Street Erindale’.

(b) In Part 13—Table of Amendments, update the publication date, Code version number, amendment type and summary of amendments within the ‘Table of Planning and Design Code Amendments’ to reflect the amendments to the Code as described in this Notice.

2. Pursuant to Section 76(5)(a) of the Act, I further specify that the amendments to the Code as described in this Notice will take effect upon the date those amendments are published on the SA planning portal.

PLANNING, DEVELOPMENT AND INFRASTRUCTURE ACT 2016

SECTION 76

*Amendment to the Regional Plans**Preamble*

It is necessary to amend the Regional Plans to make the following minor or operational amendments:

- to update the Limestone Coast Regional Plan to reflect the name change of the former District Council of Grant to Southern Limestone Coast Council.
 - to correct errors identified in the Limestone Coast Regional Plan, including the duplication of a spatial recommendation and correct errors in the description and assigning of an action in the Implementation Plan.
1. Pursuant to Section 76 of the *Planning, Development and Infrastructure Act 2016* (the Act), I hereby amend the Regional Plans to make the following minor or operational amendments:
 - (a) in the Limestone Coast Regional Plan, replace every instance of ‘District Council of Grant’ (including any abbreviations or shortened references) with ‘Southern Limestone Coast Council’ (applying abbreviations or shortened references as necessary) to reflect the new name of the council, as of 1 July 2026.
 - (b) in the Limestone Coast Regional Plan, under the theme of People, housing and liveability remove the duplication of a spatial recommendation for a ‘Future Residential’ area located in Millicent.
 - (c) in the Limestone Coast Regional Plan within the Implementation Plan, as well as under the theme of People, housing and liveability and subtheme of Housing supply and diversity, amend the Responsible Party for the action ‘Investigations—Future Residential Glencoe’ to Wattle Range Council area, instead of the Kingston District Council area.
 2. Pursuant to Section 76(5)(a) of the Act, I further specify that the amendments to the Plan as described in this Notice will take effect upon the date those amendments are published on the SA planning portal.
